

Have you experienced homelessness?

Do you want to improve health services for those in need in our community?

What health issues concern you the most?

How can we make getting health care easier?

The **Health Care for the Homeless Network (HCHN) Governance Council** wants input from people who have used HCHN services such as at Public Health Centers, in shelters, or other locations in King County. And, who have an interest in health care and want to participate in a group to improve services.

What would you do as a Council member?

- Participate in meetings once per month.
- Provide key oversight and strategic planning for HCHN.
- Help represent the needs of people who are using HCHN health services.
