If so, the **Mobile Medical Program** is for you!

On-site the mobile medical team offers:

- Pregnancy tests and birth control
- Access to behavioral health and substance use specialists
- Naloxone overdose prevention training and kits
- Dental care for pain and emergency conditions on select days

We can also help you connect to:

- Referrals to shelter, food, benefits, legal and domestic violence programs

Our mission is to build relationships with people experiencing homelessness by providing patient-centered health and social services, meeting people where they are, and fostering health and well-being.
