Sector Email 5.21.2021

Subject header: Updates on COVID-19 from Public Health - Seattle & King County (PHSKC)

Schools

Dear school child care partners,

The end of the school year is in sight! Just a few more weeks until one of the most challenging school years on record comes to a close!

Reminder: please review the King County Schools COVID-19 Response Toolkit, related resources, and training videos.

----------

This week’s Public Health—Seattle & King County (PHSKC) Child Care and Schools Task Force sector email includes the following topics:

1. Vaccination Updates
   a. Vaccination Available for All Washington Residents 12+
   b. Vaccination Events
      i. King County Community Vaccination Event Calendar
      ii. Bellevue YMCA Family Vaccination Event
      iii. Lumen Field Event Center Youth Focused Pop Ups
      iv. ULMS Employment Fair and Vaccination Clinic
      v. King County Public Health High Volume Vaccination Sites
   c. Vaccination Data Dashboard
   d. Vaccination Side Effect or COVID Symptom?
   e. Youth Link COVID Vaccination Information Session
2. Guidance Updates
   a. King County Local Health Officer Indoor Mask Directive
   b. UPDATED – CDC Operational Strategy for K-12 Schools
   c. UPDATED – DOH Symptom Management Flowchart
   d. OSPI FAQ for Fall 2021
3. Key Indicators of COVID-19 Activity
4. Department of Health School Guidance for Fall 2021
5. Please Share with Your Communities
   a. Special Enrollment for Washington Health Care
   b. Household and Food Assistance for Quarantine and Isolation
6. COVID-19 & How to Improve Indoor Air Quality
7. Schools and Child Care Task Force Office Hours

----------

1. Vaccination Updates
   a. Vaccination is available for all Washington Residents over age 12
The Pfizer BioNTech COVID-19 vaccine has been approved for young people aged 12-15 – and *vaccine supply remains plentiful*. The Moderna and Johnson & Johnson vaccines are available for individuals over 18.

Public Health knows that parents, families and other caregivers may have questions or concerns about COVID-19 vaccines and children. We know that schools and childcare providers are trusted resources in our community. Please feel free to share some of the following resources about vaccination, and reach out for other support.

- **What Parents Should Know About Vaccination for 12-15 Year Olds** (Public Health Insider Blog)
- Public Health Vaccine FAQ page.
- CDC COVID-19 Vaccine Toolkit for School Settings and Child Care Providers
- Request a training, Town Hall Forum, Q&A session or other education and engagement option to discuss COVID-19, Vaccines and Young people by contacting schoolresponse@kingcounty.gov

### b. Vaccination Events

Youth under 18 will need consent from a legal guardian to be vaccinated, unless legally emancipated. Check with the vaccine provider to ask if minors can attend their vaccine appointment unaccompanied with written or verbal permission from a legal guardian. Check out [COVID-19 Vaccination for Children and Teens - King County](#) for the latest information about youth and vaccines, including minor consent processes.

There are a number of options to find vaccine appointments – check out Public Health Insider for a complete list of options in King County, visit the [Getting Vaccinated](#) page, or Washington’s [Vaccine Locator tool](#), and check out the list of vaccination events below.

Vaccination is free and available regardless of insurance, citizenship, or immigration status.

#### i. King County Community Vaccination Event Calendar

PHSKC now has a [google calendar](#) to amplify opportunities for community members to get vaccinated at events closer to home. If you are offering a community vaccination event and would like us to share information about it on [this calendar](#) please send the event name, date, location, type of vaccine, appointment or walk-in, and any other pertinent details to lialexander@kingcounty.gov.

#### ii. Bellevue YMCA Family Vaccination Event

First Dose Clinics – Wednesday, May 26th 1pm-7pm

Second Dose Clinics – Wednesday, June 9th 1pm-7pm & Wednesday, June 16th 1pm-7pm

Bellevue Family YMCA – 14230 Bel-Red Rd. Bellevue, WA 98007

Register at [http://bit.ly/BellevueYVaccine](http://bit.ly/BellevueYVaccine), e-mail name and preferred date to vaccine@seattlemca.org or by calling (206) 382-5000 (press 8 to speak to a staff member)

#### iii. Lumen Field Event Center Youth-Focused Pop-Ups
Pediatric clinicians will be administering the vaccinations at this site and special Seattle Seahawks programming will be available for kids and families. Open to Caregivers, families, and students ages 12+ with parental consent. More information available at this link.

