## Online Trip Planning

Use Metro's online Trip Planner to plan trips on scheduled service in King, Pierce and Snohomish counties. It provides details on transit stops, routes and schedules. Trip Planner itineraries do not include service disruptions and reroutes caused by weather, emergencies, traffic, events or construction.

Trip Planner includes Metro Transit, Pierce Transit, Community Transit, Everett Transit, ST Express buses, Lynx light rail, Sounder commuter rail, King County Water Taxi, Seattle Streetcar, Seattle Center Monorail, and Seattle Water Taxi. It also provides details on construction.

## Quick Timetable Tips

1. Locate the WEEKDAY, SATURDAY, or SUNDAY schedule block for the direction you want to go. Timepoints are listed from the beginning of the route (on the left) to the end (on the right).

2. Timepoints in the schedule block correspond with the timepoint dots on the map. If you are boarding at a stop between two timepoints, use the earlier timepoint as a guide.

3. If there is a symbol (letter or character) after a time, look for the explanation under the heading Timetable Symbols.

## Special Fare Information

Shaded areas on weekday schedules indicate peak hour trips: $2.75 one-zone and $3.25 two-zone fares apply.
