

09:12:01 From Ethel : It was because the second lowest silver plan was a lot less expensive, so tax credit was lower

09:12:22 From Janet Varon : That makes sense, thanks Ethel!

09:13:59 From mhall : So we will not really have to worry about that after 1/15, right?

09:14:27 From BeliveauL : I did not receive the document of how to report different payments, can someone from PHSKC send that to me?

09:34:57 From David Escame : What is the Medicaid eligibility pool for COFA population. Will Apple Health be FFS or Managed Care?

09:35:03 From Chris : David brings up a good question. Right now COFA individuals do not pay a premium or any out of pocket expenses. HCA takes care of that.

10:03:13 From Maricruz Sanchez : Hi Mario, if someone is experiencing homelessness, does not have ID or a mailing address, and is applying for Basic Food – should they just mention these barriers in the interview and they'll be able to pick up their card at their local CSO?
