

King County

**Public Records Officers
Performance Reports Addendum
to the
Public Records Committee Annual Report**

2019

**Prepared by
Records and Licensing Services Division**

Executive Summary

The Public Record Committee's (PRC) annual report summarizes the activities of the committee for the previous calendar year, the digital communications technologies report, and the agency reports describing each agency's performance in responding to public records requests for those agencies who were able to compile their reports in February. Any agency performance reports received by the March 20, 2019 deadline, as per K.C.C. 2.12.300, are now being submitted as an addendum to that report.

Public Records Officer Reports

In 2017 Ordinance 18635 revised the PRC's reporting requirement to include the agency reports that describe each agency's performance in responding to public records requests. The Ordinance requires Public Records Officers to submit their agency's performance report to the Chair of the PRC by March 20th each year. This addendum includes the report from Elections, the Prosecuting Attorney's Office and additional information from the Sheriff's Office.

P019471-010818	Annie Le	I am seeking a domestic violence record nearly 5 years ago. I had made an emergency phone call to 911 from the GreenTree apartments located in SkyWay, WA in the evening time. I had my sister present while the altercation was between my son's father and I. The father was, Deshaun Kyree Sanchez and I am, Annie P Le, the victim of violence. Our newborn son was in our apartment in the event of the occurrence. My sister Amy P Le, was talking to law enforcement outside the complex while I was speaking to other personnel's inside my home. In result, the sheriff wanted to initially hand cuff me for DV but, my sister argued that I called for help and I was the one in danger. Later, the officer removed the cuffs and had the father escorted out of the property.	1/8/2018 14:51	Yes	1/9/2018 0:00	1/9/2018 7:43	0.708333	No Responsive Records

P019521-011018	Dr. Rose James	Received following request in response to prior request P019372-010318 in system. ***** Pursuant to Megan's Law, are there any registered sex offenders living on this property? If so, how could I get their names? The purpose of getting these reports is to make other residents aware of any and all danger or criminal activity around them, especially the women. For a "senior" complex, it is my belief that there are too many incidents. I will be returning to Atlanta in March 2018 to a less drug-infested area [i.e., where marijuana is NOT legal, there are no (drug) free needles and injection sites for addicts]. Also, the law-abiding residents would like to see the criminally-minded evicted; there might be more of a group effort to have the drug addicts, thieves, DV abusers removed from the property. Thank you in advance for your professional courtesy. Kind regards, LT Rose I. James, J.D.	1/10/2018 8:30	Yes	1/11/2018 0:00	1/11/2018 11:54	1.125	No Responsive Records

P019663-011718	Emma Rekart	I previously submitted a request for these records but wanted to clarify dates. I am looking for the police reports for 9 incidents, all involving Benito Villalobos (DOB: 12/21/1968). The first incident was a DUI arrest that resulted in a conviction on or about 3/7/2017. I believe the arrest occurred on or about February of 2016 but I am not sure of that date. The next five incidents resulted in 5 convictions for violations of a protection order on 8/16/2011. I am not sure when each of the five incidents occurred, but they all happened in 2011. There is also one incident that resulted in a DUI conviction on 8/16/2011. I am not sure when that arrest was made but I believe it was also in 2011. Lastly, there were two convictions on 9/9/2011, one for assault and one for "domestic violence" of some sort. I do not know when the incidents occurred but I believe they also occurred in 2011.	1/17/2018 13:10	Yes	1/23/2018 0:00	1/30/2018 9:46	12.833333	Full Release

I didn't think it'd be very helpful to give you a long list of addresses here. I don't know how King County's summary computer-aided dispatch system works precisely, but what I've seen of most logs is, typically, a call-by-call list showing time and date, address, nature of the call, and the like. P019838-012518	Celia Diaz	<p>Jesus Alberto Gonzalez Silva DOB 05/12/1978 was a victim of vehicular assault. He was in the parking lot outside of his apartment sitting in his car getting ready to drive off when suddenly a white male shattered Jesus car window. The reason behind this confrontation was because the parking spot where Jesus was parked at was supposedly the spot where the white male would always park. According to the victim the perpetrator moved apartment numbers so was no longer his spot. Jesus advised the apartment manager about the incident and the manager called a towing truck to move the white males car when parked in Jesus spot. The white male thought it was Jesus who called but it was the manager and the white male got ticked off so he shattered Jesus's vehicle. This scared Jesus a lot because he had his 1 year old daughter in the car when the windows were being shattered and this frightened the baby as well as Jesus. A police report was made that same day.</p>	1/25/2018 11:00	Yes	1/29/2018 0:00	2/26/2018 6:03	31.791666	Abandoned

This is necessary, because ICE has implemented a program that will make use of licensing plate information provided by Vigilant Solutions. Vigilant Solutions has partnered with law enforcement agencies and private companies across the country in order to provide this information. Because the State of Washington provides a higher level of privacy protection for its citizens, it is important to understand whether its citizens and residents are at risk of being tracked by ICE. P019928-013018	Heather Casey	I am looking to obtain a report for two incidents. The first happened on 10/27/2017 at approximately 7:09 pm a 911 call was placed for loud music coming from 22723 se 324th st, Kent, Wa. Deputy Bryn (not sure of spelling) contacted me at 7:50 pm and advised he was in the wrong location but was heading to the correct location. The second occurrence was on 11/18/2017 at approximately 8:30 pm a 911 call was placed for loud music again coming from 22723 se 324th st, Kent, WA and Deputy Bryn responded to that call as well. I spoke to him at 9:02 pm about the current and previous incident and he stated that he did make contact with them back in October and currently they had turned the music down to a decent level but if it increased again to call dispatch again. Deputy Bryn later called and left a voice message at 9:33 pm advising that he made contact as they opened their garage door and the music was loud again. I was not given a report or incident number however when Deputies Vang & Booguess responded to another noise complaint on 1/6/2018 they indicated that Deputy Bryn had made a report.	1/30/2018 11:38	Yes	2/5/2018 0:00	2/5/2018 14:47	6.125	Full Release

P019939-013018	Adrienne Houck	A police report filed on Thursday the 11th at 185th block and 99 Aurora in Shoreline wa at the Fred Meyer. The report would be about an assaulted that happened to an older gentle man by another guy, who also was harassing a female within the store just 45 mins prior. This happened about 7:30 so I suspect the officer wrote around 8 to 8:15. The man in question followed this lady and her two kids around the store taking pictures of the kids, trapping the women in different aisles and when asked to leave her alone he didn't. The security guard then let the man go and when he left the store attacked the older gentleman and robbed him in his car.	1/30/2018 18:52	Yes	1/30/2018 0:00	2/1/2018 8:57	1.583333	Full Release

P020002-020218	Holly Smart	On Jan 16th, 2018, my vehicle was towed illegally by a repossession company (Emerald City Recovery) that took the wrong vehicle. I filed a police report with Officer Lynch with the Sheriff King County Police around 6 am. My car was "recovered" on Friday, Jan 19th, 2018 by officer Rausch who found it in an impound lot responding to a different call. He ran the plates to find it was reported stolen and the towing company (ECR) sent supporting paperwork for the vehicle that listed a different car (color, year, license plate and VIN). Upon getting the vehicle back (4pm 1/19/18: towed to Ford Dealership for repairs) i was told I would be able to get a copy of all supporting paperwork for the illegal towing once the police report was finalized, reviewed and filed. I would like all information pertaining to this file and all information given to police from ECR.	2/2/2018 11:25	Yes	2/5/2018 0:00	2/5/2018 9:28	2.916666	Full Release

In order to be eligible for federally subsidized housing (HUD), an applicant cannot be required to register as a sex offender. Since the applicant's background report still shows the conviction, we need verification of his relief of the duty to register, since the applicant state he has been relieved of the duty. A police officer visited my residence in December 2017 to notify me that a car I previously owned, a 1997 Honda Accord with Washington license plate BDR7040 had been stolen. The car was actually sold by my father in May of last year, but a bill of sale was not submitted. As such, the Department of Licensing is erroneously showing that I was the owner of the car from June through December of last year. I have been unsuccessful in reaching the buyers of the car in order to submit a bill of sale so am attempting to find more information on what happened with the car.	2/12/2018 10:44	Yes	2/16/2018 0:00	5/29/2018 8:33	105.916666	Full Release

P020301-021518	Ian Sailing	To Whom It May Concern, Pursuant to the Public Records Act, RCW 42.56, the Law Office of Amy Muth, PLLC, hereby requests copies of any and all documents in the King County Sheriff's Office's sex offender registration file for Kevin J. Woodward (AKA Kevin J. Woodard), DOB 06/30/1985. This request includes, but is not limited to, any and all sex offender treatment records in Mr. Woodward's file. To facilitate this request, please find attached a medical release of information signed by Mr. Woodward. I further request that the above-referenced Public Records Request be disclosed in electronic format by email or on a CD or DVD, if possible. The Law Office of Amy Muth does not object to the redaction of witness names and identifiers. Agencies refusing to disclose records upon a PRA request "shall include a statement of the specific exemption authorizing the withholding of the record (or part) and a brief explanation of how the exemption applies to the record." RCW 42.56.210 (emphasis added). In addition, agencies refusing to disclose records must include a list of records withheld. As stated by the Washington Supreme Court in PAWS v. University of Washington, 125 Wn.2d 243, 884 P.2d 592 (1994): Silent withholding would allow an agency to retain a record or portion without providing the required link to a specific exemption, and without providing the required explanation of how the exemption applies to the specific record withheld. The Public Records Act does not allow silent withholding of entire documents or records, any more than it allows silent editing of documents or records.	2/15/2018 15:19	Yes	2/21/2018 0:00	2/21/2018 9:13	5.75	Full Release

