King County
Elections

Dear King County Voter:

What if you couldn't vote, what if barriers existed to prevent you from that freedom?

World news has recently been full of reports about disturbing election practices taking place in other countries with televised scenes of amazing risks people have taken to secure the right to participate in choosing their destinies. To experience life in a democracy is worth sacrifices in some countries that most of us as American citizens cannot even imagine.

The term "core values" is one we hear frequently related to standards in the work place, in our community activities, political and governmental considerations and our view of ourselves as citizens of a democracy. I would say that voting rights are way up there in importance when it comes to core values for us as a society. I have frequent opportunities to hear people reference voting as a fundamental right. So one has to wonder why more people aren't voting regularly. How is it that something we all hold precious, and consider such a fundamental right, is so often neglected, left unexercised—particularly when it's so easy to do?

In the statewide August primary election only 32% of King County voters chose to participate. That means nearly 700,000 voters didn't. What's more, King County had a better voter turnout than many other areas of the country. Voting in King County and all of our state is easy--ballots are mailed directly to every registered voter at the address listed as current for them, and voters have more than two weeks to vote and return ballots. We now conduct between two and four elections a year so we are talking about a minimal time investment. Why aren't more people voting?

Most voters do step up and vote for high profile positions and issues but sadly, the vast majority of voters often fail to vote in anything but a major election. I can't help but wonder, however, what it would take for more people to vote--no matter what. How often would you vote if your right to do so was threatened?

Each year, I have the honor of welcoming visitors from other countries who visit our exceptional facility to learn about our processes and share information. I also have the privilege of congratulating new citizens and witnessing their emotion as they register to vote, some for the first time anywhere, ever. It is an amazing reminder of how fortunate we are to be able to participate in shaping our communities, regardless of outcomes of any election. I wish every King County voter could hear firsthand the stories I've heard from people from so many places in the world who tell us, "we would never be allowed to do that in my country" when we show them the measures we take to ensure voting accuracy and protect voter privacy, or describe the convenience of voting by mail. These experiences remind me of our good fortune in residing in a state that has been one of the most aggressive in the country with respect to laws that address voter protections and election accountability.

This week, your ballot should arrive in the mail and you have the opportunity once again to be part of an election that is not only the collective sum of what is listed on your ballot, but a practice that defines a fundamental right that should never be forgotten. I hope you will give thought to the value you place on casting your vote and consider for a moment, - what if you couldn't?

Best Regards,

Sherril Huff

You will receive **2** voters' pamphlets

King County voters will receive two voters' pamphlets for this election. In addition to this voters' pamphlet, you will receive one from the Secretary of State that includes state initiatives and measures.

Some measures and candidates in this pamphlet may not appear on your ballot. The measures and races on your ballot are those you are eligible to vote for and reflect the districts where you live.

Frequently asked questions

Why are there measures and candidates in the local voters' pamphlet that are not on my ballot?

Don't worry, your ballot is correct.

The measures and races on your ballot reflect the districts in which you are registered to vote. The local voters' pamphlet may cover multiple districts and include measures and races outside of your districts.

What is an explanatory statement?

An explanatory statement is prepared by each district's attorney stating the effect of the ballot measure if passed into law.

How are committees in favor of or in opposition to a measure formed?

Districts are responsible for appointing committee members to write pro and con statements. The statements are a way to help voters decide how to vote on the measure.

King County Elections is not the author or responsible for the content of statements.

What is the order of candidates in the local voters' pamphlet?

Candidates in the local voters' pamphlet appear in the order they will appear on the ballot.

Candidates are given word limits based upon the number of registered voters within each district. Below is a guide to determining the ballot order for candidates on a page.

Assessor

Lloyd Hara

Occupation: King County Assessor and Small Business Owner

Education: BA in Economics, U of Wash.; Masters in Public Administration, U of Wash.

Statement: I'm Lloyd Hara. In November 2009, you elected me as your King County Assessor. Every day people tell me how the housing downturn has hit their families.

That's why I've launched a new way of doing business. Status quo won't do. So we've been changing how we do our business now – and how we will improve it in the future.

We've changed how we set values to more accurately reflect market conditions. We want to make sure we're fair, transparent and uniform. No one should pay more than required.

We're handling a record number of Commercial appeals. We've defended Commercial values to protect homeowners from an unfair tax shift. For example, we fought one downtown building owner who wanted a sweetheart deal. That deal would have left other taxpayers holding the bag for millions in lost value. We fought for you, and we won.

We're saving money and getting our jobs done. This year, we cut \$120,000 in postage and printing costs. By consolidating our downtown operations to just one floor, we'll save more than \$150,000. We are cutting transportation costs with fuel-efficient, low-mileage surplus vehicles from the County fleet – rather than buying new cars and trucks.

We've been putting information at your fingertips. You can easily view your property value online today. When you file an appeal, we quickly send you all the data used to calculate your value instead of cherry-picking three comps.

Help me continue a new way of doing business in the King County Assessor's office. This November, I ask for your vote, and thank you for your support.

Director of Elections

Mark Greene

Occupation: Playwright; Political & Literary Consultant; Veteran (USMC)

Education: Inver Hills College, Inver Grove Heights, MN, A.A.S. Degree

Statement: DEAN LOGAN

Ex-director Dean Logan's shadow looms large over this election, but if we're lucky, in November, the last vestiges of his legacy will be other states' problem only. The media focused on one big election in 2004, but there

was one other election that year that was just as curious, the 9th District GOP primary for U.S. Representative involving Paul Lord and myself. After polls closed, the election was practically tied, and I had leads in King & Thurston counties, trailing Lord only in Pierce.

Then, in the wee hours, audit logs that could indicate vote tampering went missing and have never been accounted for. Logan & Co. never got to the bottom of the log problem, and it's very doubtful if they tried. Lord, with token support from the Republican Party as a way of counteracting my anti-interventionist foreign policy viewpoints, was declared the winner, with a vote count big enough -- not coincidentally -- to avoid a legally required recount. The media shrugged the election off; after all, no establishment candidates involved.

It's time to bring to a close one long continuous thread of confusion resulting from ex-executive Ron Sim's decisions. My website will have more details on it all.

REDISTRICTING

If elected, I will take great care to implement redistricting changes next year (as instructed by the council and the legislature) required after the census numbers came in, and which involves changing district lines, making new maps, writing legal descriptions, updating voter registration information and balancing the latest census numbers for precinct changes.

THREE MOST IMPORTANT GOALS

Don't let the media fool you through their ignoring of this election, but if elected I'll concentrate on the three most important goals of elections: registration correctness, vote tabulation correctness, and addressing problems of errant or potential errant ballots.

Sherril Huff

Occupation: Elections Director since 2005; former Kitsap Auditor

Education: University of Washington, Western Washington University and University of Southern California

Statement: Re-Elect Sherril Huff: Proven Integrity; Real Reform

An acknowledged leader in implementing transparent, accurate elections, Sherril Huff has earned re-election as our Nonpartisan

elections director. Since being hired in 2005, appointed director in 2007, and chosen by voters as our first elected director in 2009, Huff has teamed with citizen and expert commissions to implement hundreds of reforms and accountability measures, achieving improved ballot security, online ballot tracking and upgraded counting processes.

She led the successful transition to all mail elections leading the largest jurisdiction in the nation to vote solely by mail-in ballots. Huff has protected drop boxes and accessible voting centers from budget cuts, ensuring the assistance and convenience voters value. She has made open, consistent communication with citizens, stakeholders and county and state government an office trademark.

Through three years of 20% cuts in Elections, Huff has maintained professionalism and accountability, applying new technologies and focusing on services and standards critical to voter confidence. The result: a continued record of error-free elections even as voter participation increases.

With your vote, Huff will continue to advance technologies and best practices. She will partner with civic leaders to expand outreach into our varied communities to maximize voter education and participation. In a County with 1.1 million registered voters we need the proven experience and successful record of a certified election professional. Sherril Huff brings these credentials plus awards acknowledging her leadership achievements as King County Elections Director.

Huff is endorsed by Executive Dow Constantine, County Council members, community leaders, legislators and citizens throughout King County. For more information, visit www.electsherrilhuff.com

Council District No. 6

Jane Hague

Occupation: King County Council Member

Education: Attended Western Michigan University, President: National Association of Counties, President: Washington Association of County Officials

Statement: It is an honor to serve the Eastside.

Since I was first elected to the Council, I have reached out and worked across party lines to get results. I never let partisan political games

get in the way of sound policy.

Stopping Tax Increases and Overspending

During the past two years, my focus has been on balancing the budget and stopping unnecessary tax increases.

I blocked sales and car tab tax increases that would have cost working families millions of dollars. Last year, as Vice-Chair of the Council, I led the effort to work with county labor unions to reduce costs, saving more than \$20 million. Over ninety percent of county employees agreed to voluntary wage reductions.

As chair of the Council's Committee of the Whole, I have kept county leadership focused on remaking government so it is efficient and sustainable -- only then will we be able to have the transportation, criminal justice and social services our citizens deserve.

Strong Endorsements from Democrats and Republicans

I have been endorsed by SEIU1199NW, the King County Corrections Guild, the Eastside Business Alliance, Bellevue Deputy Mayor Conrad Lee, Washington Women, Republican State Attorney General Rob McKenna and Democrat State Auditor Brian Sonntag, State Senators Andy Hill and Steve Litzow, as well as dozens of city officials.

A Good Listener

I work hard to be a good listener for the citizens of the Eastside, working with elected officials and community leaders to help solve local and regional challenges. They know they can turn to me to get a helping hand.

The King County Boys & Girls Clubs named me *Children's Champion*, and multiple arts organizations have honored my efforts on behalf of the arts.

I live in Bellevue with my husband. We both enjoy the outdoors and are avid cyclists.

Richard E. Mitchell

Occupation: Attorney

Education: Bachelor of Architecture (Cornell), Master of Urban Planning (Michigan), Juris Doctor (Syracuse)

Statement: Leadership you can trust

Richard Mitchell is a tireless advocate for change, a community leader on social justice issues, and a lawyer with degrees in architecture and urban planning. Richard believes that Eastside communities and

working families deserve leadership they can trust. He knows that dedication is needed to solve the County's challenges. As an activist and leader on health services, housing, land use, urban planning, and justice issues, Richard will bring experience, work ethic and integrity to the King County Council.

