

2022 King County Work Plans

Southeast King County Community Service Area

Projects and Service Updates

This document includes current work plans, initiatives, ongoing projects, and completed projects of King County departments and separately elected offices in your community. The links are continuously updated and contain the latest information from our website. **To request this information in another language or format, email AskLocalServices@kingcounty.gov or call 206-477-3800.**

Department of Parks and Natural Resources

Solid Waste

- [South County Recycling & Transfer Station project](#)
- [Northeast Recycling & Transfer Station project](#)
- [Cedar Hills Regional Landfill 2020 site development plan and facilities relocation](#)

Parks

- Capital improvements: <https://kingcounty.gov/services/parks-recreation/parks/capital-improvements.aspx>
- Public notices: <https://kingcounty.gov/services/parks-recreation/parks/about/public-notice.aspx>

Water and Land Resources

- Services provided by Water and Land Resources: <https://kingcounty.gov/depts/dnpr/wlr/topics.aspx>
- River and Floodplain Management – Capital Projects: <https://kingcounty.gov/depts/dnpr/wlr/sections-programs/river-floodplain-section/capital-projects.aspx>
- Stormwater Services Capital Service Unit/Projects: <https://kingcounty.gov/depts/dnpr/wlr/sections-programs/stormwater-services-section/capital-services-unit.aspx>
- Rural and Regional Services: <https://kingcounty.gov/depts/dnpr/wlr/sections-programs/rural-regional-services-section.aspx>
- Habitat Restoration Projects: <https://kingcounty.gov/services/environment/animals-and-plants/restoration-projects.aspx>

Metro Transit

- Service advisories: <https://kingcounty.gov/depts/transportation/metro/alerts-updates/service-advisories.aspx>
- For capital, a big focus is electrification of our bus fleet with 120 more electric buses by 2025, dispatched from the new Interim Base at South Campus at Tukwila. The battery electric buses will be used on bus routes that serve much of South King County.
- Two routes that specifically travel through unincorporated areas and are planned to be served by the electric buses would be routes 168 and 186.

- Near term capital investments needed for this electrification include purchase of battery electric buses, installation of charging infrastructure at the new base.

Road Services Division

- Projects, plans, reports & standards: <https://kingcounty.gov/depts/local-services/roads/projects-plans.aspx>
- Closed and restricted roads: <https://gismaps.kingcounty.gov/MyCommute/>
- Roads 24/7 Helpline (206-477-8100 or 1-800-527-6237) for assistance with [road maintenance](#) and [traffic safety](#) issues in unincorporated King County. <https://kingcounty.gov/depts/local-services/roads/24x7-helpline.aspx>

Department of Community and Human Services

- 2 Housing Repair Program Project \$56,000.00 Approved
- BHRD supports the Auburn Prevention Coalition, as well as a new Coalition for Prevention and Wellness Initiative and a coalition in Enumclaw entitled Youth Empowered.
- Children’s Therapy Center’s Boost Program - Boost serves South King County families with children ages 3-5 with delays identified after age three, or who are ending Early Support for Infants and Toddlers services at age three and need short term services. The program includes family navigation, developmental screenings, connection to resources, and transitional support to the next early learning program.

Older Adults Program

- Enumclaw Senior Center was allocated \$374,560 in Veterans, Seniors and Human Services Levy (VSHSL) funding in the 2021- 2022 Operating Budget and receives Community Services Funds to support general operations.
- Kent Senior Activity Center was allocated \$584,464 in VSHSL funding in the 2021-2022 Operating Budget to provide essential senior support services.

Office of Emergency Management

- The Trusted Partner Network is a volunteer group representing a diversity of language and cultural groups around the region. Network volunteers act as a bridge to connect their community groups to emergency alerts and notifications. Learn more and get involved at www.kingcounty.gov/TPN.

Office of Cable Communications and Department of Information Technology

- Affordable Connectivity Program for reduced internet: <https://kingcounty.gov/depts/it/services/cable-communications/affordable-connectivity-program.aspx>
- Broadband Access Study: <https://kingcounty.gov/depts/it/services/cable-communications/broadband-access-study.aspx>
- Non-emergency phone numbers for local police and fire: <https://kingcounty.gov/depts/it/e-911-program/local-numbers.aspx>
- Texting 911 – what you should know: <https://kingcounty.gov/depts/it/e-911-program/Text-to-9-1-1.aspx>
- Emery the Emergency Penguin (children’s educational materials): <https://kingcounty.gov/depts/it/e-911-program/emery.aspx>
