Night Rider Tip
You can ride the Night Rider when it is dark or during reduced hours by wearing light-colored clothing and by standing in the most visible area of the bus stop. We don’t want to miss you!

Night Stop Program
For your added safety at night, you may request to be told the bus at a location along your route other than a regular bus stop. To do so, please go to the front of the bus and ask your driver at least one block before your desired stop. Safety considerations will determine if the driver can comply with your request. Night Stop service is available only from 8 pm and is for dropping off riders only. Night Stop is not provided in downtown Seattle.

Bike & Ride
Metro buses have bike racks that hold three bikes. The racks are easy to use at no extra cost. Just follow the simple instructions posted near the rack. You may load or unload your bike anytime at all regular Metro bus stops, including downtown Seattle and the transit tunnel.

VanShare
You know a good thing when you ride it!

Let VanShare bridge the gap in your commute. Starting a vanshare is simple. You just need five people including a volunteer driver, and you can make the connection to your final destination from any transportation terminal.

To start a VanShare, phone us at 206-625-4500 or e-mail us at VanShare@kingcounty.gov. Link to our web page through Metro Kingcounty.gov/metro.

Snow/Emergency Service
During most snow conditions, these routes will operate via the snow routing shown in this timetable. In the rare event that Metro declares an emergency, they will not operate.
