Clients who are eligible for orthodontic treatment and orthodontic services:

- (1) Subject to the limitations and the age restrictions listed below, Medicaid covers medically necessary orthodontic treatment and orthodontic-related services for severe handicapping malocclusions, craniofacial anomalies, or cleft lip or palate, as follows:
 - (a) Clients in the categorically needy program (CNP) and the medically needy program (MNP) may receive orthodontic treatment and orthodontic-related services through age twenty. Any orthodontic treatment plan that extends beyond the client's twenty-first birthday will not be approved by Medicaid.
 - (b) Clients in the state children's health insurance program (CHIP) may receive orthodontic treatment and orthodontic-related services through age eighteen.
 - (c) Clients who are eligible for services under the EPSDT program may receive orthodontic treatment and orthodontic-related services.
- (2) Eligible clients may receive the same orthodontic treatment and orthodontic-related services in recognized out-of-state bordering cities on the same basis as if provided in-state.
