

MISSION

Improve government performance, accountability, and transparency through impactful, independent analyses.

**King County
Auditor's Office**

**STRATEGIC PLAN
2019–2024**

VALUES

INDEPENDENCE

CREDIBILITY

IMPACT

GOALS

Advance positive change

- Increase equity impacts of auditor work
- Increase implementation of recommendations
- Enhance selection and scoping of projects to maximize impact
- Increase positive change stemming from collaboration and communication
- Create and share more non-audit resources that will enhance County performance

Maximize team effectiveness and fulfillment

- Cultivate a daily workplace culture where every employee experiences trust and respect, is treated with dignity, and feels engaged and confident to perform well
- Increase relevance of training and coaching to office priorities and individual goals
- Improve transparency and effectiveness of team roles and responsibilities
- Maintain a workload that balances productivity and sustainability
