Night Rider Tip
You can help drivers spot you when it is dark or during times of reduced visibility by wearing light-colored clothing and by staying in the most visible area of the bus stop. We don’t want to miss you!

Night Stop Program
For your added safety at night, you may request to exit the bus at a location along your route other than a bus stop. To do so, please go to the front of the bus and ask the driver at least one block before your desired stop. Safety considerations will determine if the driver can comply with your request. Night Stop service is available only from 9 pm to 5 am and is for dropping off riders only. Night Stop is not provided in downtown Seattle.
