### Night Owl Service

Bus service is available from 1 am to 5 am on some routes, including downtown Seattle and the transit tunnel.

### Night Stop Program

For your added safety at night, you may request to exit the bus at a location along your route other than a regular bus stop. To do so, please go to the front of the bus and ask your driver at least one block before your desired stop. Safety considerations will determine if the driver can comply with your request.

### Priority Seating

All Metro busses are wheelchair accessible. Designated seats in the front of busses are reserved for seniors and people with disabilities. If you are occupying one of these seats when a person with a mobility aid boards, please offer it to that person.

### Night Rider Tip

You can help drivers spot you when it is dark or during times of reduced visibility by wearing light-colored clothing and by standing in the most visible area of the bus stop. We don’t want to miss you!

### Bike & Ride

Metro busses have bike racks that hold three bikes. The racks are easy to use at no extra cost. Just follow the simple instructions posted near the rack. You may load or unload your bike anytime at all regular Metro bus stops, including downtown Seattle and the transit tunnel.

### ORCA Card

Metro Transit and eight other Puget Sound transportation agencies (Community Transit, Everett Transit, Kitsap Transit, Pierce Transit, Sound Transit, Seattle Streetcar, King County Water Taxi and Washington State Ferries) use a common fare-payment system called ORCA (One Regional Card for All). The ORCA card works as cash or a pass, and it automatically tracks the value of your fares and transfers. Use it to make the connection to your final destination from any transportation terminal.

### Online Trip Planning

Use Metro’s online Trip Planner to plan trips on scheduled service in King, Pierce and Snohomish counties. It provides details on transit stops, routes and schedules. Trip Planner itineraries do not include service disruptions and reroutes caused by weather, emergencies, traffic events or construction. Trip Planner includes Metro Transit, Pierce Transit, Community Transit, Everett Transit, Sound Transit, King County Water Taxi, Washington State Ferries, the Seattle Center Monorail, and Seattle Streetcar.