Experience that matters

Richard Mitchell is a former General Counsel to the Office of the Governor, a trial and real estate lawyer who serves as a trustee for the Legal Foundation of Washington, a regent at Seattle University, and a Commissioner on the King County Housing Authority. He is a past board member of the International Community Health Services Foundation, and former adjunct faculty member at Seattle University's School of Law. Richard has served on the boards of several non-profits including Environmental Works and the Washington Low Income Housing Network. His broad experiences on a range of issues involving suburban and urban planning, transportation and environmental concerns is the right kind of experience to represent the Eastside.

Diverse, Innovative Leadership

Richard Mitchell is endorsed by community members, business leaders, and elected officials including State Representatives Cindy Ryu and Roger Goodman, State Senator Adam Kline and former Senators Brian Weinstein, Claudia Kauffman and Randy Gordon, Kirkland City Councilmember Dave Asher, and Mercer Island Councilmember Mike Grady.

Richard Mitchell has also received the endorsements of the Sierra Club Washington State Chapter, 32nd, 41st, 45th, and 48th Legislative District Democrats, in addition to the sole endorsement of the King County Democrats.

Richard Mitchell has the integrity, experience and leadership we need. Elect Richard Mitchell for King County Council! www.ElectRichardMitchell.com

Commissioner Position No. 2

Richard Pope

Occupation: Market Research Business, Devoted Parent, and Concerned Citizen

Education: University of Washington, JD; Excelsior College, BA Economics; University of Tennessee, Graduate Studies in Economics

Statement: **LET'S ABOLISH THE UNFAIR \$73.5 MILLION PORT PROPERTY TAX LEVY!**

This year, King County property owners are being soaked for **\$73.5 Million** in taxes to

subsidize the Port of Seattle. Since I first ran for Port Commissioner in 1999, this unfair property tax levy has **more than doubled**. Why should working families and senior citizens be drained, just to subsidize international shipping companies and lucrative Port contractors?

Other major ports don't tax the people, but give back to the people. Our biggest rivals, Los Angeles and Vancouver BC, give back over \$100 million annually to support local governments. With over \$5 billion in net assets, the Port of Seattle can also give back to help the people, and stop taking such an enormous subsidy.

Complicating matters, the Port of Seattle has too many businesses to effectively manage its investments. With the cushion of a property tax subsidy, it simply hasn't been forced to do so. Most people know that the Port runs the airport, seaport, and cruise terminal, but it also manages **four** conference centers, **six** office and commercial developments, a system of **nineteen** parks, and a police department nearly as large as the entire City of Renton (population **90,927**) force. That's just the tip of the iceberg! Clearly, there are opportunities for both operational improvements and divestitures.

We need to trim and reform overbloated and inefficient Port management. The Port CEO makes **\$366,825** annually (recently increased 9%) – over twice the Governor's salary! Over 100 top executives have comfortable six-figure salaries. Year after year, the Port has faced divisive scandals and disastrous performance audits. We need to reform **our Port** and make it financially accountable and self-supporting!

I am an ordinary citizen, small business owner, and concerned and devoted parent. Once again, I would be honored to have your vote!

Gael Tarleton

Occupation: Research Advisor at UW's Information School

Education: M.A., Government and National Security; and B.S., School of Foreign Service, Georgetown University, Washington, D.C.

Statement: I ran for Port Commissioner four years ago because the Port of Seattle had failed King County's citizens. I asked for your vote because I believed, together, we would reform the Port.

We accomplished a lot during this first term. With your help, I've been able to stop the excessive practice of private executive sessions and now the audit committee I chaired meets in public every month. We've established a competitive bidding process for contracts and leases, saving taxpayers millions of dollars at the airport and seaport. I secured free Wi-Fi at the airport. I helped create more than 5,000 new jobs during our recession through capital improvement projects like the airport's new rental car facility and seaport's container terminal. I also led the adoption of new clean air requirements, two years ahead of schedule.

Although the Port has been a positive note in our economic recovery, we have more work to do to create jobs and accelerate clean trade. I have the experience, integrity and vision to continue reforming the Port. I bring 30 years of expertise on ports, national security and environmental stewardship. During 10 years at the Pentagon, I developed strategies to prevent attacks on U.S. ports and created disaster preparedness and emergency response plans. I later helped design U.S. Coast Guard plans for oil spill response and clean-up and reported to Al Gore's Global Climate Change Commission.

It will be a privilege again to serve you. I am honored to have earned endorsements from Washington Conservation Voters, National Women's Political Caucus of Washington, King County Democrats and ten unions representing working families and waterfront jobs. I hope for your continued support – together, we will continue to change the way the Port does business.

Thank you for voting **Gael Tarleton** for Seattle Port Commissioner.

Commissioner Position No. 5

Dean Willard

Occupation: Technology Management Specialist

Education: High School, Technology Training, Continuing Education

Statement: **Dean Willard is the choice for jobs and our environment at the Port of Seattle.**

Dean understands trade, transportation, and freight issues. He knows the Port is our economic beating heart. No other candidate

brings Dean's intense focus to this position.

Dean will focus on:

Jobs

Dean is a Seattle native and current Sammamish resident. As a former T-Mobile Vice President and current technology management specialist, Dean knows what it takes to create 21st-century jobs. Dean will work to create family-wage green jobs that put people to work and protect our environment.

Environment

Dean is an advocate of the Clean Ports Act, legislation that will protect clean air and water. Dean understands that protecting our environment is key to our economic future. Dean won't just talk about protecting the environment, he'll focus on it every day.

Accountability

Dean believes every dollar the Port spends must be accounted for, and major purchases must be subject to public scrutiny. Dean is committed to openness, transparency, and accountability for all decisions made by the Port. Taxpayers deserve nothing less.

Dean's values are King County's values

Although this position is officially non-partisan, Dean shares King County's progressive values. Dean is endorsed by Democratic organizations all over King County (Including the 5th, 36th, 37th, 41st, 45th, 46th, and 48th Legislative Districts); many environmental, social justice, and labor organizations; along with a host of individuals who understand it's time for progressive change at the Port of Seattle.

Please Join Democrats, Independents, Progressives, and working people across King County in supporting Dean Willard for Seattle Port Commission, Position 5.

"Thank you for your trust and support. Together we can keep the Port of Seattle strong for generations to come. Let's build on the past, improve the present, and protect our future." - Dean Willard

Bill Bryant

Occupation: Chairman of BCI, a company Bill founded in 1992

Education: Capital High School in Olympia, Georgetown University School of Foreign Service

Statement: **Bill Bryant**, a trade expert who built an international company, has labor, environmental and business support.

As Port Commission President, Bill transformed the port into a responsible

agency that both generates family wage jobs and protects our environment. Accomplishing both simultaneously, Bill believes, is the challenge of our time.

Bill led the effort to reduce expenses, cut taxes and get the seaport operating on its own revenue. When Bill took office in 2008, the port had lost the public's trust. Bill chaired an internal investigation leading to numerous reforms that transformed the port from an arrogant agency into an open one.

Bill focused the Port on generating family wage jobs, fixing our traffic mess and increasing our competitiveness.

Bill led the drive for sustainable growth by involving King Co. environmental leaders in port policymaking and ensuring the Port **invested in environmental stewardship.**

The results? The Port is one of the fastest growing U.S. West Coast seaport, SeaTac revenue is growing and the port supports over 100,000 jobs. Innovative investments are being made to protect air, water, and habitat. The marine terminals often exceed environmental requirements and SeaTac is the 'greenest' airport in North America.

Under Bill's leadership, the Port's become an example of how public agencies can transform themselves, generate jobs, protect our environment and adjust to new economic realities.

Our community recognizes Bill's leadership. He was named Washington's Outstanding Local Government Official and honored as Maritime Public Official of the Year. King County Conservation Voters, Eastside Business Alliance, ILWU19, Herald Uglers, Sailors union, Carpenters1797, Firefighters1257, Building Trades, & Realtors endorse Bill.

Bill Bryant has given the port a fresh start. He will continue generating jobs and protecting our environment, and asks for your vote.

Education: J.D. / M.A. (Sociology), University of Washington . B.A., magna cum laude, University of New Mexico

Statement: I am grateful for the opportunity to serve you and to help restore cooperative leadership to our Council.

As the husband of an immigrant, I embrace

Bellevue's growing cultural diversity. As the father of young children, I am committed to protecting Bellevue's quality of life and economy.

My priorities are: • enhancing **neighborhoods**, including safe walking routes for school children • protecting **emergency services** funding • investing in **transportation** infrastructure • adopting **lower taxes** and • preserving **treasured resources like the Mercer Slough**.

I have worked to ensure that light rail—the backbone of our regional transit system—is built right, within our budget and without delay.

I am a lifelong volunteer and passionate about education. My experience working with community stakeholders and elected officials throughout Washington makes me the best candidate to represent you.

Endorsements: Senator Steve Litzow • Mayor Don Davidson • Bellevue's neighborhood leaders and business community.

Education: Juris Doctor, George Washington University Law School

Statement: John Stokes: Real Leadership – Real Action

I am the only candidate who will work with you for a strong Bellevue for all of us. Here's what we can do together.

We need light rail now. No more studies, work together to get it done on time - mitigate the impacts so Bellevue will continue to be the center of Eastside commerce and livability.

Our schools are the backbone of our communities. They build better neighborhoods and a better quality of life for all. We have worked together for 20 years to keep our schools strong, and we will continue on this path.

We love our Parks, and together we have worked to make them better and expand their reach for all of us. As a Parks Board Member I helped make this happen. That commitment will never waiver.

We want public safety and workable government. We will do this together.

Statement: Public safety funding must come first for the health and safety of our community. As a 2-year cardiac arrest survivor – thanks to Bellevue Fire – ensuring high quality service and quick response is my

highest priority.

Keeping businesses healthy is critical, and will create jobs, stimulate our local economy and help keep our property taxes low.

