snow/night stop itineraries. Trip Planner itineraries

do not take into account if the route is in service

during snow/night stop service.

Night Stop Services

For your added safety at night, you may request to

a regular bus stop. To do so, please go to the front

before your desired stop. Safety considerations will

determine if the driver can comply with your request.

Night Stop service is available only 6 pm to

9 am and for dropping off riders only. Night Stop is

not provided in downtown Seattle.