P020342-022018	Maria Pintar	I am a domestic violence advocate and I am submitting this request on behalf of my client. We are looking for a copy of a police incident report from January 11, 2018. The Burien Police Department responded. It is our understanding that we can ask for a copy of the police report via the KCSO. This was an incident of domestic violence. The victim is LemLem Kiflemariam (DOB: 10/14/1983) and the suspect is Hariboy Wasse (DOB: 04/23/1978). We would like to use this to submit as part of a court case and the next hearing is on February 23, 2018. We know it is coming up quickly, but if we could get a copy of the report as soon as possible, that would be very helpful. Thank you so much! Because my client is low-income and a survivor of domestic violence, I would like to request that any fees associated with this request be waived. Thank you. I represent the 161st ARW, in which Mr. Paio serves as a drill status guardsman. When military members have issues with civilian law enforcement, there is often appropriate command action that needs to be taken and that is the reason for requesting the documents. I am requesting any information you have available on the member. Specifically, any police reports regarding the violations of the protective orders or any other information detailing the underlying factual basis for the violations. I have been in contact with the prosecutor, Lynn Moberly, who provided the attached complaints. Please reply by email to confirm you have received this email. P020402-022218	Ian Sailing	To Whom It May Concern, Pursuant to the Public Records Act, RCW 42.56, the Law Office of Amy Muth, PLLC, hereby requests copies of any and all documents in the King County Sheriff's Office's sex offender registration file for Henry Frank Wilkinson, DOB 06/18/1959. This request includes, but is not limited to, any and all sex offender treatment records in Mr. Wilkinson's file. To facilitate this request, please find attached a medical release of information signed by Mr. Wilkinson. I further request that the above-referenced Public Records Request be disclosed in electronic format by email or on a CD or DVD, if possible. The Law Office of Amy Muth does not object to the redaction of witness names and identifiers. Agencies refusing to disclose records upon a PRA request "shall include a statement of the specific exemption authorizing the withholding of the record (or part) and a brief explanation of how the exemption applies to the record." RCW 42.56.210 (emphasis added). In addition, agencies refusing to disclose records must include a list of records withheld. As stated by the Washington Supreme Court in PAWS v. University of Washington, 125 Wn.2d 243, 884 P.2d 592 (1994): Silent withholding would allow an agency to retain a record or portion without providing the required link to a specific exemption, and without providing the required explanation of how the exemption applies to the specific record withheld. The Public Records Act does not allow silent withholding of entire documents or records, any more than it allows silent editing of documents or records. Judy's son, Scott, and daughter-in-law, Erica. Their 3-year-old son, Nathan and 5-year-old daughter Olivia on December 24, 2007 in the small town of Carnation, Washington. We also would like a statement of why the law enforcement officers that were dispatched to the house after the frantic, screaming 911 call did not go beyond the gate and investigate the house. Although there was a sign private property, aren't Washington State LEO allowed to make a welfare check or search a property when there is a probable cause of a violent attack / murder? We make this request for a few investigative articles for our non-profit organization, Cold Cases Maps Inc, on how homicide cases are solved and all things involved during a homicide case. Our Organization's Consultants are LEO (Detectives) and we are way what we publish and how we publish. We can meet requests or conditions of your bureau. We prefer an electronic transfer of all the files. We request, since this is in the public interest for educational purposes and we, as non-profit organization, that all fees are waived. P020782-031218	Erin Broxson	<p>Hello. I am neighbors with Ralph and Susan Leaf in Mill Creek, Wa., and I purchased this home about 18 months ago. I have dealt with harassment since I purchased, and have been informed that the prior owner dealt with that for years and ultimately had to get a restraining order. I am in the process of getting a restraining and/or anti harassment order, but would potentially go further if I can illustrate years of character concern and similar actions taken against other people by Ralph and Susan Leaf. I am working with Snohomish County and the city of Mill Creek to get the same up here, but know that Ralph is an attorney in Seattle and that there have been cases against him in King County, and would love to get public records to help support my request for him and his wife to stop harassing me. If not I'm sure y'all will let me know. Otherwise what I'd like to see are the city of Kirkland police reports from the officers that responded to this incident, and also there must be some kind of summary or final report from King County Major Crimes unit. Case number is #2017-43770 but I don't know if this is the KPD case number or the KCSO case number. Here is link to entry from KPD website:</p> <p>http://www.kirklandwa.gov/depart/PD/online-resources/Police_News_Releases/Armed_Suspect_Shot_s5_p18374.htm Here is some text copied from KPD entry: As per established protocol and policy, the Kirkland Police Department requested the assistance of the King County Sheriff's Office. King County Major Crimes Unit arrived on scene and has assumed responsibility of this investigation. I have no idea how much effort this request involves. Does this request generate 1000 pages of info ? Does it only have 100 pages ? 25 pages ? I also have no idea how much effort this request will be for somebody to black-out/redact whatever privacy information is involved. Surely somebody besides myself has requested records about this incident. Maybe the Kirkland City Council ? If so maybe it won't take so much effort as it has already been packaged or whatever ? The date of this incident was December 19, 2017 but the date after all the reports were submitted & processed has to be several weeks or months past that. P020983-031918	miss Karla Vargas	On Tuesday 03-13-18 I made a 911 call late at night to report a violation for a protection order. I had a court hearing that morning and was told by the advocates to report that the respondent's sister had come to my house to speak to me about taking the order off for him. His sister happens to be my brother's wife and they came over on a Sunday afternoon as I was getting ready to go to church later. They came alone which was unusual because they always bring their kids. They came over and asked my parents to talk upstairs and me too. Once upstairs, his sister said "I am here because of my brother and the situation. We know of the charges he has." She then continued by asking me to take it off. She says her brother does deserve some punishment for what he did to me but for me to take the order off because he could get deported and nobody wants that. She told me the respondent said that he will give me the truck and everything I asked for in the protection order and even give me money if I want but to take the order off. I proceeded by telling her everything that her brother did to me and all of the abuse. I told her that the order was the only thing keeping me safe from him because the respondent knows how to get to me and manipulate me very easily. We continued talking for hours but she accepted it and thanked me for hearing her but apologized for her brother. This happened Sunday 03-04-18 I had made a report two days before for a violation and I did not call right away to Make this report because I was waiting to hear back from deputy Hamilton as I though this violation would be added to	3/19/2018 18:59	Yes	3/27/2018 0:00	4/12/2018 12:40	23.75	Full Release

P021108-032318	Valerie Vavrik	Police Report C18011797 made by Deputy Paul Thompson regarding fraud. Someone created a cell phone account with Verizon using my husband's name, Robert Mjelde, and an address that is not ours. The account was eventually turned over to collections when it wasn't paid. We just learned about this after finding it on our credit report. We have never used Verizon and do not recognize the address or the cell phone number. P021116-032318	Ms. HALLEY BYLIN	March 23, 2018 Friday. I had requested a King County Sheriff separately interview my son and me in regards to his father leaving our son in a public parking lot with no adult supervision approximately 30 minutes on February 20, 2018. This was a renovated gas station. The officer agreed that this needed to be documented since it was "highly inappropriate". It was concerning especially when he was left in the car with no instructions (lock the doors, stay in the car). My son leaves the car and says he was wandering around the place and was by the road at one point. My son tells me this incident right before going to bed on 3-22-18. I take my son to tell the police after school on 3-23-18.	3/23/2018 21:53	Yes	4/2/2018 0:00	4/2/2018 9:33	9.5	Full Release

P021123-032518	Kathy Dockins	03/21/2018, approximately 6:25am, a bus patron who was harassing me and others on the bus called 911 to report an assault, naming me as the suspect. While it was within Seattle city limits, because we were riding the D line (inbound to Downtown) it was apparently KCSO jurisdiction. I believe we were still on Elliott when he made the call, but KCSO deputies reported to Queen Anne Ave North, between the Mercer and John St stops (roughly across from Dick's). All other bus patrons had left at that point, including another gentleman who intervened and was subsequently threatened by the 911 caller (this happened prior to the call). I spoke with a deputy, as did the caller. Basically, I would like the CAD report and the police report if one is even generated. Primarily, I would like to see if I am named as "Suspect" or "Other" in the report, because as a civilian who has worked in the CJ system and intends do so again once my current private sector contract finishes this year, I just want to be aware of any records which include me before I start applying for jobs. P021199-032818	Valerie Vavrik	The police report I just viewed does not include the necessary information to get this fraud off our credit report. I requested that Verizon also be listed as a victim on this police report (as they are the other victim). The collection agency told us Verizon had to be also listed on the police report (not must mentioned in the narrative) to get this off our credit report. I asked Office Thompson to list Verizon as the other victim. Also, there was an address associated with this fraudulent account that is not ours, and that is not listed (18617 39th S, SeaTac). Officer Thompson was going to drive by and question any occupants at that address, but that is not mentioned on the report. He only mentioned calling the cell phone number (206-473-2393) which was already disconnected by Verizon for non payment. I also noticed that the police report was not certified (or signed and dated) at the bottom. We are willing to pick up the report in person if that is the only way to get a certified, signed copy.	3/28/2018 10:12	Yes	4/4/2018 0:00	5/15/2018 6:08	47.833333	Abandoned

