### SNOW/Emergency Service

**Servicio de Emergencia/Invierno**

During most snow conditions, this route will operate its regular route shown at left. In the rare event that Metro declares an emergency, this route will continue to operate as a designated Emergency Service Network route. During such an event, it is expected to operate with the same route number and follow the same routing as shown in this timetable. Visit [kingcounty.gov/metro/snow](http://kingcounty.gov/metro/snow) and sign up for Transit Alerts to stay informed during adverse conditions.

**Durante la mayoría de las nevadas, esta ruta operará el recorrido regular mostrado a la izquierda. En el caso poco frecuente que Metro declare una emergencia, esta ruta seguirá operando como ruta designada de la Red del Servicio de Emergencia. En ese caso, se espera que opere con el mismo número de ruta y que siga el mismo recorrido para casos de nieve que se muestran en este programa. Visit [kingcounty.gov/metro/snow](http://kingcounty.gov/metro/snow) para recibir Alertas de tránsito y mantenerse informado durante las condiciones adversas.**
