

HCHN Current State of the Program Updates

Semone Andu

HCHN RFP Process Updates

- The review process is still undergoing.
- HCHN RFP Conflict of interest memo.

H8F Updates

- 20% (\$780K) will go to community agencies.
- We will use the RFP process to identify applicants for the available funds set aside for community agencies.
- The funds cover an 18 month period (4th quarter of 2021- 1st quarter of 2023).
- The rest of the funds will support existing HCHN teams/infrastructure.
- Approximately 17% will cover the continuation of our COVID homeless response work.

H&F Updates

50% will support the following:

- HCH & Mobile Medical Infrastructure.
- Admin, data, Finance, and Clinical/field staff needs to support the existing need in the program.

13% will support:

- Behavioral Health Pilot project for PEH coming out of Jail.

C&E grant updates

- HHS Announced \$1 Billion a part of the American rescue plan for construction, and Renovation of projects at Health Centers.
- One time grant opportunity for approximately \$738K.
- The funding will support the on-going remodel at the Seattle Downtown clinic.

Other Program Updates

General Program Updates:

- Encampment vaccinations, and the challenges of encampment removals.
- FW Needle Exchange updates.
- HCHN Strategic planning for the future.

Thank you.
