A limited number of off-route deviations, only, can be made on any given trip. Vans can deviate from their fixed routes to serve other locations within the service area, but they can not necessarily provide door-to-door service due to safety and other operational considerations (narrow streets, cul-desacs, etc.). You may need to board/deboard at a location a block or more away from the location you requested.

### Scheduled Service / Fixed Routing

Route 631 is a local community service route for Burien, provided on a demonstration basis under Metro' Alternative Services Program. The route is a partnership between Metro and the City of Burien, providing loop service in the Gregory Heights area centered on the Burien Transit Center. At the Transit Center, transfers can be made to routes serving downtown Seattle, West Seattle, Renton, SeaTac and Bellevue.
