## Orca Card
Metro Card and eight other Puget Sound transportation agencies (Community Transit, Everett Transit, Kitsap Transit, Pierce Transit, Sound Transit, Seattle Streetcar, King County Water Taxi and Washington State Ferries) use common fare-payment system called Orca (One Regional Card for All). The Orca card works as cash or a pass, and it automatically tracks the value of your fares and transfers, allowing you to move easily between the participating transportation systems.

Get your Orca card online at www.orcacard.com, by phone at 1-888-988-7722 (ORCA) or TTY Relay, 711 (1-888-889-6398), at ticket vending machines in Sounder and Link rail stations, or at one of the transit agency customer service offices. The Orca card also provides information on how to use the card, as well as locations at which they can be reloaded with a new pass or additional cash.

## Bike & Ride
Metro buses have bike racks that hold three bikes. The racks are easy to use at no extra cost. Follow the simple instructions posted near the rack. You may load or unload your bike anytime at all regular Metro bus stops, including downtown Seattle and the transit tunnel.

### Bike & Ride

</tr>
</tbody>
</table>

### Special Fare Information

Shaded areas on weekday schedules indicate peak hours. 25% zone and 53.5% two-zone fares apply. Off-Peak fare is $2.50.

### Quick Timetable Tips

1. Locate the WEEKDAY, SATURDAY, or SUNDAY schedule block for the direction you want to go. Timetables are listed from the beginning of the route (on the left) to the end (on the right).

2. Timetones in the schedule block correspond with the timepoints dots on the map. If you are boarding at a stop between two timepoints, use the earlier time as a guide.

   - If there is a symbol (letter or character) after a timepoint, it means the bus is scheduled to operate at that time. If there is no symbol, the bus is not scheduled to operate at that time.

### Night Stop Program

For your added safety at night, you may request to exit the bus at a location along your route other than a regular bus stop. To do so, go to the front of the bus and ask your driver at least one block before your desired stop. Safety considerations will determine if the driver can comply with your request. Night Stop service is available from 9 pm to 5 am and is for dropping off riders only. Night Stop is not provided in downtown Seattle.

### Night Rider Tip

You can help drivers spot you when it is dark or during times of reduced visibility by wearing light-colored clothing and by standing in the most visible area of the bus stop. We don't want to miss you!