I have a proven track record in leadership. As President of my community club, I reinstated services, created new communication channels, led efforts to revitalize our shopping center and established a surplus fund. I will bring my leadership skills to the city council for the benefit of my entire community.

With my proven professional leadership, ability to listen and collaborate, and record of fiscal responsibility you can know that I will be responsible with your tax dollars.

Statement: I'm running for re-election because I want Bellevue to be a great city in which to live, work, and raise a family. I'm a proven leader and have worked to be an independent voice of reason on Bellevue's

Council.

Our firefighters have endorsed me because I know first-hand the importance of public safety. I know the economy and the environment go hand-in-hand so I have support of Conservation Voters and many business leaders including the Realtors. Working with our Human Services Commission, I made support of children, families, and our aging residents a priority. Our local property tax rate remains low while we've found ways to improve transportation, parks, and neighborhoods. I will follow through on my commitments.

I ask for your vote so I can continue to make this a city of great neighborhoods and vibrant, successful businesses.

Statement: Community Service: Bothell Planning Commissioner, Edmonds Volunteer Firefighter

I grew up in Bothell. My wife and I chose Bothell as the place to raise our three sons because it is such a special community.

Working for 11 years in municipal government, **I have the professional background** to make good policy decisions, especially as Bothell revitalizes downtown and annexes new areas. As a consultant I authored Bothell's current Surface Water Design Manual. I know what it takes to *balance development and the environment*.

I want transparency and accountability for Bothell government. I want to establish *performance based budgeting* that captures the resident's priorities while measuring the quality of city services.

I am a proponent for *creating better transportation connections*, so our families can move around safely, whether they walk, bike, or drive.

Nicholas Carlson

Occupation: Human Resources Professional

Education: BA in International Studies and Political Science, University of Washington

Statement: Government should be run more like a business. Most people would probably agree with that sentiment. Except the City of Bothell is not run like a business. Good businesses operate by key principles: efficiency, accountability, transparency, and honesty. If you look closely at Bothell's

government today, it is sorely lacking in those principles.

City Council decisions are increasingly made in late-night or surprise meetings. Certain decisions that should be made by the Council no longer are. Public input can't be offered. Proper scrutiny cannot take place.

Also, city government does not always use performance standards. Millions of our tax dollars are at stake, especially with Bothell's downtown redevelopment. We desperately need more transparency and accountability.

My background is business. I want to take my experience and principles to our city. Let's work together to make Bothell a better place for all of us!

I work hard to understand the issues and ensure citizen voices are heard. Statement: MAYOR MARK LAMB IS WORKING FOR YOU!

As your Mayor my first priority is to make Bothell a great place for families and businesses. I increased Bothell's reserves so

we could thrive in a recession with no new taxes or cuts to public safety. I cut utility taxes and stopped property tax increases that hurt seniors. Our Downtown Plan brought private investment to Bothell to create jobs, save the historic Anderson Building and re-open the Northshore Pool with free use for Bothell residents. We won three municipal awards for fiscal stewardship and had Bothell's bond rating upgraded twice, saving taxpayers hundreds of thousands of dollars.

Regarding write-ins

A write-in line is provided on your ballot for each race regardless of the number of candidates. You have the option to write in the name of a candidate. Frivolous write-ins, such as Mickey Mouse or Bigfoot, result in additional work and expenses to process.

You do not need to make a selection in every race for your votes to count, and write-in votes are not tallied by name unless the total number of write-in votes could make a difference in the result of the race.

Statement: Dan Temkin has been active in the Hunts Point community since 1997. As planning commissioner (1998–2006), he played a leading role in authoring revisions to the municipal code and participated in writing

the town's mission statement. Dan received the 2002 Citizen of the Year Award for his work as chairman of the Hunts Point Road Committee. The mayor recently appointed him to serve on the SR 520 Interchange Committee, which was instrumental in negotiating important mitigation for the town along the expanded 520 corridor.

Dan's experience as principal and founder of a successful real estate investment firm provides him with an in-depth understanding of the regulatory and land use issues that are profoundly shaping the town's future.

Dan is committed to preserving the unique quality of life and traditional values of Hunts Point. He understands the importance of an open, transparent government and will ensure citizens have a voice.

Occupation: No information submitted
Education: BS Civil Engineering, Virginia Tech, MS Engineering Management, Univ of Missouri, Rolla
Statement: I am a 20-year resident of Issaquah. I am seeking re-election because I want to continue to serve the citizens of our community. During my 11 years on the City Council I have worked to make Issaquah a place where citizens feel good about where

they live. I have listened and worked hard to thoughtfully and respectfully find solutions to the complex problems facing our community. I have been responsive to citizens and provided leadership both in Issaquah and the region on transportation, transit and senior citizen issues. I remain committed to responsible growth, protecting the environment, ensuring safe family neighborhoods, promoting opportunities for parks, recreation programs and open space, supporting economic vitality while shaping Issaquah's vision for the future.

TJ Filley

Occupation: No information submitted
Education: Bachelors, Rochester Institute of Technology
Statement: America's road to bankruptcy is going right through Issaquah. We need to stop spending money that does not create permanent jobs; and shift our focus to projects that will grow real jobs in Issaquah. Over 85% of the \$6 million cost for the bicycle bridge over I-90 came from Federal pork, yet the project was only number 23 on the list of priorities for Issaquah.

Our country is in a fiscal crisis, and low priority projects should not be done, regardless of the funding source. I will strive to find projects that will bring career type jobs to Issaquah instead of temporary, part-time, or minimum wage jobs.

It's time to stop pretending that government waste is someone else's problem. A vote for TJ Filley will be a vote for Fiscal Responsibility, Limited Government, and Job Growth in Issaquah. I ask for your vote on Election Day.

Joshua Schaer

Occupation: Attorney
Education: J.D., University of Washington Law School; B.A., University of Washington
Statement: It is an honor to serve you on the City Council. I ask for your vote so that I can continue providing you with consistent and committed representation.

Partnering with business and environmental leaders, I sponsored legislation reducing wasteful packaging – an Eastside first. I have actively supported preserving Tiger Mountain open space, building new parks and sports fields, enhancing economic vitality, and adopting responsible budgets – all without raising taxes.

As Transportation Committee Chair, I successfully led efforts to open the I-90 undercrossing, which has increased connectivity and reduced congestion. I will remain a strong advocate for seniors, schools, and public safety, while fighting unnecessary spending.

My family is proud to live in Issaquah, and I look forward to another term of shaping our city's future. Thank you!

Education: University of Oregon School of Law (2007); University of Washington (Communications)

Statement: I have lived, worked, and volunteered in Issaquah for 22 years. I was honored in March 2011 to be appointed by the City Council to fill Maureen McCarry's

vacancy. My commitments are to the long-term health of our community's natural environment, economy, and social fabric.

Already I have worked collaboratively with fellow Councilmembers to advocate for major improvements to Lake Sammamish State Park, permanent upgrades to Julius Boehm pool, additional transparency to the City's website, and a commission dedicated to truly strengthening the city's support of business and economic sustainability.

I am also committed to ensuring that infill growth results in net benefits for our community: preservation of parks and open space, enhanced transit services, and citywide biking and pedestrian improvements. We must guide progress in ways that enhance Issaquah's many unique treasures without compromising its character. I look forward to working with you.

Occupation: Wide Area Network Architect

Education: US Navy, Foothill College

Statement: With the annexation and addition of over 35,000 people into Kirkland I want to be able to help the newly annexed areas, from Kingsgate to Finn Hill and North Juanita, participate fully in the city's government decision-making process. I am concerned that with this massive population and land growth and the current economic recession,

services such as police, fire and medic coverage will be cut in either the newly annexed area or within the old boundaries of Kirkland or both. I want to ensure that city services are available to every citizen of Kirkland equally. I want to be your open door into the city council allowing residents to ask questions and suggest ideas along with providing timely feedback on issues. I am committed to ensuring Kirkland maintains a sustainable budget as we work through the transition to becoming the 12th largest city in the state.

Statement: Let's make Kenmore even better! By partnering with local businesses and tapping creative ideas for new development opportunities, Kenmore can be an economic success. We can leverage our lakefront location, mixed-use growth potential, quality

schools and diverse park system to benefit all in our community.

As a founding member of Families for Active Parks in Kenmore, and as a constant voice in our community working for parks and recreational opportunities and solutions, I've demonstrated my commitment towards improving Kenmore. But there's more to do.

Top priorities of mine include: enhancing community outreach, addressing increased traffic from 520 Bridge tolling, and providing a transparent budget process. As we seek new police processes, we must not compromise public safety. I will listen to you, the voters, and use my educational and business background plus years of constructive community involvement to work hard for you and Kenmore.

Statement: I have truly enjoyed serving you, the citizens of Kenmore, on the City Council for the last 4 years. Twice elected Deputy Mayor by my fellow council members, I have shown leadership and cooperation working with the Council and city staff to improve Kenmore. Our new city hall was built on time

and under budget, saving over \$5 million. The east and central portions of SR 522 have been improved with landscaping, and underground wires and medians were added for safety. Baseball and soccer fields have been built at Bastyr University. We have a balanced biennial budget.

My goal is to increase economic growth and development. This involves simplifying our zoning and building regulations to encourage developers to invest in Kenmore. We must complete SR 522, maintain our local roads, build sidewalks and improve parks. I would be honored to continue serving as your councilmember and would appreciate your vote.

David Baker

Occupation: Small Business Owner

Education: MS University of Nebraska, PhD Iowa State University

Statement: Councilmember Baker is solving problems in our community. He has a proven record of moving Kenmore forward without raising taxes. In his two terms as mayor, the City has consistently received clean audits from the independent State Auditor.

David has overseen significant park, street, and surface water improvements. During his term, 1¼ miles of SR522 improvements were completed. While hundreds of post offices were closing nationwide, he worked to retain Kenmore's post office.

Mayor Baker opened discussions with Bastyr University on a 10-year agreement for expanded citizen use of athletic fields. Rhododendron Park has a basketball court and improved plantings through his efforts.

Safe streets, pleasant neighborhoods, places to play, and a clean environment are David's priorities. So he can continue working to foster a healthy economy, finish the 522 project, construct more sidewalks and bicycle and bus lanes, and reduce flooding and drainage problems, David asks for your vote.

