Borrower Documentation Requirements

What documentation does the borrower submit to the lender with its forgiveness application?

In addition to the signed Forgiveness Application Form (SBA Form 3508, 3508EZ, or lender equivalent) borrowers are generally expected to submit the following (see SBA Form 3508 or 3508EZ instructions for specific details):

1. **Payroll**: Proof of payment
2. **Nonpayroll**: Proof of obligation and proof of payment
3. **3508 Only**: PPP Schedule A and FTE Documentation
4. **3508EZ Only**: FTE Information (if applicable)

For each form, there are certain documents that the borrower is required to maintain, but not submit. See Instructions to forms.

Additionally, all loans $2 million and over will be subject to SBA loan reviews and additional documentation will be required.

Information Current as of 9/3/20 – Visit [www.sba.gov/ppp](http://www.sba.gov/ppp) for the most up-to-date information.
Documents Must Provide Proof of Eligible Costs (e.g., that verify existence of eligible non-payroll obligations/services prior to February 15, 2020 and eligible payment from the Covered Period) with the following if borrower includes nonpayroll expenses in the amount requested for forgiveness:

2. Business rent or lease payments – lease agreement and receipts.

See Instructions to forms for other acceptable documents.
Economic Injury Disaster Loan (EIDL) FAQ

Question: How will a lender know the amount of the EIDL advance that will be automatically deducted by SBA?

Answer: If a borrower received an EIDL advance, SBA is required to reduce the borrower’s loan forgiveness amount by the amount of the EIDL advance. SBA will deduct the amount of the EIDL advance from the forgiveness amount remitted by SBA to the lender. The lender will be able to confirm the amount of the EIDL advance that will be automatically deducted by SBA from the forgiveness payment by reviewing the borrower’s EIDL advance information in the Forgiveness Platform.
Lender Reviews – Making a Forgiveness Decision

Lenders Have Four Decision Options:

- **Approved in Full** – Lender approved the full forgiveness amount requested by borrower, and the forgiveness amount requested by lender equals that amount.

- **Approved in Part** – Lender did not approve the full forgiveness amount requested by borrower and the forgiveness amount decision by lender is less than the forgiveness amount requested by borrower.

- **Denied** – Lender denied the entire forgiveness amount requested by the borrower.

- **Denied without Prejudice** – Lender should use this status when SBA notifies the lender that a loan review is pending at the time the borrower submits a loan forgiveness application.

Information Current as of 9/3/20 – Visit [www.sba.gov/ppp](http://www.sba.gov/ppp) for the most up-to-date information.
Question: How should a lender handle any remaining balance due on a PPP loan after SBA remits the forgiveness amount to the lender?

Answer: If a PPP loan is not forgiven in full (including if there has been a reduction in the forgiveness amount for an EIDL advance), any remaining balance due on the PPP loan must be repaid by the borrower.

- Lenders must notify borrower of the loan forgiveness amount remitted by SBA and the date on which the borrower’s first loan payment is due.
- The lender must continue to service the loan.
- The borrower must repay the remaining loan balance by the maturity date of the PPP loan (either two or five years).

If a borrower is determined to have been ineligible for a PPP loan for any reason, SBA may seek repayment of the outstanding PPP loan balance or pursue other available remedies.
Representation, Certifications, Audits, Appeals:

• The loan forgiveness application requires a representations and certification page with signature to be submitted – The borrower must certify that they know and understand the rules of the PPP including eligibility, use of proceeds, loan forgiveness amounts.
• The SBA may review PPP loans and Loan Forgiveness Applications as it deems appropriate and at any time.
• Lenders are required to confirm the calculations on the loan forgiveness application.
• The SBA has established rules and timelines for appeals for any PPP borrower who is determined ineligible for the PPP or reduced loan forgiveness.
SBA Programs and PPP Loan Forgiveness

Additional Information and Details:

- Additional detail on “eligible owner compensation” is available in SBA FAQ dated 8/11/20 page 4. We can provide this on request.

- Loan Forgiveness application can be submitted when the borrower has 1) used all of the funds, 2) documented use of the loan proceeds, 3) lender is ready to accept the applications.

- If a borrower applies for PPP loan forgiveness before the end of the Covered Period and annual salary or hourly wages were reduced by more than 25%, the borrower must account for the reduction for the full covered period (either 8 or 24 weeks).

- All records relating to the loan must be maintained for six years after loan forgiveness or the loan is paid in full and you must permit inspection of those documents on request.

Loan Forgiveness Application Examples

Updated with Information as of September 10, 2020
Covered vs. Alternative Payroll Covered Period

• **Covered Period**: is either (1) the 24-week (168-day) period beginning on the PPP Loan Disbursement Date, or (2) if the borrower received its loan before June 5, 2020, the borrower may elect to use an eight-week (56 day) covered period.

  • For example: if the borrower is using a 24-week covered period and received its PPP loan proceeds on Monday, April 20, the first day of the covered period is April 20 and the last day is Sunday, October 4.
  • In no event may the covered period extend beyond December 31, 2020.

