

Alan M. Painter Grant Program 2023 Community Engagement Grants

Purpose:

The purpose of King County's Alan M. Painter Grant Program is to fund community projects that offer **unincorporated area residents** in the Community Service Areas an opportunity to participate and be more connected in their communities and to King County. Funded projects must demonstrate how they are accessible to all residents regardless of race, income, or language spoken. **Please note: These funds may not be used for political activities.**

Due date:

Applications are due by 5 p.m. on Friday, December 2, 2022.

Funds available:

A total of \$90,000 will be reimbursed for projects in 2023. **Funding for projects will begin in March 2023.** King County Local Services will provide funds to selected projects through a letter of award and Memorandum of Agreement. Amounts will be limited to less than **\$5,000** per project. A complete list of selected projects will be available online after King County has decided which projects to fund.

Funding priority goals:

Alan M. Painter Grants will support projects that advance the King County Strategic Plan and achieve at least one of the following goals:

- Promote the engagement of unincorporated area residents in community or civic activities
- Educate local residents about issues that affect them
- Identify and gather community needs and priorities
- Implement a community enhancement project
- Provide a safe and healthy environment in the unincorporated area during extreme weather events
- Meet King County's equity and social justice goals of increasing fairness and opportunity for all people, particularly for people of color, people with low incomes, and people with limited English proficiency

Project examples:

Community enhancement projects such as graffiti removal and neighborhood cleanup

Community-led planning or training on King County government operations and programs, opportunities for involvement with King County programs, or community priorities

Neighborhood or community signs

Community events such as concerts, festivals, or educational/safety events

Selection criteria:

Priority will be given to projects that are one-time or time-limited in scope and will be completed in 2023.

Project clearly addresses one or more of the stated Alan Painter Grants funding priority goals.

Project location and target population are the unincorporated Community Service Areas, the project is free and open to all members of the general public in unincorporated King County.

The project provides a public benefit.

Project demonstrates how its benefits are accessible to all residents regardless of race, income, or language spoken.

Project objectives and activities encourage community engagement and high community participation.

Project has identified clear outcomes or results and a specific work plan to achieve them.

Project demonstrates community outreach and support.

Project demonstrates community support based on the level of community involvement by the project partners.

Project budget is realistic and achievable, and the funding request is specific and attributable to the project.

Project match is at least 25% of total project budget.

Geographic distribution of funds will be considered.

Match:

A minimum match of 25% of the total project cost is required. The match can be in the form of volunteer time, cash, or other forms of in-kind services and other resources from project partners and contributors.

Eligible applicants:

Locally-based, community-led organizations in King County's unincorporated Community Service Areas, and organizations that are based in a city but serve unincorporated area residents, that encourage collaborations and partnerships in unincorporated King County.

Applicant status:

If your organization is not incorporated, you must designate a fiscal sponsor. We encourage partnership with local nonprofits. Please contact us for guidance and support.

Applications are due by 5 p.m. on Friday, December 2, 2022

**Community Service
Areas in unincorporated
King County:**

(Find maps and more information online at <https://kingcounty.gov/depts/local-services/programs/community-service-areas.aspx> or scan the QR code below with your mobile phone)

Bear Creek/Sammamish – The western boundary is the urban growth line near Woodinville, the northern boundary is the King-Snohomish county line. The east and south boundaries follow the watershed ridge line. This CSA contains the Sammamish Agricultural Production District.

Snoqualmie Valley/NE King County – The western boundaries are the ridge line of the Bear Creek CSA and the urban growth line. The southern boundaries are the watershed line, the forest production district, and I-90. The northern boundary is the King-Snohomish county line. This CSA contains the Snoqualmie Agriculture Production District and part of the Forest Production District.

Four Creeks/Tiger Mountain – The western and northern boundaries are the urban growth line, I-90, and the Forest Production District boundary (joint boundary with Snoqualmie Valley/NE King County CSA). The eastern and southern boundary is the Tahoma School District boundary (joint boundary with the Greater Maple Valley/Cedar River CSA).

Greater Maple Valley/Cedar River – The western boundary is the urban growth line, the north boundary is the watershed line, the forest production district boundary, and I-90 (Snoqualmie Valley CSA). The eastern boundary is the King-Kittitas county line. The southern boundary is the watershed line (SE King County CSA). This CSA contains parts of the Forest Production District.

SE King County – The western boundary is the urban growth boundary. The northern boundaries are the urban growth line and the watershed line (Greater Maple Valley CSA). The eastern boundary is the King-Kittitas county line, and the southern boundary is the King-Pierce county line. This CSA contains the Lower Green, Middle Green, and Enumclaw Agriculture production districts and part of the Forest Production District.

Vashon/Maury Island – Vashon-Maury Island is bounded by, and located in, Puget Sound.

West King County – This CSA contains the remaining urban unincorporated potential annexation areas located throughout West King County. All of these areas are bounded either by existing cities or the urban growth boundary. The identified major potential annexation areas include North Highline/White Center, Skyway/West Hill, East Federal Way, Fairwood, and East Renton Plateau.

marissa.alegria@kingcounty.gov

If COVID restrictions allow, you may also contact Marissa to request a meeting at a convenient location to discuss your grant application.

Project completion: Projects must be completed in 2023.

Allowed costs: Reasonable expenses that are attributable and clearly needed for the project and outlined in the budget.

These grant funds may not be used for political activity.

These grants are not intended to support infrastructure or ongoing operational costs of locally funded governmental organizations, except where organization is seeking grant funding to support one-time volunteer events.

King County reserves the right to determine the nature and manner in which costs and items will be paid for in any grant.

Reporting requirements: Grant recipients will submit a final report documenting that the outcomes and measures defined for project success were met. Project results may be published in a report that will be available online.

Other requirements: Organizations with funded projects may be asked to attend and/or participate in the annual King County Local Services Town Hall meeting in their project area.

Applications are due by 5 p.m. on Friday, December 2, 2022

Organizations with funded projects must acknowledge King County’s contribution to their event or project.

The project applicant is responsible for:

- Establishing a record-keeping system that includes a breakdown of cash and in-kind contributions as well as grant funds, and retaining these records for three years after the project is completed
- Tax reporting related to their project and their grant
