GHP No.: PR0015736 Cedar Hills Regional Landfill 2016 renewal application – Attachment

Changes to Operation

- South Solid Waste Area excavated. Waste from the area was placed in Area 7. Contaminated soil from the area was used for daily cover and clean soil was stockpiled on Area 6.
- A new South Perimeter Road was constructed to allow traffic to avoid the South Solid Waste Area excavation project.
- Stage 2 final and interim final cover were placed over Area 7 exterior slopes.