John Hendrickson

Occupation: Tax Accountant

Education: BA Rutgers, Masters UW

Statement: Kenmore was warned at incorporation to focus funding on public improvements and that we could not afford large City Hall Services. The \$17 Million City Hall is twice as big as we can afford to operate and was paid for with tax dollars previously reserved for road improvements and pedestrian safety.

While the city ran an operating deficit last year, they refuse to admit it. With capital savings at an all time low and road tax dollars used to subsidize operating deficits, we need a clear bottom line accounting for both operating and capital funds.

Moving to an "Online City Hall / Online Public Process" would give needed accountability, transparency, objectivity and efficiency required to be successful. It would allow valuable public participation in fact gathering and could eliminate wasteful spending and unproductive political behavior that costs taxpayers dearly.

Statement: Having served as a Council Member since 2003, the momentum and experience I have gained, as well as being a positive voice of reason and a strong team player, are the assets I bring to our city's future.

During this last term, we've accomplished much. Highlights include: completion of our new City Hall - **under budget, paid in cash** - retaining the Kenmore Post Office, partnering with Bastyr on new soccer and baseball fields, and completion of two phases of the SR522 project.

Working together with our staff, Kenmore has received awards for impeccable budget forecasting and follow-through for the past 11 years from the State Audit Department. I will continue to support this process focusing on a balanced budget, making the hard, fiscally sound decisions benefitting Kenmore.

and seniors remaining on Mercer Island is our ability to prioritize services while budgeting within the hard realities of lower tax revenues. Increasing tax revenues by raising rates simply makes Mercer Island less affordable for our young families and our seniors. As your representative, I listen and respond to you. I have advanced a more open and responsive government and involved more citizens in decision making. While advocating for our neighborhoods, parks and open spaces, I also support a dynamic downtown that serves our needs, and will require new development to respect the unique small town character of Newcastle. My goal is to maintain a balanced budget and responsible financial management while protecting our basic city services: police and fire, emergency preparedness, streets, storm water and parks. There is much more to be done to create an effective government that fosters the quality of life we desire in Newcastle.

Our city needs to move forward with focus and determination. With that determination, I want to continue to work for you – for the best Newcastle.

Council Position No. 3

Steve Buri

Occupation: Non-Profit Executive

Education: BA, Political Science - Washington State University

Statement: It has been my great privilege to serve the citizens of Newcastle over the past four years. I respectfully ask for your vote on November 8th.

I am a proud of my record on the council. Since the height of the financial crisis, I helped oversee more than a million dollar

reduction in the city's budget (all without impacting services provided to city residents). I have resisted the temptation to increase taxes on city residents. And, I have supported only balanced budgets.

But leadership is about more than just saying "No". Understanding that, I have supported investments that leverage outside funding (such as the new play equipment at Lake Boren Park); helped remove barriers to construction of the downtown library; supported measures that improve neighborhood pedestrian safety, and led the fight against proposed cuts to city parks.

Newcastle is a great community. Together we can make it even better!

Gordon A. Bisset

Occupation: Retired mathematician and computer software analyst

Education: B.S. in Chemical Engineering from the University of Washington

Statement: I have proven elective service as your City Councilor from 2002-2005. I served on the Council Finance Committee. I was chair of the Planning Commission from 1998-2001. I have always listened attentively and responded promptly to each citizen's issues.

I will maintain Newcastle as an outstanding residential community with sound infrastructure and a downtown that will provide improved services. I will insist that we keep Newcastle's budget balanced by spending only within our means without new taxes.

I will put your safety first; police and fire protection are fundamental. I will work to reverse years of neglecting our infrastructure; your streets and storm water facilities must be maintained before deterioration becomes a costly crisis.

I strongly support local parks and trails and utilizing the work of our volunteers.

I am a regular attendee and contributor at our Council meetings. I am currently President of the Hazelwood Community Association.

Occupation: Retired Community Social Worker

Education: BA and MSW, University of Washington

Statement: My family and I have lived in the City of Newcastle for 25 years. I have seen it grow from an unincorporated part of King County to what it is today, a city of 10,000 residents. I remember in the beginning there was a farm across the street where we lived

and around where the Safeway is now there was a pasture. Now those bucolic days are gone and our city is growing, and how it grows depends on us. We all have a vested interest in living in a Good City. I pledge that that how we're governed is transparent and accountable; that the budget reflects our priorities; and to have development without compromising the environment or our quality of life. I make this pledge to you as your neighbor and as your city councilman if elected.

Mayor

John Marchione

Occupation: Mayor, City of Redmond
Education: Master of Public Administration, University of Washington; Bachelor of Arts in Humanities, Seattle University
Statement: In his first term, John Marchione demonstrated he is the right person to lead Redmond forward. He envisions a dynamic downtown, a connected transportation system, and a healthy environment while living within a sustainable budget. He wants

to make Redmond a place where we can live, work, and play throughout our whole life.
 John is an effective leader who has earned the public's trust by creating a transparent, accessible government. Marchione's Budgeting by Priorities system allows the public to see every budget request, how it was prioritized, and where your tax money is spent.
 Marchione gets the job done! In the last four years the City constructed Bear Creek Parkway, purchased the BNSF railroad land, and started construction on Fire Station 17.
 Under John's leadership, Redmond will continue to support strong neighborhoods, strong businesses, and a strong environment, to make a strong Redmond.
Re-Elect John Marchione Mayor of Redmond.

Hank Myers

Occupation: Small Businessman - Transportation Consultant
Education: BA English, California State University
Statement: Redmond's entrepreneurs including the Eastside Business Alliance, community leaders and those who care about our social safety net and environment support Hank Myers for re-election to the City Council.
 A vocal advocate for keeping people

connected to the decisions that affect our community, Hank Myers will make sure city government is financially responsible during the economic recovery. During the next four years, Hank will focus on four priorities:
 - Adopting a budget that does not increase taxes
 - Protecting the social safety net for community organizations
 - Improving the city's energy efficiency and improving water and air quality
 - Improving the business climate to grow the local economy
 Government works best when it is open and transparent and Hank has been a leader at bringing community voices to the table when key decisions are being made.

Dayle (Hank) Margeson

Occupation: Councilmember, Senior Compliance Analyst

Education: BA Criminal Justice, Washington State University; MPA Public Administration, University of Oklahoma

Statement: Hank has the hands-on experience, leadership, education and passion to lead and guide Redmond forward. He has succeeded to further enhance Redmond's influence within the region by serving on the

Suburban City Association's Public Issues Committee, Cascade Water Alliance, King County Budget Group and various boards and commissions. He represented rate payers by insisting on a thorough financial analysis of reclaimed water expansion at King County's Brightwater project.

As Chair of the Finance Committee, Hank skillfully guided Council through the Budget by Priorities process for the 2011-12 biennium budget. He championed the Redmond Central Connector in meetings with legislators and staff at the state and federal levels, ensuring financial support for the plan.

Hank wants to continue his work to preserve Redmond's unique community character - vibrant urban centers, safe neighborhoods, robust economic growth and diverse recreational options. Please vote for Hank Margeson.

Joel L. Wright

Occupation: Tax Accountant; Director of Tax Controversies, Microsoft

Education: Master of Taxation, Portland State University; Bachelor of Science in Accounting, University of Utah

Statement: Redmond is a vibrant city with a rich history of balancing a beautiful environment with dynamic individuals, families and commerce. To maintain and improve our community, we must expect our City Council Members to reflect

honesty, diligence, frugality, ingenuity, civility and compassion.

After working in a range of small and large businesses and having volunteered extensively in numerous organizations, I bring a broad new perspective that will increase the synergy of the City Council. I have the ability to focus on details while never losing site of priorities. I weigh all information and make strong decisions.

Transportation: I will implement effective, multi-modal solutions for local traffic and I will work to bring Sound Transit's rail line into downtown Redmond.

Community: I will champion coordinated efforts of government, business, NGOs and citizens to make Redmond a productive community.

Occupation: Compliance Consultant, Redmond Planning Commissioner, Redmond Arts Commission Chair (former)

Education: Doctorate, Pacifica Graduate Institute; MA Public Health, Tulane; BS Engineering, Montana State University; Leadership Eastside

Statement: Experienced Leadership

As a Planning Commissioner and former Chair of the Arts Commission, I have worked collaboratively with civic leaders and residents to make Redmond a great place to live. I worked to shape the city's Comprehensive Plan and to develop a strategic plan for the arts. I am a graduate of Leadership Eastside, a community leadership program. I have coached youth soccer and softball and served as a PTSA Vice President and classroom reading mentor. My professional experiences as a consultant and as an officer in the U.S. Army have also prepared me for this responsibility. As your city councilmember, I will work to preserve the city's natural environment, create economic vitality, and build on community connections in a fiscally responsible manner. Looking ahead to Redmond's future, I bring the leadership, professional experience, and vision to keep Redmond a livable place for future generations. Please vote for Tom Flynn.

Occupation: Transit Safety Officer - KC Metro

Education: No information submitted

Statement: My family has lived in Redmond since 1981. My mission on the Council will be to serve the entire community of residents and businesses, while preserving the quality of life that makes Redmond a destination.

I want to find more ways – better ways – for people to engage in the city process. I will work to insure that growth is properly balanced against the needs of our residents, who value our green environment, wonderful neighborhoods and diverse community. I will make sure the budget invests wisely in those priorities.

I can improve the collaborative process in Redmond government so we can find real solutions to the challenges we face. I will draw on my extensive community network to bring people to the table who can roll up their sleeves, as I have done so often, to make Redmond the best place to call home. I'm ready to work for you.

David Carson

Occupation: Sr. Software Test Engineer

Education: Bachelor of Science, Business Management, Oregon State University

Statement: Redmond is a great place to live, play, and work. We have safe, desirable neighborhoods, parks that provide recreation in abundance and an employment center that is the envy of our neighboring cities.

Yet Redmond faces the real challenges resulting from our previous success and an increasing population even during nationwide economic recession. We have investments in transportation that are essential to keep our infrastructure sound; these key investments will lend support to more economic opportunity.

