Access & Outreach Program

Build Systems: Work to achieve system-wide changes that reduce health disparities in King County. The First Friday Forum (FFF) brings together community-based organizations, health care Navigators, and our state partners to discuss important policy issues affecting residents of King County.

Ensure Access: We work to reduce barriers to health insurance and other public benefits. Public Health is the Lead Navigator Organization in King County under the Affordable Care Act (ACA). The King County Navigator network has 33 agencies, 235 navigators. We work directly with the most vulnerable living and working in King County. We provide infrastructure support, which includes training, coaching, and counseling.

Enroll the most vulnerable into program & service: We assist residents to enroll into the following programs: Apple Health, Classic Medicaid, Qualified Health Plans, Basic Food, Energy Assistance Programs, Orca LIFT, Breast Cervical Health Program, childcare assistance programs, and the ABCD Dental Program (Access to Baby and Child Dentistry).

Our team is multilingual and multicultural with experienced and knowledgeable Navigators, Health Educators, and Program Managers.

RESOURCE GUIDE

Our goal with this guide is to provide important and necessary resources for undocumented and Non-US Citizen residents living in King County. We believe everyone is welcome here and should be able to access care.

COFA ISLANDER HEALTH CARE TRANSITION TO APPLE HEALTH

Compact of Free Association (COFA) Islander Health Care provides health coverage for eligible islanders from the Republic of the Marshall Islands, the Federated State of Micronesia, and the Republic of Palau.

COFA (Compact of Free Association) Islander Health Care is a Health Care Authority (HCA) program that provides insurance at no cost to those originally from the COFA Islands if they meet income guidelines.

HCA pays the monthly insurance premium directly to the insurance company and the client is given a Navia card to pay for prescriptions, co-insurance, and co-payments.

Beginning July 2021 COFA Islanders are eligible for Apple Health or classic Medicaid. In certain circumstances COFA medical is available for those who qualify. For individuals such as:

- 65 and older,
- Have Medicare,
- Have a disability or blindness,
- Need long-term care, such as a nursing home,

must apply for coverage with the Department of Social and Health Services (DSHS) at (877) 501-2233.

Eligibility:

- Must intend to reside in Washington.
- Must meet income requirements.
- Enroll into a silver level qualified health plan.
- Agree to file federal taxes (even if they do not meet tax-filing requirements).
- Not receiving other federal or state medical coverage.

HOSPITAL CHARITY CARE

Washington state laws require hospitals to provide residents with certain types of care for free or at a lower cost if they cannot afford to pay for medical treatment. Charity Care covers “medically necessary” treatment. This includes inpatient hospital stays and emergency room visits.

**What if you never applied for Charity Care and your hospital bill went and now a collection agency is calling me? A collection agency may not report medical debt to a credit bureau for at least 180 days from the date the collection agency received the debt. You should immediately apply for Charity Care and contact the collection agency. The agency must stop all collections activity until the hospital process your application.

How to apply? Each hospital has the application on their website. Linked below is a copy of the application for most King County hospitals.

DEFERRED ACTION FOR CHILDHOOD ARRIVALS (DACA)

What is DACA?

DACA is a program that protects undocumented immigrants who came to the United States as children under circumstances beyond their control from deportation. On June 15, 2012, the Secretary of Homeland Security announced that people who meet these criteria and meet several other guidelines may request consideration of deferred action for a period of two years, subject to renewal. If approved for DACA you are eligible for a work permit. Deferred action does not provide lawful status. **USCIS is currently not taking new applications. **

DACA Health Insurance Options

While residents who are approved for DACA have the right to work and avoid deportation, they do not have a lawful immigration status. Therefore, you're not eligible for most medical programs. You can apply for:

- ✓ Apple Health for Kids (up to age 19)
- ✓ Apple Health Pregnancy Medical
- ✓ Alien Emergency Medical (AEM)
- ✓ Prescription Assistance Program
- ✓ Family Planning Only
- ✓ Hospital Charity Care
- ✓ Breast Cervical Colon Health Program (BCCHP)
- ✓ Dental Care at our Public Health Centers
- ✓ Each program is included in this resource guide.

