

## Agenda - Pandemic Community Advisory Group

### September 3, 2020

- Welcome and announcements (10:30 - 10:40)
- Current COVID-19 situation remarks - Dr. Duchin (10:40 - 10:50)
- Breakout room discussions and reporting out (10:50 - 11:15)
  - *What challenges are your communities/industries/workforces experiencing in the work to combat, take precautions for, and/or address COVID-19 and its related racial inequities?*
  - *What are some immediate steps that Public Health could take to improve the situation?*
  - *What policy changes could be considered in the future to address some of the lessons learned so far?*
- How might Public Health make more space for and better incorporate community feedback going forward? (11:15 - 11:25)
- Closing thoughts - Dr. Duchin & Patty Hayes (11:25 - 11:30)