I support the Budgeting by Priorities model to keep Redmond financially healthy and support making investments in the Redmond Central Connector which unites Redmond's downtown and Redmond Town Center. I favor increasing the share for capital projects which should accelerate the revitalization of downtown/Overlake.

It is a tremendous privilege and responsibility to serve the citizens of Redmond and I respectfully ask for your vote in November to strengthen a successful and thriving Redmond.

Mayor

Denis Law

Occupation: No information submitted

Education: No information submitted

Statement: In these last four years as our Mayor, Denis Law has shown us that he puts his words into action. He has created a collaborative relationship between the city and the people it serves.

In 2007, Denis assured us that he would put Public Safety first. During the worst economy in decades, our city has still improved the

level of service to the public, specifically with police. Denis uses proactive programs and creative methods to affect change, maximize police efforts, and make our community safer.

Denis has taken a business-like approach to the budget by prioritizing service that the **citizens** feel are most important. He reduces costs wherever possible, pushing for the most efficient use of resources, reducing our budget by 12% even as our population increased from 55,000 to 90,927. Renton provides the same quality services while maintaining fiscal responsibility.

Phyllis Forster

Occupation: President, Factsfinder.com, Employment Screening & Testing, Security Products & Services

Education: Friends University

Statement: Phyllis Forster believes that citizens deserve to be fairly represented and actually heard by City Council members.

Experience in education, property management and a current small business owner gives Phyllis the expertise to make city

government user friendly and reduce costs. Government change begins at the city government level.

Transparency is vital to gaining citizens trust. Understandable, straight forward choices retains this trust.

Phyllis will work to give you transparent, responsive government. Initiating term limits would allow more citizens opportunity to serve allowing for new ideas and relationships.

The deep recession we are experiencing demands that City Council cut non-essentials. Certainly Council should never burden citizens with unnecessary taxes. Council must adjust spending as individuals and families must in a deep economic recession.

Your city council must always put the safety of its citizens at the core of every decision they make.

Nancy Whitten

Occupation: Attorney focusing on estate planning and residential real estate

Education: JD, Northwestern School of Law, Chicago; BA Spanish, Lake Forest College, Lake Forest, IL

Statement: Your voice is being heard. While I've served on the council, we have completed the Lake trail, miles of walkways, new parks and sports fields, 244th is open and our teen center will open this year. We seek balance:

to preserve our natural resources while protecting property rights. We have budgeted conservatively, held the line on taxes, and earned a AAA credit rating. Our debt is small, our reserves significant.

With your vote, I will continue to listen respectfully to all points of view and make tough decisions. I remain fiscally conservative and support a community/aquatic center if voters approve and it's financially viable. I want to keep making the best decisions for Sammamish.

Occupation: Supplier Quality Engineer

Education: Bachelor of Science, Industrial Engineering; Master of Business Administration

Statement: Friends and Neighbors, in the current economy many of us have relearned the importance of **prioritizing between essential needs and wants while stretching finite dollars to live within our means**. Unfortunately, some on our City

Council have grown accustomed during multiple terms in office with spending other peoples' money - our tax money - on wasteful projects that continue to burden city budgets and taxpayer pockets. If you elect me as your new council member, **I pledge a renewed focus toward meeting essential city services** before funding any special interest projects. The city now needs to work proactively with the business community to **promote economic growth, repair roads** that have been neglected more than 10 years, **implement neighborhood block watches** to improve public safety, and **complete pedestrian and bicycle connections** to downtown. *I would be honored to receive your vote and do the work for our city.* Thank you.

Occupation: Forensic Examiner, Engineer

Education: BSCS University of Illinois at Urbana-Champaign; MS studies underway University of Central Florida

Statement: I'm honored to have served you during our nation's economic crisis and proud that our unified council maintained a balanced budget without increasing taxes, when revenue dropped by 40%. Serious financial issues loom because of frivolous spending

by prior councils: \$200 million of ignored road and storm water system maintenance must now take priority. Major issues I support include business and economic development; bolstered defense and vigilance for the preservation of neighborhood character; maintaining roads and storm water systems; safe walkways to school and pedestrian access to downtown. Call me at home 425-908-7601 to let me know your concerns, I will personally return every call. Please vote for me and the sound management of the City and protection of our businesses' and citizens' rights. Education: B.A.- Political Science, University of Washington; completed coursework for Masters- Educational Administration, University of Washington

Statement: As your member of the Woodinville Council, I have consistently and effectively advocated for issues and concerns not just to preserve our quality of life, but

improve it. Even in these financially challenging times, I continue to fight for you and your family while insisting on fiscal discipline by doing more with less to keep your taxes low. I continue to be a strong advocate for maintaining the integrity of our neighborhoods, improving transportation connections by all modes of travel and encouraging and supporting a strong business base downtown and in the tourist district to increase our revenue for improving services such as our new Woodinville Sports Fields. I promise to keep working with the Council to collaborate with our citizens, businesses and public partners to leverage tax dollars for your benefit. Statement: I am honored to have served the citizens of Woodinville for the past four years as your Councilmember and nine years as Parks and Recreation Commissioner. My family has lived in Woodinville for 30 years and believe we have an amazing community.

Our city is facing challenging economic times. I will continue to govern with prudent financial management without sacrificing our quality of life. **It is essential to have a clear plan in place as our community rebounds.** There is work to be done to ensure managed growth, economic development, traffic and road improvements, maintaining our current levels of public safety, and improving our parks, recreation and open space. The Council has spent too much time ignoring important issues while not making critical decisions.

I will welcome your input as we work together to build our future.

About the Top 2 Primary

Washington uses a “Top 2” system for its primary election. A Top 2 primary allows voters to vote for any candidate running in each race. The two candidates who received the most votes in the primary election advance to the general election. A candidate must have also received at least 1% of the votes cast in that race to advance to the general election.

The Top 2 primary applies to partisan offices. It does not apply to elections for President, Vice President. While there are some slight variations, elections for nonpartisan office, such as city council or judge, are conducted in a similar manner to the Top 2 primary. Generally, the two candidates in a nonpartisan race who received the most votes in the primary advance to the general election.

Carl Scandella

Occupation: biotechnology consultant

Education: BS Chemistry, Caltech; Ph.D. Biochemistry, Stanford

Statement: Nearly twenty years of residence on Yarrow Point and recent service on the Town Council have fueled my interest in our local government. During this time I raised my children and built a biotechnology consulting business while the town grew and prospered. After serving on the Town Council

since 2008, I have found it rewarding to participate in council meetings and related activities. Yarrow Point faces fiscal challenges in order to maintain and improve the infrastructure in an uncertain economy as well as the challenge presented by the new SR520 construction. Although small in terms of area and population, our town deserves representation in government initiatives such as protection of the environment and restoration of the salmon population. As a second term councilmember I look forward to addressing these and other challenges and representing the people of Yarrow Point.

Occupation: Business Consultant

Education: B.A. University of Washington

Statement: While serving Yarrow Point as Councilmember and Mayor Pro Tempore for 12 years, it has been clear that community involvement is the strength of our Town. I bring a set of unique perspectives to the Town Council. I am a 17 year resident of Yarrow Point, and have been immersed in our community, serving as co-chair of our

community 4th of July celebrations, as well as chairing the Yarrow Point Circle of Overlake Service League, now known as Bellevue LifeSpring.

The Town Council is constantly challenged to balance our quality of life and community character while being fiscally and socially responsible. Economic challenges have demanded budgetary focus, operational efficiencies and creativity toward finding the right solutions that fit our needs. Regarding write-ins

A write-in line is provided on your ballot for each race regardless of the number of candidates. You have the option to write in the name of a candidate. Frivolous write-ins, such as Mickey Mouse or Bigfoot, result in additional work and expenses to process.

You do not need to make a selection in every race for your votes to count, and write-in votes are not tallied by name unless the total number of write-in votes could make a difference in the result of the race.

Director District No. 4

Denise Eider

Occupation: Account Executive

Education: No information submitted

Statement: It takes an entire community to prepare students in our public schools for college, careers, and life. I look forward to building upon vital partnerships between families, educators, organizations, and communities that support successful learning for all children. Improvements in Renton Schools' test scores and graduation

rates are notable but there's more work to be done. As a Director, my work will promote student achievement through governance that includes planning, policy setting, advocacy and monitoring performance. I will nurture collaboration that ensures readiness to learn and follows through on the belief that all students can reach their potential.

As a working professional and mom of two children in Renton Schools, I've been active in my children's schools and around our community. I appreciate the enthusiasm and dedication that teachers contribute. School Board leadership for the Renton School District is an amazing opportunity to represent you. Thank you for your vote.

Steve McConnell

Occupation: Owner and CEO, Construx Software; Creator of BellevueSchools.net and BellevueSchoolBoard.org

Education: Masters in Software Engineering (M.S.E.), Seattle University; B.A., Whitman College; Rogers High School (Puyallup)

Statement: My priorities for Bellevue's School Board are: (1) Maximize success for all students, competing with the best schools anywhere, (2) Sharpen the school

board's focus on articulating strategy, goals, and performance standards with clarity, openness, and accountability, (3) Fully engage our diverse community through satisfaction surveys, town hall meetings, focus groups, blogging, Facebook, Twitter, and video.

As a 25-year Bellevue resident and father of both a gifted child and special needs child, I bring considerable empathy for students of all abilities. As owner of a successful business, I have substantial financial management experience, bringing fiscal stewardship to our district's \$180 million budget. Through my world-wide, high tech professional network, I know what students need to succeed in college and career in the 21st century.

Carolyn Simpson

Occupation: Senior Financial Audit Manager, Ernst & Young; Past President SVSF

Education: BS Business/Accounting; CPA; Parent 2 MSHS graduates at UW; PTSA Council Golden Acorn Award

Statement: Children only get one chance for a successful K-12 education. Our kids deserve the best possible chance. It's time to raise the bar and lift all students up so that every child graduates prepared for college or a career. We absolutely must focus on student success. I believe this is the #1 responsibility of a school board.

Reducing our middle schools from three to two threatens the education and safety of thousands of students. Therefore, I oppose it. SVSD needs to develop a long term strategic plan before building/converting schools or busing students great distances. We can then develop financially sound growth solutions supported by facts, embraced by voters, and focused on student success.

