

Rebate Application – Pollution Identification & Correction Project, Vashon-Maury Island

We are offering a **rebate of up to \$400** for **septic maintenance activities performed in the project focus areas**. Eligible maintenance includes maintenance inspections, riser installation, and pumping.

Follow these steps to request a rebate voucher:

- Return the enclosed project **postcard to give us permission** to sample water or, if your property is not by the shore, look for pollution sources.
Deadline: February 1, 2019
- Complete **septic system maintenance** and submit copy of receipt with this rebate form. Maintenance must be performed between June 30, 2018 and June 30, 2019.
Deadline: June 30, 2019
 - The rebate covers up to \$400. You can receive \$200 toward a **septic system inspection**, \$100 toward a **riser installation** (up to 2 per property), and/or \$200 toward **septic tank pumping**. All work must be performed by a King County certified provider.
 - Save your receipt as proof of payment and ensure that your provider submits a report to PHSKC.
 - Send completed rebate form and copy of receipt to PHSKC:

By Mail: **ATTN: Vashon PIC Project**
14350 SE Eastgate Way
Bellevue, WA 98007

By E-mail:
mejackson@kingcounty.gov
- Learn about how to continue your septic system care by completing a brief **online course** or attending a **workshop** held in your neighborhood.
Deadline: June 30, 2019
 - To complete the online course, go to www.kingcounty.gov/oss/septics-101
 - If you send your consent, we will contact you about septic system workshops that will be held on Vashon-Maury Island this upcoming spring and summer.

Once you have completed these steps, we will mail your reimbursement.

Funding for rebates is limited. They will be given on a first-come, first-serve basis until funding is exhausted.

Questions? Contact Meagan Jackson at mejackson@kingcounty.gov or (206) 263-0547.
