In response to Public Health direction, take these steps:

- Screen employees daily for any of these symptoms:
  - fever
  - shortness of breath
  - cough

- Send sick employees home.

- Allow high risk employees to stay home (people over 60, pregnant people, medical conditions).

- Make hand washing and hand sanitizer available.

- Clean and sanitize surfaces frequently.

- Limit face-to-face contact to under 10 minutes.

- Remind customers to stand at least 6 feet apart while waiting to order or for pick-up.

- Ask employees to read this information sheet.

Other symptoms:
- chills
- muscle pain
- sore throat
- loss of taste or smell