I will always encourage open discussions and diverse opinions. Together we will improve district decision making and enhance education so that all students, from those who struggle to those who seek challenge, will succeed.

Director District No. 1

Anne Moore

Occupation: Education & Advocacy Volunteer; former Manager of Operations & Marketing

Education: BS Electrical and Computer Engineering - University of CA Davis; MS Engineering Management - Santa Clara University

Statement: Our children deserve the highest quality education with highly effective teachers in every classroom to give them

opportunities to achieve their full potential. Whether students' interests take them towards college or career, they need challenging and meaningful coursework in school. I will always strive to put the needs of our students first, ask what needs to be improved, and work to implement the changes to provide an environment in which our students will build the foundation for their futures.

For the past 12 years, I've been involved in education volunteer work through Cougar Ridge, Apollo, Issaquah Middle, and Issaquah High PTAs; Issaquah PTSA Council; Site Council; Issaquah School District Bond/Levy Committees; Volunteers for Issaquah Schools; and Stand for Children. After these experiences, I've decided the best way to continue to advocate for all students is by serving the community as a School Board member.

I appreciate your support. Thank you.

Director District No. 3

Patrick Sansing

Occupation: Technology Business Executive, Husband, Parent of two and Community Volunteer

Education: California State University, Business School; Entrepreneurship Emphasis and Communications Minor

Statement: I decided to run for the school board because I can bring a fresh perspective to the District with an ability to be objective and fair. The education quality our children

receive must improve. I will work hard to ensure teachers perform at peak levels and students are well prepared for life.

I have volunteered in different roles to improve schools. In my career, I lead large international teams and regularly create big impact results. Combine the two and I bring grass roots experience in schools with leadership qualities to create and execute on top priorities.

I will work to attract, retain, and strengthen great teachers; advocate for all children, and wisely manage our funding to create outstanding schools. I build partnerships to get things done. As **your** School Board Representative, I will work hard to enable teachers and students to achieve their fullest potential. Thank you for supporting me.

Brian Deagle

Occupation: Attorney at Microsoft

Education: B.S., Chemical Engineering, University of California at Santa Barbara; J.D., University of Washington

Statement: It has been a pleasure to serve you since 2006. In that time, I've focused on the outcomes we want for our children, and in many ways our schools are the envy of the state. In 2010, 94.6% of our 10th graders passed the state writing test, and 95.6% of

our students graduated on-time. Yet we have more work to do. While our schools are good, I want them to be great. Our children are more than just data points from a standardize test; we need to reach the whole child. I want to achieve this in a sustainable way, so that our children continue to reach high levels of achievement even after the current board has departed.

My wife and I have lived in our district since 1993, and our daughters attend Skyline. Please find me on Facebook at "*Deagle for School Board*" and follow me on Twitter @votedeagle.

Director District No. 5

Brian Neville

Occupation: Senior Accounting Manager at T-Mobile US

Education: BA in Business Administration - Accounting from the University of Washington

Statement: Creativity, innovation, and collaboration are the cornerstones of a strong educational system and a successful community. As a Director, I will continue the fight to restore the disproportionate loss of state funds and focus on maximizing student academic achievement within an effective comprehensive program.

I advocate for education in our community – whether serving as President of the Board for Community for Youth, a highly successful mentorship non-profit; or providing financial advice to schools; or helping my daughter with her homework. As a UW graduate and CPA, I am currently a Senior Manager at T-Mobile and I will use my 15 years of accounting experience to ensure the most effective and efficient use of our District's resources.

My ties to Issaquah are deep. I am the son of an Issaquah teacher, a graduate of Liberty High School, and the father of two daughters in the district (the eldest at Sunny Hills).

Occupation: Current: Director, Issaquah School Board. Previous: Corporate Controller/ Financial Analyst.

Education: MBA, Finance, University of California, Berkeley. BA, French Studies, Brown University.

Statement: It has been my honor to serve you as a director of the Issaquah School Board for the past five years. Because of its on-going emphasis on quality instruction,

Issaquah continues to post among the highest student achievement results in the state.

It is the Board's goal to ensure that student success is at the forefront of everything we do. Our students are our future, and it is imperative that they be engaged in challenging and relevant learning opportunities to prepare them for college and careers.

I am extremely proud of the district's responsible stewardship of taxpayer dollars during a period of unprecedented state budget cuts. My work with and support of the PTAs, the Issaquah Schools Foundation, and Volunteers for Issaquah Schools keeps me connected to my constituents.

I look forward to the continued focus on student achievement for *all* students in our district and I appreciate your vote.

Director District No. 1

Cynthia Hudson

Occupation: Mother to three children, Pharmacist, Homemaker, Community Volunteer, PTSA member

Education: University of Washington School of Pharmacy, Vanderbilt University, National Merit Finalist from high school

Statement: I want to work with the district to create a predictable school schedule so that parents ready to get back to work as the economy recovers can have some regularity

for employment. I understand the purpose of early release Wednesdays, noon releases, LEAP days, and Thursday-Friday-Monday breaks, but most job seekers can't find meaningful jobs with that kind of flexibility.

It is a shame that our legislature feels that cutting teacher pay is an appropriate way to deal with decreasing tax revenues. Teachers must be paid commensurately for the challenging job of mentoring our children 180 days each year. Teaching is rewarding in itself, but our teachers are professionals who require appropriate pay and benefits.

It is thrilling to imagine helping guide the education of tomorrow's citizens and leaders. What better investment for the future than the education of our children?

Christopher Carlson

Occupation: Faculty, Fred Hutchinson Cancer Research Center

Education: B.A. Pomona College, Ph.D. Stanford University

Statement: For the past four years, it has been my privilege to represent you on the LWSD board of directors. Preparing our children for 21st century careers remains critical. From the new K-5 math curriculum to the planned STEM school (science,

technology, engineering and mathematics), our district is moving in the right direction to achieve this goal. As a professional scientist, I am dedicated to ensuring that our children are prepared to compete on a global stage. As a parent, I remain committed to excellence in teaching, and protecting the investment we have made in the professional development of our teachers. District finances will remain challenging over the coming four years, and I believe that parental engagement is key to maintaining the high quality of education in our district.

Occupation: RN, Levy Chair, PTSA, LW Schools Foundation, Community Volunteer

Education: No information submitted

Statement: As a 16 year member of the Lake Washington School Board (LWSD), I have consistently worked to improve **educational opportunities** for students to enable them to succeed in their future endeavors. I continue to be a champion for **choices** for students and families, in program and schools.

Despite ongoing cutbacks, **financial planning** allowed us to **protect the classroom** and keep our outstanding teachers without layoffs. Building and maintaining our schools require foresight and planning. Despite continued declining revenues from the State, we have a long-range plan for our facilities that is responsive to public comment and student needs.

Assuring communication with our constituents and our community has made our levy and bond issues understood and supported.

Using the policy governance model, the LWSD Board of Directors has been able to focus on **student achievement and performance** as our key outcomes. This governance model has provided opportunities to work with our constituents to obtain their thoughts and recommendations for preparing students for their future.

We are 37 year LWSD residents with two LWSD grads. *I continue to work to assure a quality and meaningful education for each of our students.* I look forward to serving you for another four years.

Siri Bliesner

Occupation: Public Health and Community Volunteer

Education: Master of Public Health, University of Washington; Bachelor of Arts in Human Biology, Stanford University

Statement: Siri Bliesner has lived in Redmond since 2003. She has two children who attend Redmond Junior High and Redmond High School. She is passionate in ensuring that the Lake Washington School

District provides a high quality education for every student. Siri recognizes the strength the community provides and would like to more effectively involve the community with the LWSD.

Siri believes in the importance of a well-funded and a well-rounded education which includes academics, arts and enrichment. She has been working toward this goal by: becoming a founding board member of the Lake Washington Schools Foundation; producing after-school musical productions, coaching chess club and starting a FIRST Lego robotics team. For her work, she received the Golden Acorn award, the State PTSA's highest award for volunteers.

Siri believes in the value of public schools and the value the public brings to the schools.

Statement: Background: Graduated Arrowhead, KJH, Inglesmoor '87 -- child starting Kenmore Elementary - wife Leanne counsels at Garfield, sister Mary Inghram teaches at Wellington -- successful community businessman at local firm serving property owners, local governments and

small businesses -- President Northshore Rotary.

Northshore faces lean economic times, making education more important than ever. I've taught college students and defended juveniles. I understand that we need **financial accountability** and **educational innovation** to keep Northshore competitive and serve our diverse population. We need to keep the School Board accessible and embrace parents when they offer their expertise. **Our teachers merit our continuing support.**

I offer a fresh voice, vision, advocacy and **common-sense commitment** to keeping Northshore great, earning the **community's trust** and investment. I'll listen to, and learn from, kids, parents, teachers, employees, community and experts, joining with the Board to **achieve excellence in education.**

Dawn McCravey

Occupation: Northshore Board President, PTA, sport league, scouting and church volunteer

Education: BA Elementary and Special Education -University of Texas

Statement: SCHOOL BOARD PRESIDENT DAWN MCCRAVEY – LEADERSHIP THAT'S MAKING A CHANGE

It has been an honor to serve the Northshore students as their elected representative for the past four years. As your School Board Member, I have provided a fresh perspective focused consistently on what is best for the students. As a veteran teacher, I understand that our job is about the kids and providing excellence in education. As your School Board President, I ensure that the priorities of the district are student centered, fiscally focused and community based. My leadership provides a balanced and open governance model that encourages participation of our entire board and values community involvement.

I have fought hard to strengthen collaborative communication with our community members, focus taxpayer's dollars toward supporting student achievement, adopt new curriculum, provide transparency, establish measurable board/district goals, and prioritize our students above all.

Statement: For 16 years, you trusted me to help meet the educational needs of all Northshore students. I proved myself to be a fiscally responsible collaborative leader willing to make difficult decisions. As a 55 year Bothell resident and parent of two Northshore graduates, I know our community and district well. I have filled leadership roles on multiple

state and local education committees, served as School Board President and VP, chaired the most recent levy/bond committee and to this day, am a school volunteer.