I am working with Detective Doug Carlton #322 who has been copied on this email and can also be reached at 206-787-4086. I write today in effort of obtaining a case report that I believe exists from a situation in which King County Deputy Sheriffs were dispatched to my parents' address at 11011 19th Ave SW, Seattle, WA 98146 on or around the spring of 2003. My wife, Teanah Eirene Trolie-Colby, was the reporting party from her cell phone at 206-295-0882 or from my parents' landline at 206-246-6434. P021221-032818	Alycia Darlington	Beginning of January and at my mom's household, i had to call in a suicide which involved an unknown location of a gun. Ambulances and police were dispatched and we were asked to be away from the vehicle as Charles Bryant started to become difficult. He locked himself in his truck where he ran to the house where his son was asleep. He stayed inside, the gun was thought to be there. Once he had exited the building they attempted to bring Carla and I (Alycia) inside and Charles immediately darted to the house where 3-5 police officers tackled to him on our front porch. He was then taken to a psychological ward for evaluation.	3/28/2018 13:55	Yes	4/4/2018 0:00	4/4/2018 14:42	7.041666	Full Release

P021256-032918	billcole@gmail.com William Cole	Requested Documents: On or about June 17, 2017 the mother of my son (Carter Cole) Regina Jones (Cole) was issued a no trespassing order by the Sammamish Police (according to them that means the King County Sheriffs) stipulating that she not trespass on the school campus of Pine Lake Middle School. P021305-040218	Stephanie Pickering	<p>I was in a motor vehicle accident with my children just after 6pm on 2/20/2018. I would like a log and/or recording of any calls made regarding this accident, along with the police report, photographs, CAD report, and radio transmissions. We were stopped waiting to turn left into our driveway and were hit from behind by a driver going at least 50 MPH (actual speed unknown). After the accident I drove my broken car off of the highway to prevent any further accidents, found my phone, and called 911 initially at 6:11pm, and again at 6:17pm. I have already checked with the state and Norcom. Noncom said the call must have been received by King County, which is why I'm emailing you. The accident occurred at the 12600 Block of HWY 203 (Carnation-Duvall Road). Investigating officer was Matthew Mason. P021311-040218	Ms. Andrea Allen	Any police report filed by Greg J. Kirk and Hannah A. Kirk from the address at 1596 Stone Creek Circle SW, North Bend, WA 98045 between the years of 1/2011 - 12/2015. I am particularly looking for one where Greg Kirk initiated a report with Hannah and embellished a host of accusations and falsehoods such as a injured finger from trying to stop Hannah from barging into the home and a supposed physical taussel between Hannah and her mom that never happened because she never got inside the house, Greg never came inside and Emily Kirk who was present the entire time verified this and that is also in the report. The officer was stunned and perplexed as you can imagine. An officer came to our house on 7915 Cortland Ave SE, Snoqualmie, WA and the report made by Greg and Hannah was disputed and found to be inaccurate by the corroboration of witnesses present, namely sister and daughter, Emily Kirk.	4/2/2018 12:29	Yes	4/2/2018 0:00	5/22/2018 9:55	49.875	Full Release

Please help me obtain further information on King County Case # 80-1-00709-9; if you are unable to assist me, may you please connect me with the person who may. I have only been able to find the information below; however, I would like more information on Michael Darrin Cordes. I understand that Mr. Cordes was convicted of child rape in King County. How may I obtain more information such as: -age and gender of the victim - jurisdiction where the offense took place -terms of his parole or probation -where is he registered -restrictions upon him being around children -restriction of travel, etc. The reason why I am interested in this information is because Mr. Cordes came to our congregation this past weekend and presented himself as a Missionary to the Philipines and asked for support, but I heard he has a criminal record and I found the information below. We have boys and girls in our congregation and I believe that an ounce of prevention is worth a ton of cure. Thank you very much for your time and attention in helping us stay safe. P021409-040518	sonia Powell	Follow up to Public Records Request : P015363-061817, Public Disclosure Unit email dated 4/5/18. ----- This response, as it relates records regarding discipline and use of force, must contain records of unsustained investigations, or uninvestigated complaints. The conduct of your employees as it relates to my case (#517029100) and subsequent failure to investigate or actively conceal information illustrates why ALL records must be included for a complete respose. This is a good start. RE: Your questions. The KCSO Public Disclosure Unit requires clarification before moving forward with processing your request. Please confirm 1) If you would like records dating back to before the year 2009? And 2) If you would like to receive the file records/supporting documents for each of the investigations? Should you wish to receive installments of the file records/supporting documents for each the investigations, we estimate your request will be fulfilled by the year 2028. I will examine your spreadsheet and respond to you shortly. It should be noted, however, that I have been reachable by phone and to inspect in person to greatly narrow your search, for this reason your slow response and estimated fulfillment date of 2028 is absurd. This request is now made in both my capacity as a member of the public and of the media. I have no option to make both selections but believe there is a clear public interest in the conduct in this information. -Sonia	4/5/2018 13:44	Yes	4/12/2018 0:00	4/12/2018 9:19	6.833333	Duplicate Request

So i can give proper validation to the 3 major credit bureaus This letter is in reference to our previous phone conversation and your follow up email. Per my Lead for Public Disclosure Reports, because your report was made on-line (accepted because there was no suspect information) it will not be signed by a Deputy. Please make a new Public Disclosure Request asking for a CERTIFIED copy of this same report, referencing your old public records request number (P020328). This should help expedite your new request. P021857-042618	Todd Philbrick	Hello, My victim of the above listed case number Trina Griffin has been trying to get a copy of the police report for this incident. Reason being is the King County Housing Authority needs a copy of the report before they will repair her front door which was broken down during this incident. The case is still open, and she was told it couldn't be disclosed, but I believe that a copy of just the original incident report would suffice. With that being said could we streamline this and get the Incident Report Deputy Zielinski had completed sent through the disclosure process ASAP. And when it is done could I get a copy of it so I can immediately get it to Trina and the King County Housing Authority? If not could you point me in the right direction so as to get this done right away? P021955-050118	Ryan Wiles	<p>Hoover Law Group represents Mr. Changan Wu regarding an immigration matter. This follows the court disposition by the King County Superior Court of a 2015 criminal matter, in which we also represented Mr. Wu. This present matter before the US Immigration Court will necessitate that we provide certified copies of the police incident report along with any additional data pertaining to Mr. Wu's criminal incident from 2015, such as a certified copy of the King County case docket (which we are currently pursuing independent from this request.) We are thus requesting a certified copy of the King County Sheriff's Incident Report, case no: C15300582, prepared on 12/11/2015, by a Detective Priebe-Olson with KSCO. If this report happens to not be the general, original, or most relevant and substantive report associated with this criminal incident, we respectfully request certified copies of such materials along with this request.</p> <p>Lastly, it has been our firm's recent experience in these records requests (particularly with SPD and Seattle Municipal Courts) that we have been permitted to obtain these records with their production fees and certification waived, as such pursuit of records is related to an ongoing USCIS/immigration matter. We would appreciate if this courtesy may be considered and extended by King County Sheriff's Office relieving our client of additional costs in addressing his situation. Please feel to contact me at 206-613-3111 (ask for Ryan) if I can assist in effectuating this production. Thank you very much.</p>	5/1/2018 13:06	Yes	5/2/2018 0:00	5/2/2018 11:48	0.916666	Withdrawn

P021972-050118	Melanie Barrett	I made a call to police because my mother dumped a carton of milk on my head in 2003 or 2004. She of course made herself look like the victim when they arrived so there's probably a police report saying I abused her or something but in reality I was the one who called the police on her for dumping a carton of milk on my head because I was cooking my own Hamburger Helper (I'd bought my own ground beef and Hamburger Helper and milk to make Hamburger Helper for dinner and I was cooking it and she goes "I want to cook it for you!" and I said "No, I bought all these ingredients and I'm cooking it for myself." So she took the carton of milk and dumped it on my head. And then I called the cops and hid in my bathroom and waited for them but she saw them pull into our driveway and I didn't know they were there because I was hiding from her in my bathroom. So she saw them arrive and she acted like she had called them and she made me look like the bad guy. And of course the police sided with her because she's a pathological liar and she loves to play the victim and throw me under the bus.	5/1/2018 20:32	Yes	5/8/2018 0:00	5/8/2018 14:17	6.75	Full Release

I already have the police reports for an incident on 11/7/17 (KCSO incident report C17054639) so I do not need you to provide these reports. But again I would like all reports involving either individual prior to November 7, 2017 going to back to January 1, 1985. I only need the police reports for any incidents (or a summary of the incidents) and do not need any audio or video" I received records responsive to the above request. However, I understand there may be new additional documents related to KCSO incident report C17054639 that were not provided to me in my previous request, so I would like these new documents provided to me. I also understand that KCSO has recently investigated a crime allegedly committed by Liviu Dragomir (dob 6/11/1975) against a minor, possibly involving Whitney Elekes (dob 12/19/97) or Sandra Elekes (dob 12/10/98), who are both no longer minors but may have been a minor when any alleged crimes were committed. I understand possible charges have been referred to the Sexual Assault Unit of the King County Prosecuting Attorney's Office and also understand that once a report has been referred to a prosecutor for charging, it is no longer exempt under the PRA for investigatory purposes. Please provide any documents related to any crimes referred to the King County Prosecuting Attorney's Office involving Liviu Dragomir (dob 6/11/1975) . P022430-052218	Gary Ridgway Angela Hughes	Regarding the Gary Ridgway case beginning in 1982 and ending with his arrest in 2001. I have paid for and received a full copy of the case files from the outside party you all directed me to, however, I was wondering if there is any additional footage (not contained in those files) that might still be kept by your office. First and foremost, I would like to know if the police interviews with suspects Robert Matthias and Richard Carbone (who confessed to reporters that they were responsible for some of the GR murders in 1984 while in a San Francisco County Jail) were recorded (audio or video)? I read an article that stated a King County Detective Paul Smith (who happened to be vacationing in SF) would interview them. Second, we seem to be having an issue with the DVD from 8/26/2003. There is one clip on the DVD that is a field trip, and it comes up as 1 1/2 hours, but only the first 3 1/2 minutes will play. It's from tape 225F. In the transcript, the page we have is 5557, but 5558-5564 won't play. We have made numerous attempts to fix it but it could be a scratched disc or poor recording quality. The transcript does mention a recording issue on page 5573, but it is still transcribed, so at some point, this clip was playable. I just don't know who I should take that up with (kind of like my earlier request with the cassette tape) so I am addressing the issue with both your office and the vendor we purchased the materials from. Last, were any of the interviews with Gary Ridgway victim Rebecca Garde recorded (audio or video)? She was attacked in 1982 but didn't come forward until 1984/85 I believe. If so, I would	5/22/2018 11:29	Yes	5/29/2018 0:00	10/30/2018 13:59	161.083333	Withdrawn

