### Metro Transit

- Service advisories: <https://kingcounty.gov/depts/transportation/metro/alerts-updates/service-advisories.aspx>
- Bus service changes are proposed as part of the [East Link Connections project](#). The proposed bus network revisions to prepare for the opening of 12 new light rail stations by 2024 will provide new options in or near the Snoqualmie Valley/NE King County unincorporated areas. Proposed route revisions will connect to Link light rail and increase service levels in rural areas. Highlights of proposed changes include:

- **Revised Route 224** – Frequency between Duvall, Redmond Ridge, and Redmond increased from every 90 to every 60 minutes all day, and connects the route to SE Redmond Link station, with service on NE Union Hill Rd
- **Revised Route 931** – During the peak period, a new connection directly between Duvall, Cottage Lake, Woodinville, and Bothell.
- **New Route 222** – Replaces the 221 but extends service north of Education Hill to Cottage Lake, and connects to Downtown Redmond Link station
- **Revised Route 269** – In Sammamish, new service on Sundays, increased frequency during the peak and evening, route extends to Mercer Island Link station, and SE Redmond Link station
- In March 2021 a new trip will be added to **Route 269** to better align with the Eastlake High School bell schedule.
- **Sammamish Community Ride** is available in the Klahanie, Sunny Hills, Providence Point, and Sammamish Highlands neighborhoods.
  - Launched in June of 2019 as a reservation-based system, where riders reserved trips online and/or called a dispatch number as early as 2 hours in advance and as far out as 30 days. The service area was a mitigation project with the same deviation area of DART route 927. The service was suspended due to Covid in March of 2020 and resumed in September of 2020, as app enabled, on demand service.
  - Available weekdays 7 AM to 6 PM and Saturdays 9 AM to 6 PM throughout designated areas in Klahanie, Sunny Hills, Providence Point, and Sammamish Highlands neighborhoods.
  - Community Ride costs the same as a Metro bus ride and riders can pay with ORCA, Transit GO ticket, cash, paper transfers and human service tickets.
  - Riders can book a trip anywhere curb-to-curb within the given service area.
- This summer Metro and Redmond will launch a **Community Van** pilot in Redmond, available for use to those in the area.
