Does not include comments received by individual Council Offices

For the 7/12 and 7/25 meeting the #s reflect the notations made by persons that responded to the question asking the person's position; the "other" number reflects the no position indicated

1586 individual comments in support of Councilmanic Action on the CRC were submitted in hard copy by Futurewise due to technical difficulties submitting to the Council's electronic comment box

524 comments received by KCDOT are included (and appropriately distributed) in these totals

Includes 64 comments from Access customers who could not attend the 7/21 public meeting and left comments with Access customer service