DACA Renewal Scholarships

El Centro De La Raza is offering scholarships to Individuals who need financial support paying for their DACA renewals. They will send a check made out to the Department of Homeland Security in full. Submit the form here: www.elcentrodelaraza.org/get-help/daca.

ACCESSING DENTAL SERVICES

ACCESS TO BABY AND CHILDREN DENTISTRY (ABCD) PROGRAM

Access to Baby and Child Dentistry (ABCD) is a system of care in King County that connects Apple Health (Medicaid) insured children from birth through age five with specially trained dentists in their communities. It's important that young children get care early, as a child with dental disease may have oral health problems throughout life. Cavities can be painful and interfere with a child's ability to focus and learn in school, eat, speak, and even play. Yet, cavities are almost entirely preventable, and prevention saves money for everyone.

Why ABCD? Making sure that your children have healthy teeth and mouths for a lifetime begins early. Baby teeth help children chew food and speak clearly. They shape children's faces and guide adult teeth into place. Cavities in baby teeth can cause pain and affect a child's ability to sleep, learn and pay attention.

Eligibility:

- Any Apple Health (Medicaid) eligible child from birth through age 5 years old are automatically enrolled
- Any child enrolled in the Developmental Disabilities Administration (DDA) home and community-based waiver services between ages 6 -12 years old.

Program Benefits:

- Increased access to dental care throughout King County
- Increased number of dental services (i.e., 3 fluoride varnish applications per year, 2 Family Oral Hygiene Instruction consultations per year, etc.)
- Assistance in finding a dentist that will fit your needs and language preferences
- Assistance in coordinating transportation to and from the dental office
- Assistance in coordinating interpreter services for the dental visit

HOPELINK

About English for Work

English for Work is a free program that helps people improve their English language skills to prepare for employment in the United States. Students learn about topics such as skills and strengths, job search, resumes, and interviewing, while practicing speaking, listening, reading, and writing.

Classes are best for intermediate and advanced level students.

To enroll in English for Work online, students must:

- Plan to get a job in the U.S. or enroll in job training/college to prepare to get a job (within the next 6 months)
- Be able to participate in online classes
- Complete orientation
- Be 18 years or older
- Not have a B, F, J, or M visa

Live near a Hopelink Center (for example, in Shoreline, Bothell, Kenmore, Kirkland, Bellevue, Redmond, or any surrounding cities)

Important: If you do not want to get a job, other classes will be better for you. Please ask us for recommendations!

For more information contact (425) 250-3007 or englishforwork@hopelink.org

REWA

ReWA offers six levels of ESL classes, ranging from basic to intermediate. Our literacy program provides newcomers with a positive environment to help them gain and improve English language skills and break down the barriers to employment.

GET BACK ON THE ROAD

The Department of Licensing (DOL) can no longer suspend driver's licenses because a driver failed to pay non-criminal traffic tickets and/or failed to appear at a related hearing.

Suspended licenses will be reinstated, which means licenses will no longer be suspended. DOL is not allowed to automatically suspend a driver's license for unpaid traffic tickets until January 2023. If your license is expired, you must renew it. This may include taking the written and driving test.

Your license will not be suspended for unpaid non-criminal moving violations like speeding tickets. DOL can still suspend your license for criminal traffic violations like Driving Under the Influence (DUI) or reckless driving.

For more information go to <https://www.dol.wa.gov/driverslicense/>

PROJECT HELP

Project Help assists people throughout Washington state by providing assistance at any phase of the workers' compensation claim process. This includes self-insured and state fund claims; help is offered and open to all. Assistance is provided from the initial filing of a claim, to claim closure.
