

SCAVENGER HUNT

How does the scavenger hunt work?

- You can play alone or with as many friends as you want.
- Set a time limit to find as many things as possible on the list below.
- When the time limit runs out, the winner is the person or team with the most items from the list.

1. In the block where your school is located, how many **curb cuts** are there?
2. At the shopping mall, how many signs do you see with the **international symbol of access**? Here's the symbol to look for – 
3. How many **international symbol of access** signs are on the inside and outside of a city or county bus?
4. How many people with disabilities do you see on the bus?
5. At your grocery store, is there a **checkout counter** that's wide enough so people with wheelchairs can go through?
6. Does your bank have a **lowered counter** so that people who use wheelchairs can do their business?
7. How many **automatic-opening doors** are there at businesses in your neighborhood?
8. Does your neighborhood gas station have a sign saying that people with disabilities can get help with pumping gas?
9. How many **service animal** signs do you see on businesses in your neighborhood?
10. How many **accessible parking spaces** are there at a neighborhood restaurant?
11. How many businesses in your neighborhood have **ramps**?
12. Do any of your neighborhood businesses list a **TTY** phone number next to their business phone number?