Saturday, May 22, 11:15 a.m. – 5:45 p.m.

Location: 800 Occidental Ave S, Seattle WA 98134

iv. Urban League of Metropolitan Seattle Employment Fair + Vaccine Clinic

Wednesday, May 26th, 11am - 3pm

Bailey Gatzert Elementary School

There will be on-the-spot job interviews, community resources, vaccinations, and great food from the Where Ya At Matt Food Truck. Johnson & Johnson and Pfizer vaccines will be available to anyone 12+ - no appointment is needed. More information is available at www.urbanleague.org

v. King County Public Health High Volume Vaccination Sites- Kent and Auburn

King County’s high-volume vaccination sites at Kent accesso ShoWare and the Auburn Outlet Mall are open for appointments and walk-in. Pfizer BioNTech, Moderna, and Johnson & Johnson vaccines are available.

Register here for appointments, and walk-in vaccination is also available! Car side vaccination is now available at the Auburn high-volume vaccination site on Mondays. Please share this flyer - Get your COVID-19 vaccine today. No appointment needed! (kingcounty.gov)

The Kent and Auburn sites are ADA accessible and have ASL and language interpretation on site. If tactile interpretation is needed, please contact Seattle Deaf/Blind Service Center.

c. King County Vaccination Data Dashboard

Curious how vaccination efforts are going? Public Health’s data dashboards include a vaccination summary that is updated daily. We are excited to share that as of May 6, 67.5% of King County residents 16 years or older have received at least 1 dose, and 43.3% of 16 and 17 year olds with at least 1 dose!

Keep an eye on the dashboard to see how these numbers grow with increased vaccination efforts for young people!

d. Vaccination Side Effect or COVID Symptom?

With more students receiving vaccines, questions have come up about if individuals need to quarantine if they experience symptoms of COVID-19 soon after receiving a vaccination. Students may return to school and not quarantine if they have symptoms of COVID-19 within a few days of vaccine administration, IF:

- They have not been in contact with someone with COVID-19 AND
- They feel well enough and are willing to perform normal activities AND
• They do not have a fever **AND**
• Signs and symptoms are **limited only** to those observed following COVID-19 vaccination (including pain, swelling, tiredness, chills, headache – see a list of symptoms) **AND**
• They **do not** have other signs and symptoms of COVID-19, such as a cough, shortness of breath, sore throat, or change in smell and taste.

Public Health provides information on this and other frequently asked questions on our [Vaccine FAQ page](https://www.eventbrite.com/e/worth-a-shot-raising-awareness-about-the-covid-19-vaccine-tickets-148232514441). DOH has a [helpful chart](https://www.eventbrite.com/e/worth-a-shot-raising-awareness-about-the-covid-19-vaccine-tickets-148232514441) to help differentiate between common side effects and symptoms but should be used in conjunction with the criteria above.

e. **Youth Link COVID Vaccine Info Session**

Youth Link COVID Support Action Team will be hosting an informational session covering current COVID virus information, how the COVID vaccines work, possible side effects, and will answer questions and concerns and provide available resources – **May 28th, 5pm-7pm**

For more information, please contact our Bellevue Youth Link office at 425-452-5254 or email Patrick Alina, Youth Link Program Coordinator, at palina@bellevuewa.gov

2. **Guidance Updates**

On May 13, the CDC issued [updated guidance](https://www.eventbrite.com/e/worth-a-shot-raising-awareness-about-the-covid-19-vaccine-tickets-148232514441) on masks for fully vaccinated individuals, and Governor Inslee [modified Washington’s mask mandate](https://www.eventbrite.com/e/worth-a-shot-raising-awareness-about-the-covid-19-vaccine-tickets-148232514441) to align more closely with some of this guidance, along with setting a goal of fully reopening the state by June 30, 2021. The Governor’s announcement, allowing for fully vaccinated people to participate in many activities without face coverings, **does not include school or child care settings**.

a. **NEW - King County Local Health Officer Indoor Masking Directive**

On May 20, 2021, King County Health Officer, Dr. Jeff Duchin, issued a local health directive strongly encouraging all King County residents – vaccinated or not – to continue wearing masks in indoor public areas. King County residents are strongly encouraged to wear masks in public settings such as:

