ORCA Card
Metro Transit and other eight Puget Sound transportation agencies (Community Transit, Everett Transit, Kitsap Transit, Pierce Transit, Sound Transit, Seattle Streetcar, King County Water Taxi and Washington State Ferries) use a common fare-payment system called ORCA (One Regional Card) for all. The ORCA card is reusable for a pass, and it automatically tracks the value of your fares and transfers, letting you move more easily between the participating transportation systems.
Get your ORCA card online at www.orcacard.com, by phone at 1-888-889-6722 (ORCA) or TTY Relay: 711 (1-888-889-6388), at ticket vending machines in Sounder and Link rail stations, or at some transit agency customer service offices. The ORCA Web site also provides information on how to use the card, as well as locations at which they can be purchased with a new pass or additional cash.

Night Rider Tip
You can help drivers spot you when it is dark or during times of reduced visibility by wearing light-colored clothing and by standing in the most visible area of the bus stop. We don’t want to miss you!

Night Stop Program
For your added safety at night, you may request to exit the bus at a location along your route other than a regular bus stop. To do so, please go to the front of the bus and ask your driver at least one block before your desired stop, and the driver will determine if the driver can comply with your request.
Night Stop service is available only from 8 pm to 5 am. There is no stopping off riders only. Night Stop is not provided in downtown Seattle.