P022432-052218	Ian MacDougall	<p>Dear Public Records Officer -- I'm a reporter at ProPublica, and I request: A spreadsheet, copy of a database, or similar record reflecting all attempted or completed robberies or burglaries involving a marijuana retailer, wholesaler, distributor, or transporter to which the King County Sheriff's Office responded between January 1, 2016, and the date of processing. As a member of the news media, I request a waiver of fees under WAC § 44-14-07005(1). I believe my request is in the public interest. It aims to show whether -- and to what extent -- changes the US Justice Department made to its marijuana enforcement policy in January 2018 may or may not have led to an increase in robberies and burglaries of businesses involved in the legal marijuana industry. If, as many stakeholders say, DOJ's decision has made banking more difficult for Washington state's legal marijuana industry, the greater cash on hand may have incentivized robbers and burglars to target that industry. It would be in the interest of the population of King County to know what effect the federal government's actions are having on crime in their county. If fees are assessed, please contact me if they will be greater than \$25. I should add that I'm also an attorney with significant experience litigating public records requests, including as a lawyer at The New York Times, and I'm happy to discuss any issues that may arise. P022497-052418	Hiromi Forgette	05/22/2018 around 6:30pm, I have called 911 as my upstairs neighbor Sean Fooks came over and banged my door at my condo. He and his roommates have been violating the HOA rules, and I reported all the violations to HOA. He started threatening me in text as well as reported to me to HOA with his untrue statement. I didn't not open the door to protect myself and my minor age son, and we stayed inside until 2 sheriff officers arrived. One officer spoke with me inside of my unit, and the other office spoke with Sean inside of his unit. Then I spoke with both officers inside of my unit. They recommended me file a protection order against him. The officers escorted me to my car parked outside so that I could safely leave my condo and head to my temporary resident.	5/24/2018 10:23	Yes	6/1/2018 0:00	6/1/2018 13:34	8.125	Full Release

P022794-060818	HOA Board Chairman Toni Zekes	Requesting for the HOA Board and Management confidential review. Working with our security staff captain, Sgt. Cory Stanton as he advised we could request a PDR. This incident had to do w/minors, alcohol at the neighborhood common areas and trespass. As a board we want to be educated further on this topic and be able to speak w/owners when they come to us for discussion regarding this matter. We've had 1 owner approach us already, but we do not have any paperwork to go on, just the advise that those involved were trespassed as needed. There were 3 board members on site of the incident who spoke w/officers, but were obviously only given brief details. None of the kids involved looked familiar. Any assistance on this matter would be appreciated. Either mailed, emailed or I could pick up documents. P023110-062218	Mr. Christopher Smith	Hello, I need my arrest record of my DUI arrest November 11, 2010 as well as my Blood Alcohol Content. I was eventually charged with a misdemeanor at the Seatac municipal court. I am currently an RN and applying to CA licensing. The state of CA have asked for "wet" arrest record and BAC (stamped/seal no copies). I am currently in Lacey, WA and am able to pick up the paper work, the sooner I get them the better. I would like to have 2 copies if this is possible one for my own records. Thank You, Chris	6/22/2018 19:51	Yes	7/2/2018 0:00	7/2/2018 10:42	9.625	Full Release

P023183-062718	Carol Manalo	June 26, 2018 Delano & Carol Manalo 1528 8th Street Bremerton, WA 98337 PRR18-233 Hi. Our car was stolen from the Best western hotel by SeaTac airport. When we returned from our trip on March 2, 2018 we reported it. Because the car was left in a handicap parking spot we received a ticket in the mail. Now we are getting notices from a collection agency regarding the ticket that we thought was taken care of through our insurance agency. I've been told by Harris and Harris collection agency that with a copy of the initial police report the ticket will be forgiven. I sent this initial request to the Seattle police dept. They referred me to the SeaTac police dept who told me to forward it to you. They gave me the tracking number of PPR 18 233. Thanks. I'm not sure what information you need. Our car is a 1995 Toyota Avalon sedan with WA plates of AQV7693. The VIN number is 4T1gb11e6su046383 We are the registered owners, Delano P Manalo and Carol B Manalo. P023282-070218	Mr. Charles Porter	My wife, Monica Porter, opened an investigation against me, Charles Porter, sometime around February of 2015. I was unaware of this investigation. I need any and all documentation around this investigation ASAP, as I am currently in the process of a Hague application for my wife's in-progress International Parental Child Abduction. A delay in resolving this situation are her many unfounded claims, which I recently discovered were apparently investigated repeatedly by KCSO and CPS, and found to have no merit. I received similar documentation for a CPS report from the same time frame, but needed to have Congressman Dave Reichert's office take action to have it expedited. If I need to do the same thing here, please let me know.	7/2/2018 15:52	Yes	7/10/2018 0:00	7/10/2018 9:14	7.75	Full Release

On 04/11/2018 Deputy Justin Dear visited at sometime around 11 pm to ask if he could watch the security video from our restaurant. I let him in and pulled up the video that he wanted to watch. Deputy Justin Dear was doing an investigation about a man who had had a car accident because he presumably, was driving drunk with some minors in his car. Deputy Justin Dear came to JIB because the person in question had bought food from our restaurant minutes before the accident. He asked if I remembered speaking to that person and I informed him about what happened when he came to our Drive Thru. We were able to find the person that he was looking for on this investigation. I was then requested a hard copy of the security video (Date: 04/10/2018. Time frames: 11:00 pm to 11:06), which I was able to provide a few days after as soon as I received it from our corporate office. Deputy Justin Dear asked for my name and DOB and I provided these to him. I helped identify and provide information and evidence on this investigation so I would like to request a copy of this police report. I got this information from him, just for your reference. Deputy Justine Dear 206-910-8146 Justin.dear@kingcounty.gov My phone number is 4253993529 My email is navagj@hotmail.com Clarification. P023350-070618	Jeremy Gregory #393641	To whom it may concern: I was arrested on July 31, 2015, after being pulled over on Meridean Avenue North in Shoreline, Washington. My van was impounded on the same day, and I was informed by my mother that it was auctioned off less than a month later while I was sitting in King County Jail in Seattle. I never received the notice that it was being auctioned off so I didn't have the chance to have someone get it before it was sold. It was a white 2005 Dodge Grand Caravan modified with a wheelchair ramp and hand controls, was registered in my name and would be under my case number 15-1-05151-9 SEA. I am writing to ask that you please tell me when and to what address the notice that my van was being auctioned went, and when and where my van was sold, and for how much it was sold for, and who bought it (if you have that information). Please also send me a copy of the notice. Thank you for your attention in this matter. Sincerely, Jeremy Gregory	7/6/2018 14:11	Yes	7/13/2018 0:00	9/17/2018 9:13	72.791666	No Responsive Records

P023396-071018	Mrs. Kristina Wurdinger	I was a victim of domestic violence on multiple instances when I resided at 25307 62nd Ave South, Apt Q103, Kent WA (if I recall the address properly) during the timeframe of June 2013 to August 2014. I am requesting any records helpful in proving the abuse I endured as I have an upcoming court date of July 18, 2018. I was never able to call police myself for intervention, but I am not sure of how many times our neighbors may have called. Once, police and I think firefighters (EMS) responded, I am very thankful as I truly needed intervention. If there are any records I might receive to help my case I would appreciate it, thank you and I apologize for not being able to submit this request sooner.	7/10/2018 10:41	Yes	7/10/2018 0:00	7/18/2018 17:28	8.291666	Referred to Other LEA

P023435-071218	Leslie Dorrell	Last night at about 11 pm I requested that a sheriif/deputy come to my house for harassment problem from neighbor that occurred at 10pm. A truck was driven down their driveway dragging an object with the intent of spooking my horses and harassing me. Deputy Matthews arrived around midnight. We did not communicate well at all and he doubted that this occurred and was argumentative and asked me many inappropriate questions about topics such as my sleep/wake schedule, my diet, if I am on an "mental meds", etc. I was very unhappy with his attitude and did not feel he was helpful at all. I and my horses are being harassed by teenagers. At one point he shouted at me that if I harass my neighbors I'm going to jail. I was shocked at his behavior on many levels and he was difficult to have a civil discussion with. I have never encountered such a rude deputy before.	7/12/2018 7:35	Yes	7/16/2018 0:00	7/16/2018 9:22	4.083333	Full Release

