VALUES Auction
Auction Rules

1. Your group has $6,000. No more. No less.

2. Your group may only bid on an item when it is up for bidding, **NOT** after.

3. You may **NOT** change your bids. **Once you bid, that money is gone.**

4. If you are outbid, the money you offered is gone. Bid strategically.

5. At the end of the auction, groups will have the opportunity to make a case why their item(s) are the most valuable.

6. Finally, any person in your group can bid. No consensus is required.
