

09:37:11 From iPhone : thanks Mary!

09:43:36 From BeliveauL : So if someone is just now reporting UI that started prior to the end of PUA, it will still subtract the \$600 to determine eligibility. Even though they are not reporting in a timely manner, their account will still be updated with the \$600 ending at the end of July, even though they are delayed in reporting the change of income. Is this correct?

09:44:16 From bhuh to Mary, HBE (they/them)(Privately) : Mary, can you see the chat box. Someone has a question.

09:45:37 From Giselle Zapata-Garcia (she/her/ella) : I agree.

09:45:43 From Brenda.Kelek : Thank you David

09:46:06 From bhuh to Mary, HBE (they/them)(Privately) : Never mind. Callista answered her privately.

09:48:07 From bhuh to Callista Kennedy(Privately) : If we make them co host, they can share the screen for now, I think. Just an option FYI.

09:49:49 From Callista Kennedy to bhuh(Privately) : It's not allowing me to change their status for some reason

09:50:13 From bhuh to Callista Kennedy(Privately) : From next presenter, do you want me to make them co host for presentation?

09:50:43 From bhuh to Callista Kennedy(Privately) : I will make you host, not cohost.

09:50:55 From Callista Kennedy to bhuh(Privately) : That would be good. I think something happened when I made you host, instead of cohost

09:51:06 From bhuh to Callista Kennedy(Privately) : And now can you make me cohost

09:51:07 From bhuh to Callista Kennedy(Privately) : haha
