Sponsors

1 A RESOLUTION calling on Congress to preserve funding
2 for federal health programs that are critical to the health of
3 people in King County today and into the future.

4 WHEREAS, funding is in jeopardy for critical health programs including: the
5 Centers for Disease Control and Prevention; Community Health Centers; Maternal and
6 Child Health Block Grants; the Women, Infants and Children (WIC) program; Substance
7 Abuse and Mental Health Services Administration; and Title X Family Planning, and

8 WHEREAS, these programs are essential to the health of all people in King
9 County, particularly those with the fewest resources, and

10 WHEREAS, these cuts will worsen health outcomes and will add to growing
11 health inequities, and

12 WHEREAS, these cuts would further strain state and local governments already
13 facing their own serious budget gaps, and

14 WHEREAS, now is the time to increase, rather than decrease, our ability to
15 adequately protect the health of all King County residents;

16 NOW, THEREFORE, BE IT RESOLVED by the Board of Health of King
17 County:

18 The Board of Health calls on Congress to preserve funding for critical health
19 services that protect the health of all residents in King County.