P023471-071318	Lance King	Berk and Associates has been hired by the City of SeaTac to examine if there are any opportunities to improve the effectiveness and efficiency of SeaTac's law enforcement services. Berk has hired me to help with this project. I need the following information from IAPro and hope you can help me with this request (I'm contacting you with this request, because when I was with KCSO I was the one who would provide this type of information): 1. The number of IIU complaints filed against KCSO SeaTac employees, broken down per year, between 2008 to present (I can't remember if IAPro started in 2008 or 2009. If it was 2009, then feel free to only go back to 2009). 2. How many of the complaints were internally generated and how many were externally generated? 3. What were the resolution of the complaints (i.e. how many were sustained, non-sustained, NIM's, SAL's, exonerated, etc.) I know you're probably swamped with work, but if you could please send me this information within the next week or two, I would greatly appreciate it. It shouldn't be very time consuming as IAPro automatically breaks down the complaints by location, by internal or external and lists the resolution (i.e. 23 sustained, 43 non-sustained, 17 exonerated, etc.). If you aren't the one who now provides this information, please let me know who to contact. P023491-071418	Mr. Paul Crownover	<p>Hello. I understand from the Kirkland Police Department that prior to the annex of a part of Kirkland the King County Sheriff's Department responded to calls in the area that was annexed prior to the annex and has the records of the responding officer. I am trying to locate the report on the death of my brother, James Andrew Crownover, who died at home at the address of: 8054 NE 123rd Street, Kirkland, WA 98034. There are many unanswered questions surrounding his death, and as his only full sibling (our 1/2 sibling are significantly older) I am the only one who grew up with him, new his patterns, followed his criminal activity, and can look at the officer's report and see patterns that no one else can that may provide some answer. Therefor, I am requesting all records regarding James Andrew Crownover, and the above address, for the period of October through December of 2007.</p> <p>If you have any questions or need additional information, please let me know. Thank you for your assistance in hopefully answering some very baffling questions surrounding his death. Paul Crownover</p>	7/14/2018 9:27	Yes	7/16/2018 0:00	9/7/2018 10:58	55.041666	Full Release

P023674-071918	Chris Lau	<p>I'd like to get any reports made by my neighbors residing at 7535 S. Sunnycrest Rd, Seattle. They are well known in the neighborhood for filing erroneous police or county reports/complaints. He called the police on the previous owner of my house when the PO tried to cut his own bushes. This resulted in the P.O. paying for a survey which clearly indicated the property line and the bushes were his. Examples of other complaints: Calling the cops on the P.O. as their dog periodically barked and would injure their unborn child due to the noise, complained about our roads being improved, a telephone line being fixed, our side sewers being repaired (as the work all disturbed him), me working on my improving my house on the weekend (during normal hours), laying new bark, having a gazebo and hottub, having a stump in my back yard, etc. I recently chopped the overgrown bushes which are now my property. Although presented with the survey report his response was a 5 page manifesto/novel about my supposed transgressions and he states that "it's only my opinion about ownership of the hedge and he's going to check up on the matter" . Frankly, I'm not sure what he can do as it's been survey'd as being legally mine but I fear this won't stop him from filing some report or some such. My intention is to establish a pattern of behavior and any records as now I believe he is going to escalate this. Please contact me if you have any questions. I need these ASAP for an immigration gearing (wife has been denied permanent status because of my offenses and we are appealing that denial).</p> <p>Previously the immigration authorities indicated that my application was missing some documents, though they fail to elaborate or communicate as to what documents are missing.</p> <p>Though I have previously asked for information from the Police Department Public Disclosure Unit, I was unaware that the Sheriff's department had such a unit. Please send me via email/pdf as many documents as you may have. I am a level 3 sex offender. My court case is #07-01-04412-1. My BA# is 208007328. If I can't get this material by Monday, July 23rd, we will lose our case and any chance for permanent status will be gone. I know this is not your fault, but we haven't been able to afford a full service attorney, so haven't always known where to go to get these kinds of documents. I have worked on hard on my recovery, my wife has been fully aware of my offenses since we began dating, and we deserve a chance to live here in peace. P023691-072018	Brian Barnes	I had done a request to KCSO regarding a request to preserve electronic devices and correspondence for John Uruqhart and Chris Barringer prior to their departure. I was told that the devices were downloaded and that as of this date I have not received any of the work related material. In past investigations the former sheriff did provide texts so it is clear that he used the device for work on a regular basis. Would it be possible to have the tech people check the e-mails on the KCSO server that would show his IP address from his personal phone so we are sure all the public disclosure that has been asked for is being produced? The KC snapshot back up would capture all of this information so it will definitely let us know if any work related e-mails are being withheld. Can you also check all KCSO phones, both present and those no longer active, for text messages going to or from 206-919-1959. P023893-073118	Olive Law Northwest PLLC Kyle Olive	This is the second request for documents related to this incident report. On July 16, 2018, I requested the following information related to Case No. C1803114: "Please produce all records related to case no. C18031144, including photographs, written reports and other documents. C18031144." On July 23, 2018, I received two audio files and 2 CAD reports/messages. No photographs were included. I have since reviewed a "Uniform Washington State Tow/Impound and Inventory Record" relating to "Case/Evidence Number C1803144". Attached. In the "Narrative or Diagram" portion of this form, it states as follows: "7/13/18 at 1230 hrs, I found this 1994 Chev pickup parked and blocking the residential mailbox at 10319 SW 110th St. It was 5 feet away and partially on the travel portion of SW 110th St, fully blocking access to the mailbox by the USPS driver. This is near the North end ferry terminal and a common problem for the resident's [sic] of this neighborhood. Per the Vashon Postmaster Jennifer Grimm, 15 feet of room is required either side of residential mailboxes, or the driver is authorized to skip delivery that day, until next time if it's clear then. I took two digital photos for the Tow Coordinator. Impounded under KCC 46.04.060 K. Unable to locate number to R/O VIA IRIS." I further request that the above-referenced Public Records Request be disclosed in electronic format by email or on a CD or DVD, if possible. The Law Office of Amy Muth does not object to the redaction of witness names and identifiers. Agencies refusing to disclose records upon a PRA request "shall include a statement of the specific exemption authorizing the withholding of the record (or part) and a brief explanation of how the exemption applies to the record." RCW 42.56.210 (emphasis added). In addition, agencies refusing to disclose records must include a list of records withheld. As stated by the Washington Supreme Court in PAWS v. University of Washington, 125 Wn.2d 243, 884 P.2d 592 (1994): Silent withholding would allow an agency to retain a record or portion without providing the required link to a specific exemption, and without providing the required explanation of how the exemption applies to the specific record withheld. The Public Records Act does not allow silent withholding of entire documents or records, any more than it allows silent editing of documents or records. Failure to reveal that some records have been withheld in their entirety gives requesters the misleading impression that all documents	8/8/2018 10:45	Yes	8/15/2018 0:00	8/15/2018 9:43	6.958333	Full Release

P024451-082418	Marta O'Brien	Greetings: Our firm represents the Estate of Wardell Sims. On behalf of his estate, we hereby request that you produce all records regarding Mr. Sims and all documents related to his incarceration at the RJC in June 2017 and his death on June 16, 2017, including, but not limited to: any police reports and investigation records; any recorded or written statements taken from witnesses, victims and the defendant; medical records; WSP lab reports; photos and videos; and 911 calls. I am enclosing copies of the Letters of Administration issued by the Pierce County Superior Court and releases. This request is sent pursuant to the Public Records Act ("PRA"), RCW 42.56. The law, at RC\V 42.56.520, calls for a response within five business days. As you are likely aware, the PRA is liberally construed by the Courts, and its exemptions are narrowly construed in favor of disclosure. O'Neill v. City of Shoreline, 240 P.3d 1149, 1153 (2010). See also, Seattle Times v. Serko, 243 P.3d 919 (2010). An agency withholding or redacting any record must specify the exemption and give a brief explanation of how the exemption applies to the document. RCW 42.56.210(3); Sanders v. State, 240 P.3d 120, 130 (2010). Improper redaction, unjustified withholding, or undue delay in producing records may result in a lawsuit and resultant monetary penalties, costs, and attorneys' fees being awarded against your agency. RCW 42.56.550. Thank you for your assistance in this matter. If there is anything I might do to expedite this request, or if you have any questions, do not hesitate to call. P024501-082818	Amanda Misasi	Re: Muslim Woman Attacked on a King County Metro Bus Seeks Justice Dear Chief Jutilla: The Council on American-Islamic Relations, Washington (CAIR-WA) is a branch of the nation's largest American Muslim civil liberties organization. CAIR-WA was recently informed that on Sunday, August 12, 2018, Jemaya Hussein—a young, Muslim, hijabi woman—was attacked while riding a King County Metro bus. The following is a brief description of the incident. At or around 9:30 a.m. on Sunday, August 12, 2018, Ms. Hussein and a non-Muslim friend boarded King County Metro route 7 to commute to work. Shortly after the two boarded, another woman boarded the bus and began making eye contact with Ms. Hussein. The woman then moved from her original seat in the front of the bus toward the back of the bus where Ms. Hussein and her friend were seated. The woman approached Ms. Hussein, tried to steal her phone, and began yelling when Ms. Hussein managed to retrieve her phone from the woman. Ms. Hussein then attempted to move to the front of the bus and ask the driver for assistance; however, the woman followed Ms. Hussein, grabbed her, and ripped off her hijab, leading Ms. Hussein to loudly and repeatedly yell for help. The woman continued to try to pull Ms. Hussein off the bus at a scheduled stop but Ms. Hussein was able to stay on board. The woman finally released Ms. Hussein, put on her hijab, and exited the bus. At this point, a witness informed the bus driver of the incident and called the police. Ms. Hussein was emotionally distressed and feared for her safety; she also felt ashamed	8/22/2018 8:30	Yes	8/29/2018 0:00	9/28/2018 9:57	37.041666	Full Release

