section to BOH chapter 2.06, and adding a new chapter to
BOH Title 2; enacted pursuant to RCW 43.20.050 and
70.05.060, including the latest amendments or revisions
thereto.

BE IT ADOPTED BY THE KING COUNTY BOARD OF HEALTH:

NEW SECTION. SECTION 1. There is hereby added a new section to BOH
chapter 2.06 to read as follows:

Annual review and fee adjustment for reduced cost of services. The board
directs that the fees established in BOH Title 2 for issuing or renewing licenses or
permits or for such other services shall be reviewed by the director of the Seattle-King
County Department of Public Health annually and reduced by the director where the cost
of providing services will increase by less than five percent of the cost of providing
services during the previous year, based on and consistent with the annual budget adopted
by the King County Council; provided that the fees for services shall not exceed the
actual cost of providing any such services. This authority does not include the authority
to adjust penalties established by the board.

SECTION 2. R&R 7, Chapter 6, as amended, and BOH 2.06.030 are each hereby
amended to read as follows:

Late fee. The penalty for late permit fee payment, delinquent by ((more-than))
ten to thirty days, is ((one-fourth)) ten percent of the applicable permit fee. The penalty
for permit fee payment, delinquent by ((more-than)) thirty-one to sixty days, is ((one-
half)) twenty percent of the applicable permit fee. The penalty for late permit fee
payment, delinquent by more than sixty days, is thirty percent of the applicable permit fee. The penalty for late payment of any seasonal permit fee is twenty-five dollars.

SECTION 3. R&R 91, Section 1 (part), as amended, and BOH 2.10.020 are each hereby amended to read as follows:

**Permit fee schedule.**

**Part 1 — Permit Fee Schedule.**

Effective Through December 31, ((2005)) **2009**.

The owner or operator of a food establishment subject to the permit requirement of WAC 246-215-200 or Food Code Paragraph 8-301.11 shall pay to the health officer a food establishment permit fee as set forth in Table 1, based on the establishment type and the risk category for the establishment. Where more than one type of food establishment exists within or as part of another food establishment (for example, a bakery within a grocery store or a deli within a meat market), the owner or operator shall pay the permit fee for each applicable food establishment type; except that the owner or operator of a grocery store with no more than two checkout stands, (or) a general food establishment with no more than two checkout stands and no more than twelve seats for customers for on-site consumption of food (or) a meat/fish market with no more than two checkout stands shall pay only the highest applicable risk category permit fee without being required to obtain a separate permit for each type of food handling activity at the establishment. For purposes of this section, "highest applicable risk category permit fee" means the fee corresponding to the highest risk category of food handling activity at the establishment.

Footnotes to Table 1:

1. All food establishment permit fees set forth in this table are annual fees, except those
   for temporary food establishments (including temporary nonprofit institution food
   establishments) and seasonal food establishments.

2. General food service includes a grocery store or bakery offering seating for on-site
   consumption of food.

3. A bakery or grocery store offering seating for on-site consumption of food shall be
   classified as a general food service establishment.

4. A school kitchen is designated as either Risk 2 or Risk 3, not Risk 1.

5. A temporary food establishment is designated as either Low Risk or High Risk.

6. The applicant for a seasonal food establishment permit, or a food establishment
   that is to be operated no longer than any period of six consecutive months, shall pay one-half the
   applicable annual permit fee specified in Table 1((, above)).

7. The owners or operators of school kitchens and nonprofit institutions shall in 2009 be
   charged fifty percent of the fee established to be paid by them as set forth in Table 1.

Part 2 — Permit Fee Schedule.

The owner or operator of a food establishment subject to the permit requirement
of WAC 246-215-200 or Food Code Paragraph 8-301.11 shall pay to the health officer a
food establishment permit fee as set forth in Table 1, based on the establishment type and
the risk category for the establishment. Where more than one type of food establishment
exists within or as part of another food establishment (for example, a bakery within a
grocery store((,)) or a deli within a meat market), the owner or operator shall pay the
permit fee for each applicable food establishment type; except that the owner or operator
of a grocery store with no more than two checkout stands, ((e)) a general food
establishment with no more than two checkout stands and no more than twelve seats for
customers for on-site consumption of food((,)) or a meat/fish market with no more than
two checkout stands, shall pay only the highest applicable risk category permit fee
without being required to obtain a separate permit for each type of food handling activity
at the establishment. For purposes of this section, "highest applicable risk category permit
fee" means the fee corresponding to the highest risk category of food handling activity at
the establishment.
