RECITALS

WHEREAS, the District is authorized by Chapter 52.18 RCW to establish, impose and collect a Benefit Charge on assessed personal property and improvements to real property located within the District; and

WHEREAS, the voters approved a Benefit Charge in 1989, and renewed the Benefit Charge every six years with the last renewal in 2019; and

WHEREAS, the District must obtain voter approval in order to renew the Benefit Charge, which would otherwise expire at the end of 2025; and

WHEREAS, the Board of Fire Commissioners has determined that the property tax levy and other income is not sufficient to cover the cost of the operations of the District needed to maintain a satisfactory level of service within the District; and

WHEREAS, the District's operating budget for 2026 and corresponding level of service would have to be reduced unless the Benefit Charge is renewed; and

WHEREAS, it is reasonable and necessary that the District impose a Benefit Charge for the support of its legally authorized activities that will maintain or improve the service provided by the District;
