

HOW TO VERIFY VACCINE STATUS

✓ COVID-19 Vaccine Cards or Records

Verify vaccine maker:

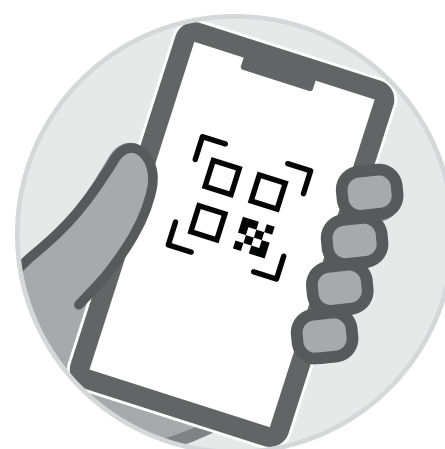

- a.** If J&J, verify single dose with date 14 days prior to today.
- b.** If Pfizer or Moderna, verify 2 doses. The second dose should be 14 days prior to today.

✓ QR Codes

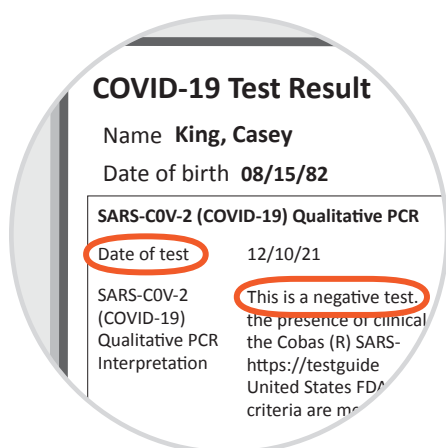

Use the Smart Health Card Verifier App. When the app can confirm a vaccination record, it will show:*

- A green “Verified” message.
 - Information about the vaccination. Check for the required information.
- * available free in app stores

✓ COVID-19 Test Result

Confirm that it is negative and taken in the last 72 hours.

Vaccine verification may not be used to discriminate based on an individual's race, national origin, religion, or age. Businesses and venues should provide reasonable accommodation for those who are unable to provide proof of vaccination due to a disability.
