### Bike & Ride

Metro buses have bike racks that hold three bikes. The racks are easy to use at no extra cost. Just follow the simple instructions posted near the rack. You may load or unload your bike anytime at all regular Metro bus stops, including downtown Seattle and the transit tunnel.

### ORCA Card

Metro Transit and eight other Puget Sound transportation agencies (Community Transit, Everett Transit, Kitsap Transit, Pierce Transit, Sound Transit, Seattle Streetcar, King County Water Taxi and Washington State Ferries) use a common fare-payment system called ORCA (One-Ride Card All). The ORCA card works as cash or a pass, and it automatically tracks the value of your fares and transfers, letting you move easily between the different transportation systems.

### Night Stop Program

For your added safety at night, you may request to exit the bus at a location along your route other than a regular bus stop. To do so, please go to the front of the bus and ask your driver at least one block before your desired stop. Safety considerations will determine if the driver can comply with your request. Night stop service is available only from 6 pm to 9 am and for dropping off riders only. Night Stop is not provided in downtown Seattle.

### Night Rider Tip

You can help drivers spot you when it is dark or during extended hours by wearing brightly colored clothing and by standing in the most visible area of the bus stop. We don’t want to miss you!
