3 Add new Appendix N to Ordinance 94-737 with text as follows:

4 Appendix N to 94-737

5 The following King County Resource Lands Area Zoning P-Suffix conditions are hereby  
6 adopted:

16 agricultural and open space character of the area. Application for a conditional use permit  
17 shall include:

- 18 1). Demonstration that construction of the development project shall result in  
19 minimal disruption to areas of the site that will not have permanent buildings or  
20 pavement.
- 21 2). Wetland and other environmental analyses to define the environmentally  
22 sensitive areas on the site that may be limiting factors for development.

23 B. Dimensional Standards
