Relevant documents are available online at www.kingcounty.gov/permits/, or at the address above.
Consistency with applicable County plans and regulations: This proposal will be reviewed for compliance with all applicable King County Codes, including Roads Standards, Surface water Design Manual, Zoning, Grading and Critical Areas Codes.
Other permits not included in this application, known at this time: Grading & Floodplain Dev. Permits

The Department of Local Services (DLS) will issue a decision on this application following a minimum 30-day public comment period which ends August 17th, 2021. Written comments on this application must be submitted to DLS – Permitting at the address below. A public hearing is not required for this application prior to the DLS decision. However, the DLS decision may be appealed to the Shoreline Hearings Board, who would conduct an appeal hearing prior to making a decision on the appeal. Details of the appeal process will be included in the notice of decision.

Any person wishing additional information on this proposed project should contact the Project Manager at the telephone number or e-mail listed above. You may review the application and any documents or studies at www.kingcounty.gov/permits/

NOTE: To request this information in alternative formats for people with disabilities, please call 206-296-6600 or TTY Relay: 711.

If you wish to receive a copy of the DLS Report and Decision on this application, complete and return the portion below to the Department of Local Services at the address listed above.

Please send me notification of any official notices concerning this application. (Please print)