The case should be still open, based on the last phone call I received from Sheriff Greiert. Case # 15290252. We lost our home safe in that burglary. All of our legal documents were in the home safe. We tried to replace all of our documents, and only one document we have been had hard time -- the green card of my son, Hanfeng Jiang. Now he is a US citizen with my naturalization. However, because he is no longer eligible for green card as permanent resident, he has no green card. His Canadian passport is brand new with no tracking history. We need to provide the passport office to show that his passport was lost in that burglary. I remember to provide Sheriff Greiert the list when we reported. P024637-090518	C. Edgar	Sept. 1, 2018 To the King County Sheriff's Office; Burien has a Facebook page named Take Back Burien and it is managed by a man named Wade Pennington. This page is frequently the site of hateful speech and encouraged violence against some Burien residents and Mr. Pennington allows this information to stay up on the page even when it is not supported by fact. Frequently a group of hate monger followers appears on this page to claim that some residents of Burien are Nazis, Neo Nazis, White Nationalist and White Supremacists, etc. Some of Mr. Pennington's followers urge followers of his page to vandalize these resident's business properties, to spread false harmful and hateful information about these residents, to threaten these people's safety in the community and to publicly shame them. The rationale that the Pennington followers use for why this should be done to these people is that the Southern Poverty Law Center (SPLC), the King County Police and the King County Council formally identified these residents as Nazis, Neo Nazis, White Nationalists and White supremacists. However in my correspondence to SPLC, the Center has provided no documentation that they ever identified any of the below listed persons as members of the above listed groups. However because your agency has been called out by the Take Back Burien hate group as having formally identified these people as Nazis, Neo Nazis, White Nationalists and White Supremacists, I am making a Public Information Request of your agency. P025004-092518	Director of Administration Vicki Denning	We are asking for the mug shot of Steven B. Baumgarten (phone 206.747.3033), who has entered and/or called our business on multiple occasions and after learning that Mr. Baumgarten had been charged several times with trespass and assault we were concerned enough to have hired armed security on two separate occasions in order to provide protection for our staff and visitors. I had previously filed a report with SPD (18-266112) and the investigating officer indicated that there was a mug shot on file for this individual that would be provided to us, but never was. I learned later that we needed to make a public records request, which I have done with the City of Seattle and they recently reported that the records belong to the King County Sheriff's office and my request needed to be submitted to you. We have security cameras in our building, but the image captured is not good and unable to provide as assistance for our building security to be able to be on the lookout for the individual. We would be able to be more proactive about identifying the subject prior to him gaining access to our space if we had a better image for security personnel to use.	9/25/2018 8:53	Yes	9/25/2018 0:00	9/25/2018 10:15	0.083333	Referred to Other KC Agency

P025065-092818	Ms Shelley Williams	Need a copy of the Police Report taken by an officer at my home this week, Monday September 24. I had already filed an incident report online regarding Identity Theft which has negatively affected my credit score. A woman using my name and SSN opened an account with Southern California Natural Gas for an apartment in Chico, Ca. I was notified by Lifelock that the account had gone to collection. The vendor (SO CAL Natural Gas) will NOT accept the incident report -- only a Police Report from an officer. You kindly sent an officer to my home at 8936 SW Harbor Drive in Vashon to take information for a Police Report as a followup to my original incident report. I waited a few days (as he suggested) to request the report. I need to send it on and clear my name with this utility. P025182-100418	Stephen Crane	King County Sheriff: Our office represents Ms. Marwa Alsamach, whose vehicle was hit while stopped at a stop sign on September 6, 2018 at around 2:45 PM by a van driven by Frederick Justin Wildhaber. Deputy Richard Dosio was called to the scene, and met with the parties. Mr. Wildhaber admitted liability (which was obvious) and, apparently, based on that no citation was apparently issued to Mr. Wildhaber by Deputy Dosio. Mr. Wildhaber now denies liability. We would like to get any incident or other report that may have been issued, or notes kept, by Deputy Dosio, based on his coming to the scene of the collision. I do not have an incident number, unfortunately. Thank you in advance for any assistance. If there are no records, then I would like to speak with Deputy Dosio at his earliest convenience. P025189-100418	Justice for Raiden Sara Martinez	My son fell off his bicycle while with his father and grandmother, seriously injuring his face and mouth on 9/30/18. No one informed me of the accident but what's even worse is that no one sought any medical treatment for my son. He was suffering for hours before I picked them up at Northgate Mall at 7pm and when I asked their dad why they didn't seek out medical treatment for my son, I was told "you can take him to the ER if you feel like it." I took him directly to children's in Seattle where he was evaluated by 2 ER doctors and an ER dentist who took radiographs for fear of facial/jaw fractures and to check the viability of all his affected and bloodied front teeth, which were pushed up into his gums and adult teeth on impact and he will likely lose all of them prematurely now. He was so painful by 10pm that he required narcotics to ease his suffering and allow him to sleep. The police and CPS were called and reports filed with both agencies from the hospital.	10/4/2018 17:28	Yes	10/11/2018 0:00	10/11/2018 13:47	6.833333	Full Release

P025253-100918	Kristie Cathcart	Requesting the police report filed against me from Christine Marie Peterson alleging assault against my niece, her daughter, Lyla Jo Peterson, on 9/14/18. Case report number 18-6061. Officer Perry took my statement on 9/18 after the reporting date of 9/17 and I emailed my statement to him. The allegations are false and Christine has been trying to build a case against Lyla's father to deny any visitation. He has a court date set for 10/26 to reply to a modification to a parenting plan and also has to respond to an exparte restraining order filed under false pretenses. The official record of the false report filed against me would really help in this matter. Thank you.	10/9/2018 10:01	Yes	10/16/2018 0:00	10/16/2018 9:12	6.958333	Referred to Other LEA

This request includes, but is not limited to, any and all sex offender treatment records in Mr. Williams' file. To facilitate this request, please find attached a medical release of information signed by Mr. Williams. I further request that the above-referenced Public Records Request be disclosed in electronic format by email or on a CD or DVD, if possible. The Law Office of Amy Muth does not object to the redaction of witness names and identifiers. Agencies refusing to disclose records upon a PRA request "shall include a statement of the specific exemption authorizing the withholding of the record (or part) and a brief explanation of how the exemption applies to the record." RCW 42.56.210 (emphasis added). In addition, agencies refusing to disclose records must include a list of records withheld. As stated by the Washington Supreme Court in PAWS v. University of Washington, 125 Wn.2d 243, 884 P.2d 592 (1994): Silent withholding would allow an agency to retain a record or portion without providing the required link to a specific exemption, and without providing the required explanation of how the exemption applies to the specific record withheld. The Public Records Act does not allow silent withholding of entire documents or records, any more than it allows silent editing of documents or records. P025292-101018	Request for unredacted Probable Cause Affidavit supporting 03.20.18 warrant Cory Bober	In the Fall of 1986, then "King County Police" Major Crimes Unit / Green River Task Force Capt. Frank Adamson who commanded the Green River Task Force, discovered personally when he entered the King County Police Property Room one day that the evidence in all of the then unsolved Green River Murder Cases, as well as much evidence in other unsolved criminal cases pending investigation and prosecution, had "broken seal" and as a result all of the evidence was declared to be "compromised." The evidence tape used to seal the evidence in the property room was discovered to have fallen off or came off of most evidence packaging within the property room which had been packaged in the prior 4 years and up to the date it was discovered. Capt. Adamson found the evidence in the property room in the Green River Case/s was in complete disarray and had popped open and fallen apart, evidence was on the floor which had fallen from compromised packaging and evidence was found to be laying exposed in the property room which had come out of or fallen out of it's packaging and which all broke seal. The majority of the evidence - most of the Green River case evidence packaged in the Property Room up to that point of discovery - was found to have broken seal and was thereby comprised adn could no longer be used in a court of law, which Adamson declared in a written report he personally authored adn filed in this matter in the Fall of 1986. An internal King County Police report was filed by then King County Police Capt. / Commander Frank	10/10/2018 10:08	Yes	10/17/2018 0:00	12/21/2018 7:58	71.875	No Responsive Records