In a challenging economic environment where funding continues to decline, we need school board members with experience and commitment. Involved parents, engaged students and supported teachers must work with us as partners to foster quality education. I pledge to use my experience to keep our schools solvent as well as great places to learn and work.

Michael J. Fiset

Occupation: President, Fiset Financial Services, LLC; Certified Financial Planner® Practitioner

Education: MS Finance, Seattle University; BS Decision Science/MIS, George Mason University

Statement: It is time for me to take an active role in Government, rather than rely on others to oversee tax expenditures. Fire Protection District 10 provides us with vital services, but

there should always be strict oversight to ensure funds are being spent prudently. Our economy is in a "New Normal." If elected as your Fire Commissioner, you can count on me to ensure you are being taxed only as much as absolutely necessary. I will seek ways to reduce spending, but maintain service levels. I will challenge the status quo, including entitlements, benefits, and services contracted out.

As a retired U. S. Coast Guard Chief Warrant Officer (W-4), I understand how Government and emergency services run. As a business owner, I understand budgeting, oversight, the need for efficiencies and superior customer service.

Commissioner Position No. 1**David R. (Randy) Pitkin**

Occupation: Information Technology Consultant

Education: Bachelors in Information Technology

Statement: I would like to thank you for allowing me to serve. We have the healthiest district in the state. While other districts are severely struggling, district 14 has been unaffected. This is principally due to the commissioners who came before us. We

have secured that same success with the city of Bellevue for another 5 years. The issue in the upcoming years will be the efforts by the City of Bellevue to annex 3 separate sections that make up our fire district. With a complete annexation, the district itself will exist in name only for a short time and all governance will be executed by the Bellevue City council. A partial annexation may force the board to be reformed as a commissioner must reside in the district. I am making every effort I can to keep the information coming, verified and focused on our needs.

Commissioner Position No. 1

Eric Adman

Occupation: Fire Department Paramedic

Education: BA, Economics, University of Washington, Paramedic Certification, University of Washington / Harborview Paramedic Program

Statement: The Northshore Fire Department is at a crossroads. Revenues are down due to annexations into the district and decreased property values. Nearby departments are considering combining operations to achieve

efficiencies and savings. I bring a fresh, positive look at these issues. Providing excellent levels of service 24/7 and maintaining good response times are my goals.

I have lived, worked, and volunteered in the Northshore community for many years. As a firefighter in Bothell for 12 years, and a paramedic in Shoreline for 6 years, I know all Northshore area fire department personnel and operations very well. My volunteer and community work includes many leadership roles in charitable organizations. For example, I currently chair the Sno-King Watershed Council, and I am assisting EMPACT Northwest to establish a pilot EMS system in Haiti.

I will work hard to earn your trust and maintain high service levels from your excellent fire department.

Statement: Experience

Reid Institute Interviewing and Interrogation; Karrass Institute, Negotiation; Principal Representative to NORCOM, (Northeast

King County Regional Public Safety Communication Agency - 911); Chair Northshore Fire District 2008 through 2010; Chair Snohomish River Water Authority from 1995 inception to present.

Statement:

With the passage of the Benefit Charge affording the Northshore Fire Agency the ability to utilize two funding sources instead of one, the Commissioners pledged not to exceed a combined assessment of \$1.50 per \$1,000.00 of assessed value. As a candidate for re-election I stand firm on this commitment. Although assessed property valuations and agency revenues have dropped precipitously and are expected to continue to drop, I am opposed to raising taxes on all of us who have suffered reduced property values. Inter-agency cooperation, carefully reduced budgets and the use of some reserves made possible by the benefit charge can likely cover the shortfall. Thank you for your support.

Regarding write-ins

A write-in line is provided on your ballot for each race regardless of the number of candidates. You have the option to write in the name of a candidate. Frivolous write-ins, such as Mickey Mouse or Bigfoot, result in additional work and expenses to process.

You do not need to make a selection in every race for your votes to count, and write-in votes are not tallied by name unless the total number of write-in votes could make a difference in the result of the race.

Occupation: Firefighter/Realestate Manager

Education: BA

Statement: As a life long resident of Maple Valley I've seen exciting and interesting growth, change and improvement in our community. I started out in the emergency service profession in Maple Valley, at the then known Fire District #43, as a volunteer firefighter in 1991 at the age of nineteen. I've continued working in the emergency services

field ever since and have been given many opportunities to be a humble servant to the people as a firefighter and emergency medical technician. Currently I am a firefighter in the city of Seattle, but I still reside in Maple Valley as I always will. I am a 1995 graduate of Central Washington University in Ellensburg with a Bachelors of Arts in Mass Communication. The people of Maple Valley have always been my neighbors and friends. Occupation: Firefighter-EMT; Emergency Medical Services Instructor; Small Business Owner

Education: Edmonds Community College: Associates Degree, Program Requirements Completed for Fire Officer Degree; attended WSU

Statement: As your Fire Commissioner I will make sure that you receive the *highest* level of **fire protection** and **quality emergency**

medical services! As a professional Firefighter-EMT in King County, I understand what it takes to bring you and your family the care you deserve.

During these tough economic times our fire district has seen a decrease in revenue. I will bring needed fiscal responsibility, backed by *experience*, while still delivering the highest possible level of service. Currently serving on a local fire department financial committee I have learned how to save tax payers' money while maintaining life safety, customer service, and jobs. I will also explore alternative funding sources so that depreciation in property values will have less of an impact on Fire District 43.

Statement: I have resided in Maple Valley for the past 20 years and have enjoyed raising my family in this great community. It has been a privilege and honor to be involved and to serve as an elected Fire Commissioner.

As your Commissioner, I have been committed to representing you and maintaining the Department's high quality. My experiences working on behalf of this community has enabled me to serve you well with all of the challenges we have faced with these difficult economic times. I will continue to provide fiscal accountability, long-range planning and effective emergency response to our community. I would appreciate your vote for re-election.

I am proud to have earned the support and endorsement of the Maple Valley Professional Firefighters.

Harry Oestreich**Occupation:** Retired**Education:** MBA - Finance**Statement:** I wish to thank you, the citizens of KCFPD #45, for allowing me to serve you for the last 12 years. The Duvall-KC Fire Department has continued to provide and improve its service delivery capability and continues to be an outstanding organization. This is primarily due to the dedication and efforts of the women and men, both career

and volunteer, who staff our stations and respond when called. The Department's finances are strong and we are able to weather the current economic climate because of our strong financial reserves position without the need to raise your taxes. As Commissioners, we will continue to explore options for different service delivery models only if they will provide you with better services at a lower cost. I look forward to serving you for the next 6 years and thank you for your past support.

Why are there ballot measures and races in this pamphlet that are not on my ballot?

Don't worry, your ballot is correct. Your ballot includes the measures and races on which you are eligible to vote and reflect the district in which you reside. The voters' pamphlet may cover several different districts and as a result, some items in this pamphlet may not appear on your ballot.

You can find all the measures for which you are eligible to vote by using the online voter guide at:

Jack Vermeulen

Occupation: retired High-Tech consultant

Education: B.S. Math, Physics UW, Computer Science IBM, Boeing Computer Services

Statement: The Woodinville area is under pressure to provide sewers in areas that do not desire sewers. The Woodinville Water District needs a commissioner with a broad background with goals similar to yours. It's more than just water and sewer rates, it's

about honoring the promise of keeping the Woodinville area "country living" sustainable.

As a retired high-tech small business owner of 25 years with a manufacturing, medical, accounting, engineering and construction consulting background, I have the skills required for good management. That means honest, open communication and my availability to all residents who have questions or concerns.

This has been my community for over 40 years. My promise to you is to provide high quality, affordable water and do so in a fiscally responsible manner that reflects your wishes. Vote for me and I will do my best to ensure our district is one of the best in King County.

Occupation: Recently retired as Director of Finance Alderwood Water District, 12yrs.

Education: U of W graduate, MBA accounting, Certified Public Accountant

Statement: As your commissioner for 16 years, I have worked closely with a cooperative team providing the district with clean, reliable water and dependable sewer service at the lowest responsible rates. I believe in transparency in government, open

and frequent communication, and conservative budgeting. My extensive community involvement includes: board member for 5 years with the State Association of Sewer and Water districts; senior board member of the Insurance Pool for Water and Sewer Districts; VP of the Snohomish River RWA; Member of the KC investment pool advisory committee; Past president of Woodinville Chamber of Commerce and Hollywood Hill Association; Chairman NSD citizens levy committee; Founding board member Northshore Public Education Foundation. I lead and won a legal challenge against state DOR in Supreme Court, saving ratepayers millions. With your support I will continue to be a leader in the community providing you with the best water and sewer service possible.

Statement: As your Woodinville Water Commissioner I actively contribute to the District and consider the needs of all rate payers district wide, not just special interests. Water is our most precious resource and its delivery our greatest responsibility.

I am currently serving my second term as President of the Board of Commissioners, am the District's liaison to the Snohomish River Regional Water Authority, and have served on the District's Safety Committee. I want to continue to serve the rate payers, as your commissioner.

My commitment to you is to keep water and sewer rates under control, improve the services provided by the District, and to govern in a civil and transparent manner.

I am grateful to have served one term as your commissioner. I will strive to always merit your support. I am asking you to vote for Karen Steeb, so I can continue to be your Woodinville Water District Commissioner.

Education: University of Colorado, Boulder; Bachelor of Arts Degree

Statement: Our family has lived in Woodinville for 22 years. Many know me through school, sports, neighborhood meetings and as Woodinville's Planning Commission Chairman and Deputy Mayor.

I have over 30 years of business experience and believe that private sector "Best Practices" do work for government. We implemented them in Woodinville and roads were finally built, paved and plowed; new stormwater systems eliminated flooding downtown and staff productivity doubled. All without raising taxes. Private sector practices will work for our Water District. The District's Mission: Deliver Sewer and Water Infrastructure throughout the district. Only two of five commissioners own property in the district. Rate increases, now commonplace, don't align with supply costs. Commissioners meet twice monthly for one hour yet submit expenses for trips to Florida, California and Toronto. I'm asking for your support to bring Representation to our Property Owners, Fiscal Responsibility, "Best Practices" and Leadership to our Water District.

