For additional King County Dental Resource Lists, visit our websites

COVID-19 pandemic has required dental offices and clinics to change the way they provide care. You may see some changes at your child's next appointment. These changes are to help protect patients and staff. Some dental offices and clinics may continue requiring face masks and practicing social distancing until further notice.

The King County Access to Baby & Child Dentistry (ABCD) program focuses on preventive and restorative dental care for Medicaid eligible children from birth through 5 years. Emphasis on the **FIRST TOOTH, FIRST BIRTHDAY, FIRST DENTAL EXAM** by a dentist, or a doctor, as recommended by the Academy of Pediatric Dentistry (AAPD). Dentists with the **ABCD Program** icon have been specially trained and certified by the University of Washington, School of Dentistry on caring for young kids, preventing tooth decay early, and educating parents about how to take good care of their children's teeth.

Healthy Options plans in King County include Amerigroup (AMG), Coordinated Care (CCW), Community Health Plan of Washington (CHPW), Molina Health Care (MHW), UnitedHealthcare (UHC), and are for medical services.