• Retail and grocery stores
• Restaurants
• Government buildings
• Offices and other places of employment that are open to the public
The directive also underscores that all residents must continue to use masks in correctional facilities, homeless shelters, schools and childcare settings, public transportation and healthcare settings. More information on the local health directive can be found on King County’s website.

b. **UPDATED – CDC Operational Strategy for K-12 Schools**

Over the weekend, the CDC updated it’s Operational Strategy for K-12 Schools to clarify that schools should continue to use current COVID-19 prevention strategies – including universal and correct use of masks and physical distancing. CDC guidance for childcare remains unchanged and includes universal masking. CDC Summer camp guidance was updated on April 24th and continues to encourage masking for all individuals, including those who are fully vaccinated.

c. **UPDATED – DOH Symptom Management Flowchart**

The Department of Health has updated their symptom management flowchart and evaluation and management of COVID-19 symptoms document to reflect the CDC’s recommendations for fully vaccinated individuals. Public Health’s K-12 toolkit also reflects these updates.

d. **OSPI Frequently Asked Questions for Fall 2021**

OSPI has provided a document with answers to frequently asked questions about in-person and remote instruction for Fall 2021. This includes information about mandatory vaccination for students, in-person learning, and health and safety expectations. The FAQ Document is available on OSPI’s website.

3. **Key Indicators of COVID-19 Activity**

In its K-12 Schools 2020-2021 Guidance, DOH recommends that in areas with high community transmission, middle and high school students use cohorting (grouping students) and at least three feet of distance between students or at least six feet of physical distance between students if cohorting is not possible. The following chart includes King County data aligned with these indicators of high community transmission. The following data are current as of May 10, 2021 and are regularly updated on the PHSKC COVID-19 data dashboard webpage.

<table>
<thead>
<tr>
<th>Indicator</th>
<th>Current Status</th>
<th>High Community Transmission Rate$^1$ (Y/N)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Cases/100K/14 days$^2$</td>
<td>200.4/100K</td>
<td>Y</td>
</tr>
<tr>
<td>Test Positivity Rate$^3$</td>
<td>4.4%</td>
<td>N</td>
</tr>
</tbody>
</table>

4. **Department of Health School Guidance for Fall 2021**

On May 13, DOH released guidance for the 2021-2022 school year to support schools in preparing for in-person learning in the fall. Current guidance remains in place for the remainder of the school year. The guidance can be found here, and sets the stage for schools to offer full time in-person learning, and provides specific information covering the following topics:

- Face coverings
- Ventilation
• Cleaning and disinfection
• Responding to cases
• Meeting reporting requirements
• Information on extracurricular activities

5. Please Share with Your Communities
   a. Special Enrollment for Washington Health Care

   The pandemic continues to rage on, harming not only our physical health, but also devastating jobs. Many people are finding themselves in sudden need to health insurance. There is now a Special Enrollment Period for free or low-cost insurance through Washington’s Affordable Care Act health exchange – Washington Healthplanfinder. The enrollment period has been extended to August 15, 2021. The enrollment period is open to anyone who is currently uninsured. Public Health – Seattle & King County has a team of Health Insurance Navigators available to help answer questions and walk through the process of applying and selecting the right insurance plan. You can also browse plans and sign up directly through Washington Healthplanfinder.

   b. Household and Food Assistance for Quarantine and Isolation

   If you or members of your community need financial support to successfully isolate or quarantine, King County has two different programs available to support household bills and emergency food access. There is no income or citizenship requirement. For more information about the household assistance program, please visit this website. Emergency Food assistance information can be found here.

6. COVID-19 & How to Improve Indoor Air Quality

   Indoor air ventilation is one of the most powerful and effective ways to reduce the spread of COVID-19. Public Health – Seattle & King County has developed guidance designed for building/facility managers, business managers, and others to reduce the spread of coronavirus indoors. For more detailed information about these strategies and technologies, please review our Guidance on Improving Indoor Air Ventilation posted on www.kingcounty.gov/covid/air.

7. Schools and Child Care Task Force Office Hours

   PHSKC Schools and Childcare Task Force office hours are held each Thursday from 3:30-4:30pm. Please come with your specific COVID-19 questions related to your K-12 school (e.g., environmental health, clarification of King County guidance) – and please join us to share promising approaches that your school is using to implement COVID-19 protocols as well! If you have questions prior to office hours, please submit them to schoolresponse@kingcounty.gov with the subject line “Office Hours.” We will do our best to answer them during the following Thursday office hours session.