Occupation: No information submitted
Education: Certifications: Water Distribution Manager, Water Treatment Plant Operator, Cross Connection Control Specialist, Water Distribution Specialist

Statement: As residents of Water District 90, you've been concerned about fire safety, water quality and cost. It's time for a new Water District Commissioner! With more than a decade of education and work in

the drinking water industry, both as a municipal employee and private business owner, **Patrick Flaherty's** priorities are water quality, fire safety, integrity and clear communication. He has consulted with and operated more than twenty private water systems and brings up-to-date knowledge to the operation of water treatment facilities, system design and planning, project management, emergency preparedness, effective system maintenance scheduling, and budgeting. It's time to move your Water District to best practices implemented by an experienced specialist in the water industry. **Flaherty** is a lifelong Renton resident committed to improving current standards and managing costs who will keep our water district among the best in the state.

Byron Murgatroyd

Occupation: Consulting Actuary, retired
Education: Juris Doctor, University of Illinois; Fellow, Society of Actuaries; BA Finance, University of Colorado

Statement: Byron has been privileged to serve as Commissioner of Water District 90 since 1998. He's worked hard to lead the District to maintain high water quality and stable rates. With his education and professional background in law (Illinois 1979)

and finance (Actuary 1985), Byron has lead the program for financial accountability (10-year letter of commendation from State Auditor's office) and responsible spending (e.g. new buildings paid for in cash received from developers' fees; no impact on monthly rates.) He's also taken the lead responding to community concerns (securing loads, adding fire hydrants in Maple Hills, increasing water pressure.) His work on the Board (currently President) has helped turn the District into a modern, professional and efficient water provider.

Byron provides proven leadership, teamwork and vision. His hands-on experience, education and professional background benefit our District, where he has lived for 19 years.

Occupation: Retired Utilities Director

Education: Bachelors and Masters of Civil Engineering from University of Washington

Statement: It has been a privilege serving the customers and residents of the District for the past ten years. As a retired Utilities Director I have focused on bringing sound financial stewardship and professional leadership to the District and insuring long term investment in our water and sewer infrastructure.

Representing the District as Chair of the Cascade Water Alliance I have been instrumental in guaranteeing new and safe sources of water supply to meet our future needs. While the issues surrounding water supply and facilities for new growth has abated, the future brings new challenges in making the most efficient use of our financial resources, continuing to insure and protect our high quality drinking water, and maintaining our pipes, reservoirs and other investments for future generations. I commit to acting in the best interest of your District and continuing the legacy of excellence in water and sewer services.

Ian W. Macdonald

Occupation: Real Estate Broker, Small Business Owner since 1985

Education: Real Estate Development and Real Estate Brokerage

Statement: Greetings,

My name is Ian Macdonald and I have lived at the North end of Lake Washington for 50-years. I have raised two children right here, where I grew up, and I am a graduate of Inglemoor High School.

Owning and running a small business has taught me to plan and budget and see projects through from start to finish. I have built homes and developed property and worked closely with builders doing the same.

I have a vision for a revitalized Northshore, through responsible management of our resources, and creating a balance of conservation with development.

Being a member of an Ice Hockey Team for the past 16 years has given me practice as a team player. If you vote for me, I will bring all my experiences and vision to work for you!

D. Bruce Gardiner

Occupation: Attorney

Education: BA, University of Washington; JD, University of Puget Sound/Seattle University

Statement: Northshore Utility District has five excellent commissioners who work well together to bring you safe, low-cost water. In 2005, we negotiated a 57-year water supply contract with Seattle. Together with the Snohomish River water right acquired during my previous term in office, we will have an

abundant supply of quality, low cost water into the 22nd century. With prudent financial management of your district, we have held rates below that of the surrounding water and sewer districts. Northshore has an outstanding AAA rating from Standard and Poor's.

With a 30-year military background in security, I have provided much guidance as we increase the safety and security of our water from threats. We have made a multi-million dollar investment to strengthen our facilities and reservoirs from earthquakes.

We are currently converting all district meters to radio-reads, which will provide greater accuracy and reduce manpower.

Trudy C. Rolla

Occupation: Senior Environmental Health Specialist

Education: Bachelor of Science in Environmental Health, University of Washington; MBA, University of Puget Sound

Statement: Trudy has served as a Commissioner since 1994. During that time, she has:

- promoted connecting houses with failing septic systems to the sewer system
- ensured the on-going safety of the water system by helping to develop security measures
- improved customer service and overall District improvement by reviewing performance measures against national benchmarks.

Trudy's strong knowledge of water and sewer system regulations and operations, professional experience with the Seattle-King County Public Health Department, a BS degree in Environmental Health and an MBA allow her to understand complex issues and work out solutions.

As a resident of Kenmore for over sixteen years who raised two children here, Trudy is committed to a thriving, healthy community. Trudy believes NUD should provide a safe, adequate water supply; provide reliable sewage collection; and maintain competitive rates. Paul Joos

Occupation: Eye surgeon, businessman, Creighton Medicine Board (> decade), missions overseas, locally.

Education: Graduate of Renton High School (1964), Pacific Lutheran University (1968), Creighton University Medical School (1973).

Statement: The Public Hospital District #1 enters into a new era with the association with UW Medicine. We need a full time member of Valley Medical Center's professional

staff to watch over patient care and maintain better patient access. We need a **leader** on the board with **no political agendas or aspirations, no financial conflicts**, and who will wholeheartedly support all of our population. Although Valley Medical Center is a great institution, my goal is to put even more substance behind their marketing claims. I am not the candidate promoted by the hospital or the dissident board members, but a true advocate for the public. We need better **teamwork** on the board of commissioners to collaborate with all the members of the health delivery team. We also need this same approach for outreach to the community. I simply want to give back to the people who have provided me with a successful career.

Occupation: Superintendent, Renton School District

Education: Doctorate in Education, Nationally recognized leader and public educator

Statement: The new Alliance between Valley Medical and UW Medical Center is a major step forward in access to quality healthcare in our area. This Alliance must be developed and sustained to the benefit of all. As a candidate for VMC Commissioner, I am pledged to

responsibly integrate these organizations and be accountable for the benefits to our public.

Award-Winning Leadership

Recognized as Washington's 2011 Superintendent of the Year and ranked in the top four - nationally, I have led a committed team to make the Renton School District one of the finest in the state. We made tough fiscal decisions, but never lost sight of what makes a successful student — like the link between quality healthcare and learning.

Uniquely Qualified

My mother, a nurse, instilled in me a commitment to healthcare. Last year, serving on the Valley Medical President's Advisory Council, I learned what works — and doesn't — from many perspectives and advocated for the Alliance. I will provide fiscally responsible leadership to the Commissioner position.

Over the past almost 12 years, I have had the privilege to sit on the Board of Directors of King County Hospital District #2. Over that time, the residents of our Hospital District have approved a new hospital wing that will allow the Hospital to better serve our patients. We have expanded our services in a number of ways including building a relationship with the University of Washington Hospital and the Seattle Cancer Care Alliance. We also have the necessary permission to provide Cardiac and Vascular care both to our Emergency Care patients and our scheduled patients. We have added new Primary Clinics in Duvall, and new stand alone Medical Centers in Woodinville and Redmond (Bella Bottega). We plan to add more new clinics to better serve our residents.

Health Care is a complicated and expensive service to offer to our community. The Board, the hospital administration, and the Medical Staff and hospital employees work hard to provide the best medical care and to keep costs as low as we can.

I would appreciate your support and your vote as we all work towards being able to provide the best care we can, and adjusting to the changing face of Health care in our community.

Occupation: Retired: Teacher; Foreign Service Officer (Berlin); Navy Commander (USMC Korea).

Education: B.A. (Honors), M.A. (History), UC Riverside; M.A. Urban Studies, Occidental; WWU; Naval War College [Diploma].

Statement: NO NEW SNOQUALMIE VALLEY HOSPITAL! The 80/175-bed Swedish Medical Center is only 10 minutes from SVH's proposed site! Voters

have already spoken: ***The August 2007 levy/new hospital issue was rejected by 69%.*** Since then, this self-perpetuating board has squandered vast public funds on gimmicks to escape that vote by manipulating the media and paying exorbitant salaries and fees to administrators, lawyers, and consultants. Commissioner Fritz Ribray resigned in April 2011 to begin taking pay for promoting the hospital. Then they secretly picked their own former SVH employee as his replacement on the board's "puppet theater."

TRANSPARENCY & ACCOUNTABILITY could prevent fraud, waste and abuse in our Valley! If elected, I would be the only board member from Snoqualmie. Please vote: GENE POLLARD.

Regardless of this election, however, let's join in preventing wasteful duplication, bureaucratic abuse, and excessive taxes in Hospital District No. 4 and other Valley jurisdictions.

Occupation: No information submitted

Education: No information submitted

Statement: My family and I have been residents of the Finn Hill Neighborhood for almost twenty-five years. During that time we have enjoyed the natural beauty of Lake Washington, and appreciated the benefit of access through our parks. As our children grew, so too did our neighborhood with successive waves of new families, each

eager to enjoy what Finn Hill has to offer. The unspoiled wild areas and developed parks are a treasure to this community and worth protecting. The economic well being of our friends and neighbors is important as well. As your Commissioner, I intend to be an advocate not only for our parks, but also for the taxpayers whose dollars support them.

Occupation: Insurance Broker

Education: BA Economics University of Washington

Statement: The Finn Hill Park & Recreation District will continue to operate O.O. Denny Park subsequent to annexation by Kirkland. This park continues to be a highlight in the newly annexed area. A popular place for families to enjoy the lake with picnicing and walking trails in the park.

I have been a commissioner since the park district's inception and look forward, with your consent, to remaining active on the Board of Commissioners. Thank you for your vote and support.

Returning your ballot early

Return your completed ballot as early as possible.

Not only will more results be available to report on election night, but we'll have more time to connect with you if we have any difficulty verifying your signature. Returning ballots as early as possible also helps us save tax dollars by keeping election costs down.

You can return your ballot through the mail or at a ballot drop box as early as the day you receive it!
