### Snow/Emergency Service

During snow conditions these routes will operate via the snow routing shown in this timetable. In the rare event that Metro declares an emergency, this schedule will be suspended, and emergency snow network routes will be in effect. The snow network routes are designed to keep essential services moving. During an emergency, the Snow Network routes are expected to operate with the same route numbers and follow the same snow routing as shown in this timetable. Visit kingcounty.gov/metro and sign up for Transit Alerts to be notified of changes. For more information about the Snow Network routes, contact the King County Metro Call Center at 206-553-3000. www.kingcounty.gov/metro

### VanShare

**You know a good thing when you ride!**

Let VanShare bridge the gap in your commute. Starting a vanshare is simple. You just need five people including a volunteer driver. Use it to make the connection to your final destination from any transportation terminal.

To start a VanShare, phone us at 206-625-4500 or email us at VanShare@kingcounty.gov. Link to our web page through Metro Online kingcounty.gov/metro

### Bike & Ride

Metro has bike racks that hold three bikes. The racks are easy to use at no extra cost. Just follow the simple instructions posted on the rack. You may load or unload your bike anywhere on the regular Metro bus stops, including downtown Seattle and the transit tunnel.

### Vanpool

Metro has two customer service offices in downtown Seattle to serve you. 206-553-3000

### Community Transit

Contact Community Transit at 1-866-562-1375 or 711 (TTTY) Relay.

### Night Rider Tip

You can help drivers spot you when it’s dark or during long delays when reduced visibility is a concern. Wear bright-colored clothing and flag down the bus when you see it.

### Night Stop Program

If you’ve added safety at night, you may request to have stops added at a location along your route that is not a regular stop. To do so, please go to the front of the bus and ask your driver at the last stop before your desired stop. Safety considerations will determine if the driver can comply with your request.

### How To Pay

Metro has the following payment options:

- Cash
- Ticket or with a convenient ORCA card
- Prepaid cards
- MasterCard
- Visa
- American Express
- Discover

### Online Trip Planning

Use Metro’s online Trip Planner to plan trips on a schedule. The planner provides detailed directions to the stops, bus schedules, and modes of transportation. You may also request to have stops at a location along your route that is not a regular stop. To do so, please ask your driver at the last stop before your desired stop. Safety considerations will determine if the driver can comply with your request.

### Pay As You Board

At all times, you may pay as you board the bus, by cash, ticket, or with a convenient ORCA card. You may also request to have stops added at a location along your route that is not a regular stop. To do so, please ask your driver at the last stop before your desired stop. Safety considerations will determine if the driver can comply with your request.