   Task Force Office Hours will end for the 2020-2021 school year on June 10th, 2021.

   **Attendees are expected to review the King County Schools COVID-19 Response Toolkit and the associated training videos (scroll to the bottom of the page) BEFORE attending office hours.**

Childcare

Dear childcare partners,

This week’s Public Health — Seattle & King County (PHSKC) Schools and Childcare Task Force sector email includes the following topics:

1. Vaccination Updates
   a. Vaccination Available for All Washington Residents 12+
   b. Vaccination Events
      i. King County Community Vaccination Event Calendar
      ii. Bellevue YMCA Family Vaccination Event
      iii. Lumen Field Event Center Youth Focused Pop Ups
      iv. ULMS Employment Fair and Vaccination Clinic
      v. King County Public Health High Volume Vaccination Sites
   c. Vaccination Data Dashboard
   d. Vaccination Side Effect or COVID Symptom?
   e. Youth Link COVID Vaccination Information Session
2. Guidance Updates
   a. King County Local Health Officer Indoor Mask Directive
3. Special Enrollment for Washington Health Care
4. Resources from the Children’s Environmental Health Network
5. Household and Food Assistance for Quarantine and Isolation

---

1. Vaccination Updates
   a. Vaccination is available for all Washington Residents over age 12

The Pfizer BioNTech COVID-19 vaccine has been approved for young people aged 12-15—and vaccine supply remains plentiful. The Moderna and Johnson & Johnson vaccines are available for individuals over 18.

Public Health knows that parents, families and other caregivers may have questions or concerns about COVID-19 vaccines and children. We know that schools and childcare providers are trusted resources in our community. Please feel free to share some of the following resources about vaccination, and reach out for other support.

- Public Health [Vaccine FAQ page](https).
- CDC [COVID-19 Vaccine Toolkit for School Settings and Child Care Providers](https)
- Request a training, Town Hall Forum, Q&A session or other education and engagement option to discuss COVID-19, Vaccines and Young people by contacting [schoolresponse@kingcounty.gov](mailto:schoolresponse@kingcounty.gov)
b. Vaccination Events

Youth under 18 will need consent from a legal guardian to be vaccinated, unless legally emancipated. Check with the vaccine provider to ask if minors can attend their vaccine appointment unaccompanied by their consenting adult. Check out COVID-19 Vaccination for Children and Teens - King County for the latest information about youth and vaccines, including minor consent processes.

There are a number of options to find vaccine appointments – check out Public Health Insider for a complete list of options in King County, visit the Getting Vaccinated page, or Washington’s Vaccine Locator tool, and check out the list of vaccination events below.

Vaccination is free and available regardless of insurance, citizenship, or immigration status.

i. King County Community Vaccination Event Calendar

PHSKC now has a google calendar to amplify opportunities for community members to get vaccinated at events closer to home. If you are offering a community vaccination event and would like us to share information about it on this calendar please send the event name, date, location, type of vaccine, appointment or walk-in, and any other pertinent details to lialexander@kingcounty.gov.

ii. Bellevue YMCA Family Vaccination Event

First Dose Clinics – Wednesday, May 26th 1pm-7pm
Second Dose Clinics – Wednesday, June 9th 1pm-7pm & Wednesday, June 16th 1pm-7pm
Bellevue Family YMCA – 14230 Bel-Red Rd. Bellevue, WA 98007
Register at http://bit.ly/BellevueYVaccine, e-mail name and preferred date to vaccine@seattleymca.org or by calling (206) 382-5000 (press 8 to speak to a staff member)

iii. Lumen Field Event Center Youth-Focused Pop-Ups

Pediatric clinicians will be administering the vaccinations at this site and special Seattle Seahawks programming will be available for kids and families. Open to Caregivers, families, and students ages 12+ with parental consent. More information available at this link.

Saturday, May 22, 11:15 a.m. – 5:45 p.m.
Location: 800 Occidental Ave S, Seattle WA 98134

iv. Urban League of Metropolitan Seattle Employment Fair + Vaccine Clinic

Wednesday, May 26th, 11am - 3pm
Bailey Gatzert Elementary School

There will be on-the-spot job interviews, community resources, vaccinations, and great food from the Where Ya At Matt Food Truck. Johnson & Johnson and Pfizer vaccines will be available to anyone 12+ - no appointment is needed. More information is available at www.urbanleague.org
v. King County Public Health High Volume Vaccination Sites- Kent and Auburn

King County’s high-volume vaccination sites at Kent accesso ShoWare and the Auburn Outlet Mall are open for appointments and walk-in. Pfizer BioNTech, Moderna and Johnson & Johnson vaccines are available.

