Vice Chair Dunn,

Thank you for your letter regarding the “South Paw” timber sale in Tiger Mountain State Forest and for your advocacy on behalf of your constituents.

I appreciate our ongoing partnership to protect and conserve the older forests in King County. I hope we can continue to work together toward a future that includes clean air, clean water and clean habitat.

Thank you again for all your work in making King County a wonderful place to work, live and play.

Sincerely,

Dave Upthegrove
