*The Home Improvement Exemption:*

1. *Applies to a SINGLE FAMILY DWELLING which means a detached dwelling unit and/or an accessory dwelling unit, whether attached to or within the single-family dwelling or as a detached unit on the same real property.*

2. *If approved, the exemption will provide property tax relief for three (3) years. Applications received by July 31<sup>st</sup> will commence with the following tax year. Applications received after July 31<sup>st</sup> will commence with the second future tax year.*

*Examples: Applications received by 7/31/2021, if approved, will provide tax relief for 2022, 2023 and 2024.*

*Applications received on 8/1/2021 or later, if approved, will provide tax relief for 2023, 2024 and 2025.*

3. *May be used for remodels or additions, which are normally associated with single family homes and/or attached or detached accessory dwelling units.*

*The addition of a carport, garage or deck would be considered.*

*According to state law, the work:*

*Must add value to the structure – our appraisal staff will make this determination.*

*May not be considered normal maintenance such as painting, new roof, gutters or siding.*

*May not be an outbuilding such as a shed, barn or pool house and does not include pools or fences.*

4. *The exemption may not be more than 30% of the PRE-improvement value of the structure.*

*PRE-improvement generally refers to the assessed value the year prior to the start of your construction.*
