2015 King County Board of Health Work Plan

Health System Transformation

- Assure that system redesign strengthens the integration of physical health, behavioral health, population health, and human services
- Influence the design of a new regional-level collaborative structure (Accountable Community of Health) to maximize prevention and reduce health inequities
- Monitor status and increase opportunities to finance community level prevention (King County Transformation Plan, Communities of Opportunity, Accountable Communities of Health, Best Starts for Kids, hospital community benefit, Healthier Washington implementation)
- Continued monitoring of the health system with the implementation of the Affordable Care Act:
 - System capacity to provide care
 - Measurement of coverage and quality of care, and use of preventive services
 - Data on access to care

Public Health Financing & Policy

- Support development of state public health funding in alignment with the adoption of Foundational Public Health Services by Washington State Department of Health
- Monitor financing opportunities and threats related to health reform, especially related to federal funding mechanisms (e.g., Medicaid 1115 waiver) and innovative state funding mechanisms (e.g. wellness trust, social impact bonds)
- Monitor state and federal legislation related to tobacco and electronic vaping, including opportunities to fund public health prevention and chronic disease programs
- Monitor state cannabis legislation with particular focus on youth access and distribution of I-502 revenues to prevention and education activities

Healthy Housing

- Add Healthy Housing chapter to current Planning for Healthy Communities Guideline & Recommendation

Environmental Health

- Environmental Health Fees
- Food Program Review – update on implementation of process improvements and service redesign including changes in restaurant performance reporting
- Federal menu labeling
- Align Title 14 Water Recreation Facilities with federal and state standards
- Align Title 11 Rabies reporting with state updates
- Sustainable funding for on-site sewage oversight
- Local Hazardous Waste Management
 - Oversee implementation of the Secure Medicine Return Rule & Regulation
 - Annual report on program performance once program is implemented
- Complete Seattle Code Merger

Informational items

- Annual Report from the Public Health Director
- Overdose prevention and treatment (Naloxone)

Other

- Approve the Governance Plan for the Federal Health Care for the Homeless Health Center Grant