P025326-101118	Request for unredacted Probable Cause Affidavit supporting 03.20.18 warrant Cory Bober	Sometime between 2002 - 2003 and as part of the Green River Gary Ridgway investigation, then King County Sheriff's Det. Tom Jensen investigated a possible forensic connection between Ridgway and missing 14 year-old Misty Copsey (still missing) who was last seen in Puyallup, WA 09.17.92 and never found. For all forensic microscopic evidence comparison and / or forensic evidence examination in the Green River Murder Case post 11.30.01 and concerning Gary Ridgway as suspect in that case after his final arrest by the KCSO, Det. Jensen employed a private forensic laboratory in Elgin, Ill. known as "Microtrace Labs" to perform all of his requested forensic work he needed done to prepare for Ridgway's criminal trial / prosecution in the Green River case. Det. Jensen knew Copsey's clothing was found 02.07.93 on the side of Highway 410 in S. King County, WA and positively identified by her mother Diana Smith at the time it was discovered on-scene. Jensen knew since 1993 that Copsey's found clothes and all evidence found on them had been and in 2003 were still in the King County Sheriff's Property Room being held as evidence found in King County in her case. Det. Jensen was well aware of the fact that 'ed paint chips' (at least 5 or 6) were found on Misty Copsey's clothing during a forensic examination done by the WA State Patrol Crime Lab in Seattle, WA in 1993 of Copsey's clothes which had been done done at the request of Det. Jim Doyon of the KCSO in 1993. just after her clothing was found. Sometime during 2003 most likely, Det. P025443-101618	Mr. Nick Adrian	<p>Hello, I am seeking any records of the following case. In April 1991, King County Sheriffs responded to a 911 call from a woman from North Carolina. We feature different true stories from history. We would like to tell the story of King County Sheriffs and coroner solving this strange case. We would potentially like to feature the badges on display in the photo as seen here:</p> <p>https://www.kingcounty.gov/depts/sheriff/about-us/remembrance/badge-display.aspx Can you please confirm the location of the display of badges? P025459-101718	Ian Sailing	<p>To Whom It May Concern, Pursuant to the Public Records Act, RCW 42.56, the Law Office of Amy Muth, PLLC, hereby requests copies of any and all documents in the King County Sheriff's Office's pertaining to Andee Liljegren, DOB 11/07/1998. This request includes, but is not limited to, incident reports, follow-up reports, other reports, and notes. The Law Office of Amy Muth does not object to the redaction of witness names and identifiers. Agencies refusing to disclose records upon a PRA request "shall include a statement of the specific exemption authorizing the withholding of the record (or part) and a brief explanation of how the exemption applies to the record." RCW 42.56.210 (emphasis added). In addition, agencies refusing to disclose records must include a list of records withheld. As stated by the Washington Supreme Court in PAWS v. University of Washington, 125 Wn.2d 243, 884 P.2d 592 (1994): Silent withholding would allow an agency to retain a record or portion without providing the required link to a specific exemption, and without providing the required explanation of how the exemption applies to the specific record withheld. The Public Records Act does not allow silent withholding of entire documents or records, any more than it allows silent editing of documents or records. Failure to reveal that some records have been withheld in their entirety gives requesters the misleading impression that all documents relevant to the request have been disclosed. Moreover, without a specific identification of each individual record withheld in its entirety,</p>	10/17/2018 13:09	Yes	10/23/2018 0:00	1/10/2019 11:17	84.916666	Full Release

P025586-102318	Marisa Angrisano	Case # SC18046033 Incident Date: 10/22/18 Reported by: Timbercrest Middle School Time: Approximately 10am Deputy Matthew Salvadalena responded Description: My daughter, Anna Bella Angrisano, is a student at Timbercrest Middle School in Special Education Services. After a flashback and physical restraint caused her to have a meltdown, she eloped from school. The responding deputies located her in the woods and returned her safely to school. In addition to a copy of the police report, I would like to find out if it's possible to create a child profile for Bella. We live in Bothell and were able to create one for my children here, so I'm hoping you have a similar program. Lastly, I would like to find out what your policy is regarding approaching, communicating with, and arresting children with special needs. One of my concerns is that a deputy told Bella that if she was 14 years old she would have been taken to juvenile hall and arrested. Given the situation, the severe trauma caused by violent sexual and physical abuse at school, which is what triggered the flashback, as well as her special needs, I'm hoping we can come up with a more appropriate situation that would ensure the safety of her and others, as well as avoiding further trauma, and one that would help build rather than remove the trust she has in law enforcement.	10/23/2018 15:18	Yes	11/14/2018 0:00	11/14/2018 15:52	22	Full Release

P025711-102918	Christine Demyon	My daughter recently took her own life and we are trying to get information so we can make some sense of this. It is my understanding that her mother, Diane Jackson, was approached in 1998, I believe, regarding a molestation case. It was my understanding that a neighbor had been accused, and eventually convicted, of molesting several children in the neighborhood. My daughter was one of his victims. I do not know the exact details, such as date, name of offender, etc, but am hoping you can obtain the requested information with just my daughter's 3name. If available, I would like the police/incident reports and any court records regarding the case. If this is a duplicate request, I apologize, I did not receive email confirmation that my request was submitted.	10/29/2018 18:08	Yes	11/6/2018 0:00	11/26/2018 15:15	27.875	Referred to Other LEA
P025712-102918	John Riley	I was interviewed on October 23, 2018 by an officer of the Sammamish Police, whom I believe are under contract with the City of Sammamish and are Officers of the King County Sheriff's department. This interview occurred over the phone from 12:14 PM to 12:26 PM. The interview occurred based on a conversation they had with my wife after she saw me unload my truck of various belongings, including a shotgun. The shotgun was brought home from our home in Winthrop WA so I could join a friend of mine and some of his co-workers to shoot trap &/or skeet the next weekend. From what I understand, my wife contacted the Sammamish Police with a concern over my mental condition and that I may use the gun for suicide. She also commented on a number of personal issues, that in hindsight I would not have answered when the police were questioning me. They are trained to ask questions and it put me at a disadvantage in maintaining my privacy. P025847-110118	Ian Sailing	To Whom It May Concern, Pursuant to the Public Records Act, RCW 42.56, the Law Office of Amy Muth, PLLC, hereby requests copies of any and all documents in the King County Sheriff's Office's sex offender registration file for Daniel Laurin Dudley, DOB 05/16/1968. This request includes, but is not limited to, any and all sex offender treatment records in Mr. Dudley's file. To facilitate this request, please find attached a medical release of information signed by Mr. Dudley. The Law Office of Amy Muth does not object to the redaction of witness names and identifiers. Agencies refusing to disclose records upon a PRA request "shall include a statement of the specific exemption authorizing the withholding of the record (or part) and a brief explanation of how the exemption applies to the record." RCW 42.56.210 (emphasis added). In addition, agencies refusing to disclose records must include a list of records withheld. As stated by the Washington Supreme Court in PAWS v. University of Washington, 125 Wn.2d 243, 884 P.2d 592 (1994): Silent withholding would allow an agency to retain a record or portion without providing the required link to a specific exemption, and without providing the required explanation of how the exemption applies to the specific record withheld. The Public Records Act does not allow silent withholding of entire documents or records, any more than it allows silent editing of documents or records. Failure to reveal that some records have been withheld in their entirety gives requesters the misleading impression that all documents relevant to the request have been disclosed. P025880-110118	Request Case #C18045958 Kristine Kleinsmith	case #C18045700 On Friday 10/19/18 around 2:30pm I called to report a car vandalism. Police Officer Rene D'Abreu responded to my call at around 3:15pm. A 2010 Ford Focus parked directly in front of my house at 21229 SE 35th Way, Sammamish had been keyed on all 4 panels of the passenger side. This most likely occurred between the hours of Thu 10/18/18 9pm and Fri 1/19/18 2:15pm when I noticed the scratch upon returning home. The car had a For Sale sign in the side back driver-side window. case # C18045958 On Sunday 10/21/18 around 7:30pm I called to report a car vandalism, again. Police Officer Dale Roberts responded to my call at around 8:30pm re: vandalism to a 2010 Ford Focus that was parked on 212th Ave SE near SE 35th Way in Sammamish. The car had been parked legally on the side of the road with a For Sale sign in the window from 12:15pm to 7:15pm. When I went to move it back home at 7:15pm, I discovered that someone had keyed all 4 panels of the passenger side - again, as well as all 4 panels of the drivers side, and the trunk, and had slashed the front and back passenger tires. I have since learned of 3 other people who have had their cars keyed on 212th in the last 4 months, two in the last month. I would like to collect this information and provide it to the sherrif's department as there appears to be a serial car keyer/tire slasher living in my neighborhood.	11/1/2018 15:27	Yes	11/8/2018 0:00	11/29/2018 15:16	28	Full Release

P025891-110218	Cherise Bintliff	<p>I am looking for a police report and a CAD report, both associated with my name according to the KCSO in Maple Valley. The police report details my concern over the possibility of a major crime having occurred in that home. I am unsure what the CAD report is in reference to. I have made several calls to 911 in the last couple months. I am only aware of that particular CAD report because I was given the reference number in Maple Valley office yesterday. I am in the middle of a very ugly custody dispute with my abusive ex. I am trying to establish an order of protection with the intent to stop harassment and stalking and to take custody of my son. Obtaining these reports is an imperative part of that process for me. If you have any capability of rushing these reports, I would be incredibly grateful. P025921-110218	Ian Sailing	To Whom It May Concern, Pursuant to the Public Records Act, RCW 42.56, the Law Office of Amy Muth, PLLC, hereby requests copies of any and all documents in the possession or control of the King County Sheriff's Office pertaining to Paydan G. Bussey, DOB 09/17/1998. Agencies refusing to disclose records upon a PRA request "shall include a statement of the specific exemption authorizing the withholding of the record (or part) and a brief explanation of how the exemption applies to the record." RCW 42.56.210 (emphasis added). In addition, agencies refusing to disclose records must include a list of records withheld. As stated by the Washington Supreme Court in PAWS v. University of Washington, 125 Wn.2d 243, 884 P.2d 592 (1994): Silent withholding would allow an agency to retain a record or portion without providing the required link to a specific exemption, and without providing the required explanation of how the exemption applies to the specific record withheld. The Public Records Act does not allow silent withholding of entire documents or records, any more than it allows silent editing of documents or records. Failure to reveal that some records have been withheld in their entirety gives requesters the misleading impression that all documents relevant to the request have been disclosed. Moreover, without a specific identification of each individual record withheld in its entirety, the reviewing court's ability to conduct the statutorily required de novo review is vitiated. P026525-111718	Patricia Schnepf	<p>I want copy of Police Report: Police Report #K1838588 / Deputy Kiland This report was made on November 16, 2018 - evening I am one of the people living in the apartment where this incident occurred. I share the apartment with my adult son. Police called because door was open when arriving home. (Door was locked in morning when adult son left for work -- around 6:50 a.m.). Mother went to work earlier (5:45 a.m.). There was a prior incident about ba week before this occurrence where a package left at the door was tampered with -- the small label mentioned the sender -- it was important medical supplies needed because of recent surgery (no medications or drugs - just equipment. There was a subsequent similar delivery in a smaller box on Wednesday - label did not note sender). Monday, Wednesdays and Friday are the days mother comes home after 6:00 p.m.). Son comes home later. After second package arrived, this incident occurred. Thank you. Patricia Schnepf</p>	11/17/2018 8:35	Yes	11/20/2018 0:00	11/20/2018 13:26	3.208333	Full Release

