Your Extended Family

Molina's Membership

- Largest membership in the state
- Highest number of additions by choice
- Same specifically in King County

Relevant Updates

- In 2015 Molina was awarded 1st place and selected to implement Integrated Managed Care in SW Washington, Early Adopter region for Behavioral Health Integration
- Service started in April 2016, DSHS Report in September of 2017:
 - 13 showed absolute improvement, 4 declined, 2 no change
 - 10 showed greater relative improvement
 - 8 showed no difference in relative improvement
 - 1 showed lower relative improvement
- This year the Mid Adopter region of North Central WA was awarded and Molina again took 1st place, service starts January 1st, 2018
- King County is planning to move to mid adopter with service starting in 2019

QHP – Marketplace 2018

Design Elements - 2018 QHP Priorities

- **Continue to offer a plan in King County**
 - Uncertainty about “Obamacare” has made difficult to design health plans but Molina has been able to continue and be selected in King County
- **Stay Simple!**
 - No Bronze Plan, focus on plans that drive people to use services
- **Remove Financial barriers to obtaining healthcare**
 - Keep Low Deductibles
 - Retain and reduce Outpatient Cost shares where possible
 - Retain and reduce Generic Rx Cost Shares where possible
- **Get people enrolled**
 - Full support to outreach events, Navigators and Brokers information
- **Manage uncertainty**
 - There increases in Deductibles and Premiums, trying to stay as affordable as possible

Benefit Highlights – Silver Plans

- Deductibles: \$525, \$2,500, \$4,950 for Silver
- Rx Deductibles: \$0, \$400, \$400
- Primary Care visit Copay: \$10,\$20,\$30
- Specialty Care visit Copay: \$30, \$60, \$75
- Mental Health and Substance Abuse: \$10, \$20, \$30

Estimated subsidized monthly premium for a Silver 200 plan is \$345 per month
