

Ka fogow buuxdhaafidda ama dib-u-soo-noqoshada wasakhda bulaacada - dayactir ku samee dhuumaha bulaacada ee dhankaaga jira

Biyaha roobka looguma talagalin in ay maraan dhuumaha bulaacada, laakiinse waxay kaga soo geli karaan:

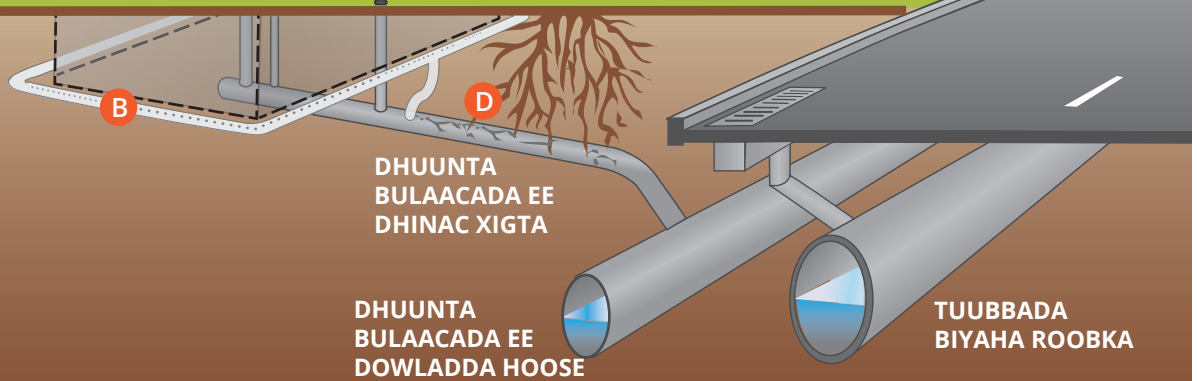

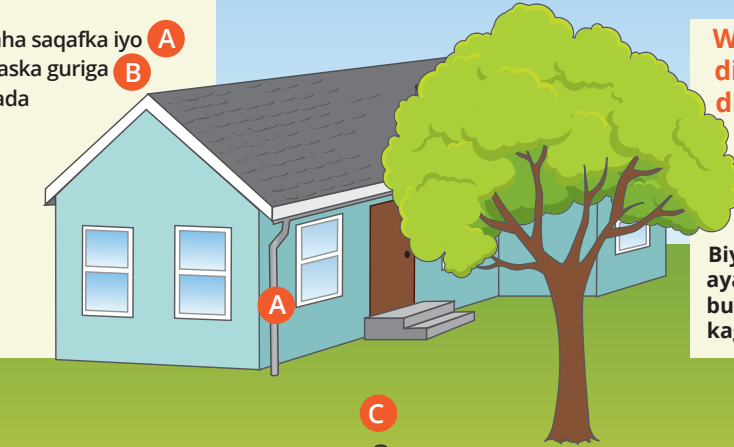

- dhuunta qaadda biyaha saqafka iyo beebabka mara aasaaska guriga ee ku xidhan bulaacada **A**
- Duumaha biyo-saarka ee aan daboolnayn **C**
- Dildilaacyada tuubbooyinka **D**

Dhuunta biyaha qaada ee dhinaca waa beenka ka qaada biyaha qashinka dhismaha ilaa beebka qashinka dowladda.

Wasakhda bulaacada waxay dib ugu soo noqon kartaa dhismeyaasha ama daaradda

marka tuubbooyinka ama dhuumaha ay ka buuxsamaan biyo, xiddido ama waxyaabaha ay dadku ku ridaan dhuunta qaada biyaha.

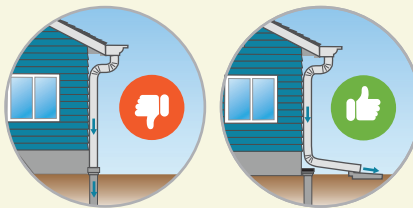

Biyaha roobka ee gala tuubbooyinka ayaa loola dhaqmaa wasakhda bulaacada ahaan - taas oo qof walba kaga baxaysa lacag.

Waa tan waxa aad samaynayso

Weyddii tuubbiistahaaga ama qandaraaslaha in uu baaro dhuunta bulaacada ee dhinacaaga xigta – waxay tuubbadaada gelin doonnaan kaamirada telefishanka. Tuubbadaada hala dayactiro haddii loo baahdo. Hel baadhidan ka hor inta aanad guri iibsas.

Ka jar masharaafka saqafkaaga ama biyo-saarka aasaaska bulaacada. Meelaha intooda badan, kuwani waa in aysan ku xirnaan bulaacada.

Ha biyo-raacin qashinka ama dufanka, saliid ama garaasiyo wasakh-saarka.