P026662-112018	Legal Coordinator Amanda Privatt	Police report from November 15, 2018 Seahawks game -- a woman named Breanna Cross alleged she was zip-tied by a CenturyLink Field Guest Services employee and taken to a room for questioning against her will. After reviewing stadium video footage (which directly contradicted Ms. Cross' story) and debriefing the involved employees/law enforcement officers, it was determined that she had made a false allegation. Our Managing Director of Security has advised us that an on-duty King County law enforcement officer interviewed Ms. Cross (after she made the allegation). We are seeking a copy of this report for our records.	11/20/2018 15:42	Yes	11/29/2018 0:00	12/11/2018 15:33	21	Full Release

P026681-112118	Producer Kelly Nobay	Quick update; I had a great research chat with Det Mike Mellis yesterday and he cleared up a lot of key questions I had about the Alajawan Brown case, specifically regarding the surveillance footage. We're going to speak more once I've had a chance to feed all the new details into our notes. Det Mellis had some additional material that we didn't receive in our records request which would be incredibly helpful to us. The key additional material I'm interested in is: - surveillance footage of Alajawan at Walmart buying his football boots on the afternoon of his murder. -audio of witness interview Stacy Sparks. - extended surveillance footage of 7/11 so we can illustrate that investigators searched through footage from earlier in the day for signs of the perps or their vehicles (ultimately they didn't find any) - surveillance footage from Bank of America 1st May showing a suspicious vehicle returning to location where guns were dumped. - Detective Mellis has kindly put some of this material into a file for us already- in the interests of time, would he have permission to send it over to me as part of our original records request? Or would we need to re-submit a request? Also to keep you in the loop: - My colleagues Ami and Lucie (cc'd) hoping to come to Seattle to film interviews w/c 3rd December. Detective Mellis says his diary looking clear - I will be in touch to firm up a specific slot. - We've not yet had a phone call with the Brown family, trying to get that scheduled, prosecutor Jessica Berliner has reached out. - I've emailed Deputies Hall and Azevedo re arranging a research call but not yet heard back. -	11/21/2018 8:30	Yes	11/30/2018 0:00	2/1/2019 15:04	72.291666	Full Release

P026768-112618	Alan Stetson	We are requesting any reports or other documentation relating to a police response to our hotel on 11/16/2018 between approximately 1:30 AM and 3:30 AM in regards to a disturbance involving a hotel guest named Karen Buenavides. Ms. Buenavides was intoxicated and hostile toward hotel employees. Police responded twice. I have the response times listed as 2:00 AM and 2:56 AM, though 2:00 AM may be approximate. This was due to the responding officers receiving a more urgent call and having to break away and come back later. Both times police dealt with Ms. Buenavides as well as our security officer, Travis Cox. Ms. Buenavides has lodged several complaints about the incident and we require any reports you may have as corroboration of the details. I do not have record of a case number. P026771-112618	sheila fall	I have concerns about the safety of my daughter and if possible would like any available records on Walter Webster IV for better insight into what type of person he is as something doesn't seem right about him. I believe he is 28 years old from Bellevue Redmond area I think. He was in the King county deputy trainee program between February and May of 2017 and said he resigned rather than be fired and I would like to know what happened and if there was a mental evaluation. He would bring booze to our home and leave his deputy gun laying on the couch which I thought was a terrible combination. And now has moved in with my daughter and I am hoping since he did not pass the program that he did not go out and get a weapon for his personal use as something is very "Off" about him. I didn't know if there was a way to find out if he has a weapon. Local parents here in Anchorage were on tv distraught when their daughter was murdered by a boy they had no idea had issues and citations of some kind of previous abuse and they wished that they had known more about him. They begged other parents to be vigilant. I can't sleep worrying about her and would rather be safe than sorry.	11/26/2018 13:37	Yes	11/27/2018 0:00	11/27/2018 14:04	1.041666	Full Release

P027678-121418	Ian Sailing	<p>To Whom It May Concern, Pursuant to the Public Records Act, RCW 42.56, the Law Office of Amy Muth, PLLC, hereby requests copies of any and all documents in the King County Sheriff's Office's sex offender registration file for Clyde Magee, DOB 05/18/1950. This request includes, but is not limited to, any and all sex offender treatment records in Mr. Magee's file. To facilitate this request, please find attached a medical release of information signed by Mr. Magee. The Law Office of Amy Muth does not object to the redaction of witness names and identifiers. Agencies refusing to disclose records upon a PRA request "shall include a statement of the specific exemption authorizing the withholding of the record (or part) and a brief explanation of how the exemption applies to the record." RCW 42.56.210 (emphasis added). In addition, agencies refusing to disclose records must include a list of records withheld. As stated by the Washington Supreme Court in PAWS v. University of Washington, 125 Wn.2d 243, 884 P.2d 592 (1994): Silent withholding would allow an agency to retain a record or portion without providing the required link to a specific exemption, and without providing the required explanation of how the exemption applies to the specific record withheld. The Public Records Act does not allow silent withholding of entire documents or records, any more than it allows silent editing of documents or records. Failure to reveal that some records have been withheld in their entirety gives requesters the misleading impression that all documents relevant to the request have been disclosed. Moreover,</p>	12/14/2018 14:27	Yes	12/18/2018 0:00	1/22/2019 16:44	39.083333	Full Release
P027680-121418	Prasanna Ganapule	<p>I was involved in a car accident on 12/3/18 at 6 PM at NE Novelty Hill Rd at 195th AVE NE in Redmond, WA. Police case # is C18052102. There were no witnesses at the scene and the police record clearly states that. However, the other party has now claimed that there was a witness whose name they gave as Paulo Oliviera, with phone #425-240-8753. This supposedly fraudulent information given by other party is affecting my claim and costing me money. Hence I want to verify this and would like to request a 911 call record to check if 425-240-8753 phone number called 911 or not, at 6 PM PST on 12/3/18. P027840-121918	Marika Vazquez-Watt	I submitted a request for the police report responding on 12/12/2018; to the address: 3849 Klahanie Dr. SE Apt#7-206 Issaquah, WA 98029. I received the correct 911 audio recording, though was provided the incorrect Police CAD report. The provided report had both the incorrect address and date on it. I was told by the responding officer Joe Hemphill on 12/12/2018; that he would file a full report regarding the incident. Copied below is the original request. To whom it may concern, I am requesting the written record from Deputy Sherriff Joe Hemphill from when he responded to my 911 call on 12/12/2018. Re responded sometime around 8pm. I called 911 from my apartment, location: 3849 Klahanie Dr. SE #7-206, Issaquah WA 98029. The call was regarding our downstairs neighbors aggressively hammering their ceiling/our floor in an effort to inform us of their displeasure at at noise coming from our apartment. The noise is primarily of my 2 year old daughter moving about the apartment, and otherwise from myself or my mother walking. I am filing this request hoping to receive a copy of the report as soon as it becomes available to file with our apartment's office. Deputy Sherriff Hemphil may not have finalized the written report at the time that I submit this request. P027892-122018	Mrs. Patrice Schrama	My husband and I have recently bought a home in Kent. We have found drug paraphernalia in the home. A service technician looked at our range top in the kitchen and remarked on the metal bubbled up indicating high heat that caused damage. The entire house was left in an extremely dirty state and they (previous owner) left behind an enormous amount of personal belongings. The neighbors told us that the police were called to the house on many occasions. Naturally, we are concerned about possible methamphetamine contamination. We want to rule this out. That is why we are interested in any police reports that might shed light on this.	12/20/2018 13:21	Yes	12/20/2018 0:00		62.041666	Partial Release

P027942-122218	Brent Van Allen	I am Brent Van Allen (DOB 06/06/1966) On 12/22/2018 my daughter had a visitation with her mom (Chely Robles, DOB 09/11/1970). In her previous visit a month prior Allison had a rough time with her mom, as has happened frequently. Ms. Robles has 191 restrictions per our Parenting Plan, and therefore...given my daughter is almost 18...I have told her that I would not force her to see her mom. She declined to visit with her mom today and I let her mom know that lats night (12/21/2018). Ms Robles sent me numerous threats and conflicting texts. Her mom showed up for visitation this morning (in Maple Valley, we live in North Bend). I was not there, so Ms. Robles called the Sheriff's department to report that I was not there (in Maple Valley) and apparently told the dispatcher she was here, at my home. She was not at my home but the deputy came here and talked to me. I apprised him of the situation and told him I could not (and would not) force my daughter to see her mom when she feels that she might get more verbal abuse from her mom. I would like to request a copy of the Sheriff's report and a digital copy of the 91 call(s) related to the incident. The officer responding to my residence was Ken O.Neal (206-683-3598). The case number is C18054802.	12/22/2018 14:45	Yes	12/28/2018 0:00	1/23/2019 11:23	31.875	Full Release

P028148-123118	Magdalena Foss	I heard the head trainer of EVOC, Deputy (or Sergeant) Amber Kennedy, caught Jeremy Muir in multiple lies. Apparently, when asked to train at EVOC, Muir had told Kennedy multiple time that his sergeant (he actually named the segeants) refused him the time off. Kennedy supposedly had heard bad things about Muir including that he's a pathological liar so she checked with said sergeants to confirm Muir's story. These sergeants had no idea what Kennedy was referring to. When Kennedy confronted Muir, Muir quit the EVOC training program.