• **Alternative Payroll Covered Period**: For administrative convenience, Borrowers with a biweekly (or more frequent) payroll schedule may elect to calculate eligible payroll costs using the 24-week (168-day) period (or for loans received before June 5, 2020 at the election of the borrower, the eight-week (56-day) period) that begins on the first day of their first pay period following their PPP Loan Disbursement Date.

  • For example: if the Borrower is using a 24-week Alternative Payroll Covered Period and received its PPP loan proceeds on Monday, April 20, and the first day of its first pay period following its PPP loan disbursement is Sunday, April 26, the first day of the Alternative Payroll Covered Period is April 26 and the last day of the Alternative Payroll Covered Period is Saturday, October 10.

  • Borrowers that elect to use the Alternative Payroll Covered Period must apply the Alternative Payroll Covered Period wherever there is a reference in this application to “the Covered Period or the Alternative Payroll Covered Period.” However, Borrowers must apply the Covered Period (not the Alternative Payroll Covered Period) wherever there is a reference in this application to “the Covered Period” only.

  • In no event may the Alternative Payroll Covered Period extend beyond December 31, 2020.
Using the EZ Form vs. Regular Form

You (the Borrower) can apply for forgiveness of your Paycheck Protection Program (PPP) loan using this SBA Form 3508EZ if you can check at least one of the three boxes below. Do not submit this Checklist with your SBA Form 3508EZ.

X The Borrower is a self-employed individual, independent contractor, or sole proprietor who had no employees at the time of the PPP loan application and did not include any employee salaries in the computation of average monthly payroll in the Borrower Application Form (SBA Form 2483).

☐ The Borrower did not reduce annual salary or hourly wages of any employee by more than 25 percent during the Covered Period or the Alternative Payroll Covered Period (as defined below) compared to the period between January 1, 2020 and March 31, 2020 (for purposes of this statement, “employees” means only those employees that did not receive, during any single period during 2019, wages or salary at an annualized rate of pay in an amount more than $100,000);

OR

☐ The Borrower did not reduce the number of employees or the average paid hours of employees between January 1, 2020 and the end of the Covered Period. (Ignore reductions that arose from an inability to rehire individuals who were employees on February 15, 2020 if the Borrower was unable to hire similarly qualified employees for unfilled positions on or before December 31, 2020. Also ignore reductions in an employee’s hours that the Borrower offered to restore and the employee refused. See 85 FR 33004, 33007 (June 1, 2020) for more details.

☐ The Borrower did not reduce annual salary or hourly wages of any employee by more than 25 percent during the Covered Period or the Alternative Payroll Covered Period (as defined below) compared to the period between January 1, 2020 and March 31, 2020 (for purposes of this statement, “employees” means only those employees that did not receive, during any single period during 2019, wages or salary at an annualized rate of pay in an amount more than $100,000);

AND

The Borrower was unable to operate during the Covered Period at the same level of business activity as before February 15, 2020, due to compliance with requirements established or guidance issued between March 1, 2020 and December 31, 2020 by the Secretary of Health and Human Services, the Director of the Centers for Disease Control and Prevention, or the Occupational Safety and Health Administration, related to the maintenance of standards of sanitation, social distancing, or any other work or customer safety requirement related to COVID-19.

Table Instructions

Employee’s Name: Separately list each employee. Do not include any independent contractors, owner-employees, self-employed individuals, or partners.

Employee Identifier: Enter the last four digits of each employee’s Social Security Number.

Cash Compensation: Enter the sum of gross salary, gross wages, gross tips, gross commissions, paid leave (vacation, family, medical or sick leave, not including leave covered by the Families First Coronavirus Response Act), and allowances for dismissal or separation paid or incurred during the Covered Period or the Alternative Payroll Covered Period. For each individual employee, the total amount of cash compensation eligible for forgiveness may not exceed an annual salary of $100,000, as prorated for the Covered Period. For an 8-week Covered Period, that total is $15,385. For a 24-week Covered Period, that total is $46,154.

Average FTE: This calculates the average full-time equivalency (FTE) during the Covered Period or the Alternative Payroll Covered Period. For each employee, enter the average number of hours paid per week, divide by 40, and round the total to the nearest tenth. The maximum for each employee is capped at 1.0. A simplified method that assigns a 1.0 for employees who work 40 hours or more per week and 0.5 for employees who work fewer hours may be used at the election of the Borrower.

