The King County Access to Baby & Child Dentistry (ABCD) program focuses on preventive and restorative dental care for Medicaid eligible children from birth through 5 years, with emphasis on **FIRST TOOTH, FIRST BIRTHDAY, FIRST DENTAL EXAM** by a dentist or a doctor, as recommended by the Academy of Pediatric Dentistry (AAPD). Dentists with the **ABCD program** icon  have been specifically trained and certified by the University of Washington, School of Dentistry on caring for young kids, preventing tooth decay early and educating parents about how to take good care of their children's teeth.
