A RULE AND REGULATION relating to the membership of the King County board of health and hybrid meetings;

and amending R&R 1, Amendment Section 2, as amended,

and BOH 2.04.020, R&R 09-04, Section 2, as amended,

and BOH 2.04.035, R&R 09-04, Section 3, and BOH

2.04.045, R&R 09-04, Section 5, as amended, and BOH

2.04.065 and R&R 09-04, Section 8, as amended, and BOH

2.04.165.

STATEMENT OF FACTS:

1. Created in 2004 in accordance with state law, the King County Board of Health sets countywide public health policy, enacts and enforces local public health regulations and carries out the duties of local boards of health as specified in RCW 70.05.060 including preventing and controlling the spread of infectious disease, abating nuisances and establishing fee schedules for licenses and permits.

2. In May 2021, Engrossed Second Substitute House Bill 1152 was signed into law as Chapter 205, Laws of Washington 2021, modifying the structure of local boards of health. Chapter 205, Laws of Washington 2021 requires that the membership of the King County Board of Health be modified so that the number of boardmembers who are elected officials...
representing the county and its cities and towns equals the number of
members who are not elected officials, with one of those nonelected
members selected by the American Indian Health Commission of
Washington State and the remaining nonelected members selected by the
King County Board of Health from three specific categories of interests.
The selected candidates would be appointed by the King County council.
Those changes to state law take effect on July 1, 2022.
3. The King County Board of Health passed Resolution 20-08 in February
2020, declaring racism a public health crisis. The board is committed to
addressing racial equity and as such welcomes the encouragement in
Chapter 205, Laws of Washington 2021 to recruit nonelected members
representing consumers of public health to be from historically
marginalized and underrepresented communities. The board supports
using racial equity and social justice principles when recruiting nonelected
members from all categories outlined in state law.
4. Additionally, Chapter 205, Laws of Washington 2021 requires the
Washington state Board of Health to promulgate rules for how nonelected
members of local boards of health are to be recruited, selected and
appointed. The new rules are expected to be effective by July 25, 2022.
5. On April 5, 2022, the King County council adopted Ordinance
XXXXXX (Proposed Ordinance 2022-0103) to amend King County Code
and conform the membership of the board to the new state law as
described subsections 2 through 4 of this statement of facts. In addition to
align the board with state law, the ordinance codifies the current practice for election of the board chair, establishes an equal number of nonelected alternates as there are elected alternates, and provides compensation for nonelected members who are not otherwise compensated for their participation on the board.