This calculation will be used to determine whether the Borrower’s loan forgiveness amount must be reduced due to a statutory requirement concerning reductions in full-time equivalent employees. Borrowers are eligible for loan forgiveness for certain expenditures during the Covered Period or the Alternative Payroll Covered Period. However, the actual loan forgiveness amount that the Borrower will receive may be less, depending on whether the Borrower’s average weekly number of FTE employees during the Covered Period or the Alternative Payroll Covered Period was less than during the Borrower’s chosen reference period (see Instructions to PPP Schedule A, Line 11). The Borrower is exempt from such a reduction if either of the FTE Reduction Safe Harbors applies. See the FTE Reduction Safe Harbor instructions below.
Salary/Hourly Wage Reduction: This calculation will be used to determine whether the Borrower’s loan forgiveness amount must be reduced due to a statutory requirement concerning reductions in employee salary and wages. Borrowers are eligible for loan forgiveness for certain expenditures during the Covered Period or the Alternative Payroll Covered Period. However, the actual amount of loan forgiveness the Borrower will receive may be less, depending on whether the salary or hourly wages of certain employees during the Covered Period or the Alternative Payroll Covered Period was less than during the period from January 1, 2020 to March 31, 2020. If the Borrower restored salary/hourly wage levels, the Borrower may be eligible for elimination of the Salary/Hourly Wage Reduction amount. Borrowers must complete this worksheet to determine whether to reduce the amount of loan forgiveness for which they are eligible. Complete the Salary/Hourly Wage Reduction column only for employees whose salaries or hourly wages were reduced by more than 25% during the Covered Period or the Alternative Payroll Covered Period as compared to the period of January 1, 2020 through March 31, 2020. For each employee listed in Table 1, complete the following (using salary for salaried employees and hourly wage for hourly employees):

Step 1. Determine if pay was reduced more than 25%.
   a. Enter average annual salary or hourly wage during Covered Period or Alternative Payroll Covered Period: __________
   b. Enter average annual salary or hourly wage between January 1, 2020 and March 31, 2020: __________
   c. Divide the value entered in 1.a. by 1.b.: __________
   If 1.c. is 0.75 or more, enter zero in the column above box 3 for that employee; otherwise proceed to Step 2.

Step 2. Determine if the Salary/Hourly Wage Reduction Safe Harbor is met.
   a. Enter the annual salary or hourly wage as of February 15, 2020: __________
   b. Enter the average annual salary or hourly wage between February 15, 2020 and April 26, 2020: __________
   If 2.b. is equal to or greater than 2.a., skip to Step 3. Otherwise, proceed to 2.c.
   c. Enter the average annual salary or hourly wage as of the earlier of December 31, 2020 and the date this application is submitted: __________
   If 2.c. is equal to or greater than 2.a., the Salary/Hourly Wage Reduction Safe Harbor has been met – enter zero in the column above box 3 for that employee. Otherwise proceed to Step 3.

Step 3. Determine the Salary/Hourly Wage Reduction.
   a. Multiply the amount entered in 1.b. by 0.75: __________
   b. Subtract the amount entered in 1.a. from 3.a.: __________
   If the employee is an hourly worker, compute the total dollar amount of the reduction that exceeds 25% as follows:
c. Enter the average number of hours worked per week between January 1, 2020 and March 31, 2020:

____________________

d. Multiply the amount entered in 3.b. by the amount entered in 3.c. ______________. Multiply this amount by 24 (if Borrower is using a 24-week Covered Period) or 8 (if Borrower is using an 8-week Covered Period):

______________________
Enter this value in the column above box 3 for that employee.

If the employee is a salaried worker, compute the total dollar amount of the reduction that exceeds 25% as follows:
e. Multiply the amount entered in 3.b. by 24 (if Borrower is using a 24-week Covered Period) or 8 (if Borrower is using an 8-week Covered Period): ______________. Divide this amount by 52: ______________.
Enter this value in the column above box 3 for that employee.

**FTE Reduction Exceptions:** Indicate the FTE of (1) any positions for which the Borrower made a good-faith, written offer to rehire an individual who was an employee on February 15, 2020 and the Borrower was unable to hire similarly qualified employees for unfilled positions on or before December 31, 2020; (2) any positions for which the Borrower made a good-faith, written offer to restore any reduction in hours, at the same salary or wages, during the Covered Period or the Alternative Covered Period and the employee rejected the offer, and (3) any employees who during the Covered Period or the Alternative Payroll Covered Period (a) were fired for cause, (b) voluntarily resigned, or (c) voluntarily requested and received a reduction of their hours. In all of these cases, include these FTEs on this line only if the position was not filled by a new employee. Any FTE reductions in these cases do not reduce the Borrower’s loan forgiveness.

**Boxes 1 through 5:** Enter the sums of the amounts in each of the columns.

**FTE Reduction Safe Harbors**
Two separate safe harbors exempt certain borrowers from any loan forgiveness reduction based on a reduction in FTE employee levels:

1. The Borrower is exempt from the reduction in loan forgiveness based on a reduction in FTE employees described above if the Borrower, in good faith, is able to document that it was unable to operate between February 15, 2020, and the end of the Covered Period at the same level of business activity as before February 15, 2020, due to compliance with requirements established or guidance issued between March 1, 2020 and December 31, 2020, by the Secretary of Health and Human Services, the Director of the Centers for Disease Control and Prevention, or the Occupational Safety and Health Administration, related to the maintenance of standards for sanitation, social distancing, or any other worker or customer safety requirement related to COVID-19.

2. The Borrower is exempt from the reduction in loan forgiveness based on a reduction in FTE employees described above if both of the following conditions are met: (a) the Borrower reduced its FTE employee levels in the period beginning February 15, 2020, and ending April 26, 2020; and (b) the Borrower then restored its FTE employee levels by not later than December 31, 2020 to its FTE employee levels in the Borrower’s pay period that included February 15, 2020.
