# Online Trip Planning

Use Metro's online Trip Planner to plan trips on scheduled service in King, Pierce and Snohomish counties. It provides details on transit stops, routes and schedules. Trip Planner itineraries do not include service disruptions and reroutes caused by weather, emergencies, traffic, events or construction.

Trip Planner includes Metro Transit, Pierce Transit, Community Transit, Everett Transit, ST Express buses, Link light rail, Sounder commuter rail, King County Water Taxi, Washington State Ferries, the Seattle Center Monorail, and Seattle Streetcar.

# Quick Timetable Tips

1. Locate the WEEKDAY, SATURDAY, or SUNDAY schedule block for the direction you want to go. Timepoints are listed from the beginning of the route (on the left) to the end (on the right).
2. Timepoints in the schedule block correspond with the timepoint dots on the map. If you are boarding at a stop between two timepoints, use the earlier time as a guide.
3. If there is a symbol (letter or character) after a time, look for the explanation under the heading Timetable Symbols.
4. Refer to the Special Service Information section for changes in routing, route number, or other unique aspects of service on this route.

# Night Rider Tip

You can help drivers spot you when it is dark or during times of reduced visibility by wearing light-colored clothing and by standing in the most visible area of the bus stop. We don't want to miss you!

# Night Stop Program

For your added safety at night, you may request to exit the bus at a location along your route other than a regular bus stop. To do so, please go to the front of the bus and ask your driver at least one block before your desired stop. Safety considerations will determine if the driver can comply with your request. Night Stop service is available only from 8 pm to 5 am and is for dropping off riders only. Night Stop is not provided in downtown Seattle.

# Bike & Ride

Metro buses have bike racks that hold three bikes. The racks are easy to use at no extra cost. Just follow the simple instructions posted near the rack. You may load or unload your bike anytime at all regular Metro bus stops, including downtown Seattle and the transit tunnel.

# Priority Seating

All Metro buses are wheelchair accessible. Designated seats in the front of buses are reserved for seniors and people with disabilities. If you are occupying one of these seats when a person with greater need boards, please offer it to that person. For more information about accessible service and bus-acceptable wheelchair/scooter specifications, call 206-553-3000.

# Route 931 Service Information

Bothell accessible dial-a-ride transit (DART) offers you two transportation services: fixed and (limited) variable routing.

Route 931 provides service within Bothell via the UW/Bothell & Cascadia Community College (see map) at the following times:

- Mon-Fri (except holidays) 6 am - 8 pm

Route 931 also provides DART service (deviations from the fixed route by request) in those portions of Bothell that are shaded on the map.

# Variable Routing

There are several ways in which you can make an off route trip within a DART service area. You can board the 931 van at any bus zone along the fixed routing and request the driver to make a deviation. If you want to be picked within a DART service area, you will need to call in a request for an off-route pick-up.

A limited number of off-route deviations, only, can be made on any given trip. The van can deviate from the fixed route to serve other locations within the service area, but can not necessarily provide door-to-door service due to safety and other operational considerations (narrow streets, cul-de-sacs, etc.). You may need to board/deboard at a location a block or more away from the location you requested.

# Reservations

You can request off-route trips within the DART service area by calling the DART reservation office. You need to make your trip request at least two hours before you want to be picked up. If you are a regular rider you can make your reservations for 30 days at a time, up to 30 days in advance. Reservations will be taken on a first-come, first-served basis and can be made by calling **1-866-261-3278** (voice), or **1-800-246-1646** (TTY) during the following hours:

- Mon-Fri 5 am - 11 pm
- Sat 7:30 am - 9:30 pm
- Sun/Holidays 9:30 am - 6:30 pm

Leave a message at all other times.

Make reservations online at <http://www.hope-link.org/programs/dart.htm>

# Scheduled Service / Fixed Routing

Route 931 DART service operates hourly past all Metro bus stops along the fixed routing (see schedule for times). Every trip passes through the Redmond Transit Center. There, you can transfer to Metro and Sound Transit routes serving Bellevue, Downtown Seattle, Eastgate, Duvall, Kirkland, Bear Creek and Kingsgate. For more information, call Metro's Rider Information at 206-553-3000.