Register here for appointments, and walk-in vaccination is also available! Car side vaccination is now available at the Auburn high-volume vaccination site on Mondays. Please share this flyer - Get your COVID-19 vaccine today. No appointment needed! (kingcounty.gov).

The Kent and Auburn sites are ADA accessible and have ASL and language interpretation on site. If tactile interpretation is needed, please contact Seattle Deaf/Blind Service Center.

c. King County Vaccination Data Dashboard

Curious how vaccination efforts are going? Public Health’s data dashboards include a vaccination summary that is updated daily. We are excited to share that as of May 6, 67.5% of King County Residents 16 years or older have received at least 1 dose, and 43.3% of 16 and 17 year olds with at least 1 dose! Keep an eye on the dashboard to see how these numbers grow with increased vaccination efforts for young people!

d. Vaccination Side Effect or COVID Symptom?

With more students receiving vaccines, questions have come up about if individuals need to quarantine if they experience symptoms of COVID-19 soon after receiving a vaccination. Students may return to school and not quarantine if they have symptoms of COVID-19 within a few days of vaccine administration, IF:

• They have not been in contact with someone with COVID-19 AND
• They feel well enough and are willing to perform normal activities AND
• They do not have a fever AND
• Signs and symptoms are limited only to those observed following COVID-19 vaccination (including pain, swelling, tiredness, chills, headache – see a list of symptoms) AND
• They do not have other signs and symptoms of COVID-19, such a cough, shortness of breath, sore throat, or change in smell and taste.

Public Health provides information on this and other frequently asked questions on our Vaccine FAQ page. DOH has a helpful chart to help differentiate between common side effects and symptoms but should be used in conjunction with the criteria above.

2. Guidance Updates

On May 13, the CDC issued updated guidance on masks for fully vaccinated individuals, and Governor Inslee modified Washington’s mask mandate to align more closely with some of this guidance, along with setting a goal of fully reopening the state by June 30, 2021. The Governor’s announcement,
allowing for fully vaccinated people to participate in many activities without face coverings, does not
include school or child care settings.

A. King County Local Health Officer Indoor Masking Directive

On May 20, 2021, King County Health Officer, Dr. Jeff Duchin, issued a local health directive, strongly
encouraging all King County residents – vaccinated or not – to continue wearing masks in indoor public
areas. King County residents are strongly encouraged to wear masks in public settings such as:

- Retail and grocery stores
- Restaurants
- Government buildings
- Offices and other places of employment that are open to the public

The directive also underscores that all residents must continue to use masks in correctional facilities,
homeless shelters, schools and childcare settings, public transportation and healthcare settings. More
information on the local health directive can be found on King County’s website.

3. Special Enrollment for Washington Health Care

The pandemic continues to rage on, harming not only our physical health but also jobs. Many people are
finding themselves in sudden need of health insurance. There is now a Special Enrollment Period for free
or low-cost insurance through Washington’s Affordable Care Act health exchange – Washington
Healthplanfinder. The enrollment period has been extended to August 15, 2021. The enrollment period
is open to anyone who is currently uninsured. Public Health – Seattle & King County has a team of
Health Insurance Navigators available to help answer questions and walk through the process of
applying and selecting the right insurance plan. You can also browse plans and sign up directly through
Washington Healthplanfinder.

4. Resources from the Children’s Environmental Health Network

Children’s Environmental Health Network (CEHN) website includes a wide variety of environmental
health resources for child care providers, including webinar slides, hand-outs, and resource lists. These
resources address needs from ventilation to mental health concerns to equity. The full resource page
can be found at this link.

5. Household and Food Assistance for Quarantine and Isolation

If you or members of your community need financial support to successfully isolate or quarantine, King
County has two different programs available to support household bills and emergency food access.
There is no income or citizenship requirement. For more information about the household assistance
program, please visit this website. Emergency Food assistance information can be found here.

In health,

The PHSKC Schools and Childcare Task Force
