INFORMATION AND INSTRUCTIONS FOR APPLICATION FOR REDUCTION OF ASSESSMENTS AND THE ABATEMENT OF TAXES RESULTING FROM DESTRUCTION OF PROPERTY OR LOSS OF VALUE IN A DECLARED DISASTER AREA

Property Subject to Reduction and Who May Apply
Any real or personal property that has been placed upon the assessment roll as of January 1 of the assessment year in which the property was destroyed, in whole or in part, or is in an area that has been declared a disaster area by the governor and has been reduced in value by more than twenty (20) percent, may apply. Either the Assessor may take action on his/her own authority or the taxpayer may file a claim. No relief shall be given to any person who is convicted of arson with regard to the property for which relief is sought.

Property Subject to Abatement of Taxes
Beginning in 2005, the abatement of current year taxes no longer applies to property damaged or destroyed voluntarily. However, if the destruction occurred in tax years 2002 through 2004 an abatement of taxes shall be made under the previous law. The amount of abatement shall be determined by calculating the taxes on the amount deducted from the assessed value for the number of days that remained in the calendar year after the date of destruction or reduction in value of the property. If taxes abated have already been paid, the amount paid shall be refunded.

Application Period
An application must be filed within three years of the date of destruction or reduction in value. For property eligible for abatement for tax years 2002 through 2004, the property must be destroyed in whole or in part, or be within an area declared a federal disaster and reduced in value by more than 20 percent. Abatement of taxes levied for collection in 2005 and thereafter does not apply to property destroyed voluntarily.

Where to Apply
Forms should be obtained from and filed with the County Assessor.

Duty of County Assessor and Treasurer
The County Assessor shall calculate the new assessed value and the amount of reduction for the abatement of taxes and notify the taxpayer of his/her determination. The County Treasurer shall calculate the amount of abatement and/or the refund of taxes, and notify the taxpayer of his/her determination.

Taxpayer May Appeal Amount of Reduction
If the taxpayer disagrees with the determination made by the County Assessor, he/she may appeal the amount of reduction to the County Board of Equalization within sixty (60) days of notification from the Assessor or July 1, whichever is later.

Replacement of Destroyed Property
If destroyed property is replaced prior to the valuation date of July 31st as contained in RCW 36.21.080(1) or RCW 36.21.090, the taxable value for that assessment year shall not exceed the value as of the appropriate valuation date.

Supporting Documentation
In cases where a fire, natural disaster or vandalism has occurred, supporting documentation is required which identifies the property and the date of occurrence, such as fire department reports and insurance adjuster estimates. Voluntary demolition prior to January 1, 2005 must be documented with building department official sign off and/or disposal company receipts with completion dates.
