# FARE CHANGE UPDATES: JULY 1<sup>ST</sup>

- Metro Fares will be a flat rate of \$2.75 (no more peak, non-peak 1 zone or 2 zone)– this change does not impact the LIFT rate which will still be a \$1.50
- Sound Transit buses will have LIFT rate of \$1.50 (no more \$2.75 rate for people who cross county lines). To put this perspective the current monthly pass cost for people who cross county lines is \$99.00 – starting July 1<sup>st</sup> that same monthly pass will be \$54.00
- ORCA LIFT card replacement fee is being reduced from \$5.00 to \$3.00
- There will not be a discount summer youth program this year ....as far as we know.

# ORCA LIFT NUMBERS -

- Close to 74,000 individuals have been verified for ORCA LIFT (new and renewal)
- ORCA LIFT new enrollments – almost 67,000
